

MENDOZA,

HAVING SEEN File No. EX-2017-15929511-APN-DD#INV, General Wine Act No. 14878 and Resolutions No. C.121 dated 12<sup>th</sup> March 1993, C.20 dated 14<sup>th</sup> June 2004 and C.60 dated 28<sup>th</sup> December 2012, and

WHEREAS:

Through the above mentioned File, the adaptation of the labeling regime of the NATIONAL INSTITUTE OF VITIVINICULTURE (INV), related to the importation of wine products and in relation to the identification of the provenance according to the country of origin, is promoted.

In this regard, the current labeling regulation considers that, among the mandatory references, the name of the product's country of origin shall be included.

The information presented on the labeling of the products shall be clear, precise, true and verifiable, in order not to mislead, deceive or confuse, with respect to the origin of the products circulating in the national territory. Therefore, in the case of imported products, it is necessary to clearly state such condition.

Section 8 of Act No. 14878, subsection f), establishes that the INV may adopt the measures aimed at the better supervision of the products included in said Act.

The Sub-Management Office of Legal Affairs has taken the appropriate action according to its powers.

Therefore, by virtue of the powers conferred on him by Acts No. 14878 and 24566, and Decree No. 155/16,

THE PRESIDENT OF THE  
NATIONAL INSTITUTE OF VITIVINICULTURE

RESOLVES:

SECTION 1.- In those products imported in bulk that are bottled and split up in the national territory, the name of the country from which the product originates shall be included on its identifying label. For this purpose, a font size of not less than THREE MILLIMETERS (3

mm) shall be used, recording the name prominently, horizontally, parallel to the base of the package and separated from other texts on the label.

In the case of bottles and glass carboys, said name shall be indicated on all of the fixed elements that make up the labeling, and in the case of the carton, polycoat carton containers (TetraPak) and bag-in-box, it should be printed on the TWO (2) most visible and larger sides of the container.

SECTION 2.- Imported products that enter bottled or packed with the same brands used in the Argentine domestic market shall indicate the name of the product's country of origin, according to the provisions of the preceding section.

SECTION 3.- Be it recorded, made known, published, forwarded to the National Bureau of Official Registry (*Dirección Nacional de Registro Oficial*) for its publication and, once accomplished, be it filed.
