

**Infant and follow-up formula registered with and approved by the Department of Health shall have a recognized label directly printed onto the container for ease of identification (Draft)**

1. This public notice is prescribed in accordance with the provision of subparagraph 10, paragraph 1, Article 22 of the Act Governing Food Safety and Sanitation.
2. Only infant and follow-up formula registered with and approved by the central competent authority can use the recognized label. This label is present with both image and text of breastfeeding promotion.
3. The label shall have the following specifications:
  - (1) The words "Breastfed babies are the healthiest babies" and "Ministry of Health and Welfare cares for you" shall be printed using at least font size 8.
  - (2) The image of breastfeeding shall be printed using CMYK colors: green (Y100C60) and orange (Y100M60).
  - (3) The size of the label may be determined by the user, but shall be no smaller than 3 cm (H) × 3 cm (W).

**Label Size: 3cm×3cm**

**Font Size: 8**
