

**NOTIFICATION OF STATISTICS UNDER ARTICLE XVI:4 OF THE
AGREEMENT ON GOVERNMENT PROCUREMENT 2012**

REPORT BY ARMENIA FOR 2020

STATISTICS ON CONTRACTS CONCLUDED ACCORDING TO FIXED THRESHOLDS DURING 2020

Table 1. Thresholds for the Republic of Armenia, according to special drawing rights (SDR)

NN	Contracting authority	Object of procurement		
		Goods	Services	Works
1	State administration bodies	130,000 SDR	130,000 SDR	5,000,000 SDR
2	Urban communities	200,000 SDR	200,000 SDR	5,000,000 SDR
3	Other contracting authorities*	400,000 SDR	400,000 SDR	5,000,000 SDR

Table 2. Fixed thresholds for 2020 (AMD million)

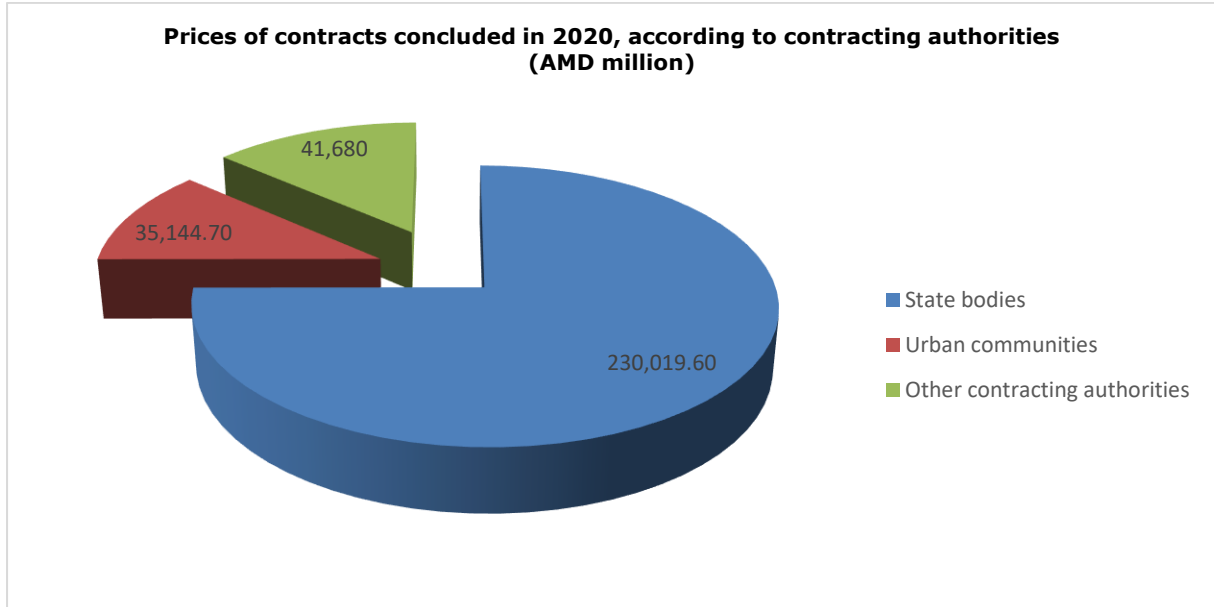

2020	Goods	Services	Works
State administration bodies	88.5	88.5	3,405.7
Urban communities	136.2	136.2	3,405.7
Other contracting authorities*	272.5	272.5	3,405.7

Table 3. Prices of concluded contracts in the reporting period

The total price of the contracts concluded for procurements by the state bodies, urban communities and commercial and non-commercial organisation under the subordination thereof is as follows:

Year	Total (million AMD)
2020	306,844.6

* Other contracting authorities include state or community non-commercial organisations, organisations with more than 50 per cent of state or community shares. In 2020, 1 SDR= AMD 681.13.

For 2020, the prices of the contracts concluded by the state bodies, urban communities, and commercial and non-commercial organisation under the subordination thereof through a single-source procurement, constitute AMD 141,022.8 million.

The total price of the contracts concluded by the state bodies, urban communities, and commercial and non-commercial organisations under the subordination thereof through tender procedures is as follows:

Table 4. Total price of contracts awarded through tender procedures

Year	Total (AMD million)
2020	165,821.8

Table 5. The share of contracts in excess of thresholds in the total price of the contracts concluded through tender procedures comprise, respectively:

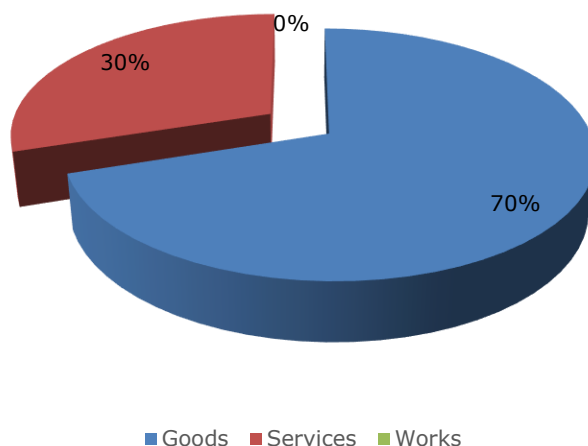

Year	Prices of contracts in excess of thresholds (AMD million)	Share of contracts in excess of thresholds in the total price of contracts concluded through tender procedures (%)
2020	45,030.9	27.2

For 2020, the prices of contracts below thresholds concluded through tender procedures, is AMD 120,790.9 million.

Table 6. Contracts in excess of thresholds concluded through tender procedures, according to objects of procurement

Year	Object of procurement	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2020	Goods	76	31,470.1
	Services	29	13,560.8
	Works	0	0

In 2020, the share of contracts in excess of thresholds, as expressed in monetary terms, according to objects of procurement

According to the information available, the majority of procurements in excess of thresholds involve contracts for the acquisition of goods. There are no contracts in excess of thresholds for the acquisition of construction works in the mentioned period.

Table 7. Contracts in excess of thresholds concluded through tender procedures, according to contracting authorities

Year	Contracting authorities	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2020	State bodies	96	36,576.7
	Urban communities	6	7,357.9
	Other contracting authorities	3	1,096.3

According to the information available, the majority of contracts in excess of thresholds are those involving state bodies.

Table 8. Contracts in excess of thresholds concluded through tender procedures, according to procurement procedures

Year	Procurement procedure	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2020	Open tender	56	32,002.1
	Urgent open tender	35	11,290.8
	Electronic auction	0	0
	Price quotation inquiry	14	1,738.0
