

**NOTIFICATION OF STATISTICS UNDER ARTICLE XVI:4 OF THE
AGREEMENT ON GOVERNMENT PROCUREMENT 2012**

REPORT FROM ARMENIA FOR 2016

**STATISTICS ON CONTRACTS CONCLUDED ACCORDING TO
FIXED THRESHOLDS DURING 2016**

Table 1. Thresholds for the Republic of Armenia, according to special drawing rights (SDR)

NN	Contracting authority	Object of procurement		
		Goods	Services	Works
1	State bodies	130,000 SDR	130,000 SDR	5,000,000 SDR
2	Urban communities	200,000 SDR	200,000 SDR	5,000,000 SDR
3	Other contracting authorities*	400,000 SDR	400,000 SDR	5,000,000 SDR

Table 2. Fixed Thresholds for 2016 (AMD million)

2016	Goods	Services	Works
State bodies	87.1	87.1	3,350.0
Urban communities	134.0	134.0	3,350.0
Other contracting authorities*	268.0	268.0	3,350.0

Table 3. Prices of concluded contracts in the reporting period

The total price of the contracts concluded for procurements by the state bodies, urban communities and commercial and non-commercial organisations under the subordination thereof, is as follows:

Year	Total (AMD million)
2016	290,739.7

Among the mentioned contracting authorities, the price of the contracts concluded by the state bodies comprised AMD 177,231.1 million, those of the urban communities — AMD 18,211.5 million, the price of the contracts concluded by the commercial and non-commercial organisations under the subordination thereof comprised AMD 56,279.5 million.

The total price of the contracts concluded with regard to the public organisations comprised AMD 39,017.6 million.

* Other contracting authorities include state or community non-commercial organisations, organisations with more than 50% of state or community shares, public organisations. In 2017, 1 SDR= AMD 670.

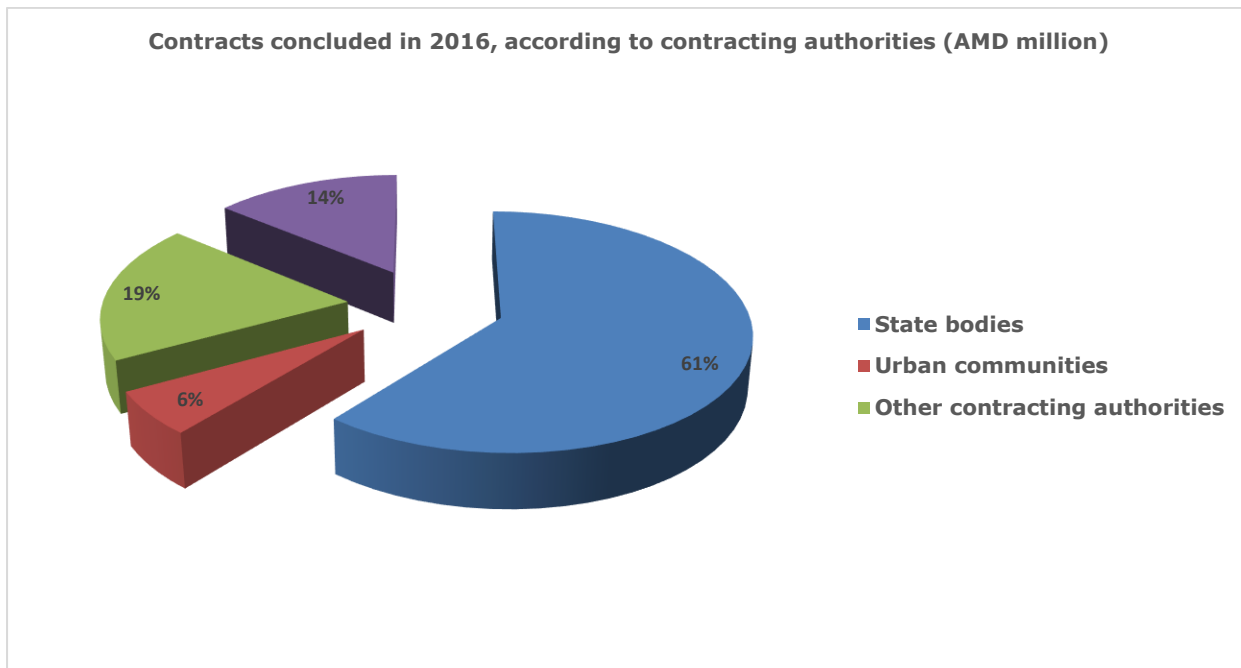

Table 4. Total price of the contracts awarded through tender procedures

Total price of the contracts concluded by the state bodies, urban communities and commercial and non-commercial organisations under the subordination thereof through tender procedures, comprises AMD 128,229.8 million.

Year	Total (AMD million)
2016	128,229.8

Table 5. The share of contracts in excess of thresholds in the total price of the contracts that are concluded by state bodies, urban communities and commercial and non-commercial organisations under the subordination thereof through tender procedures, are as follows:

Year	Price of contracts in excess of thresholds AMD million	Share of contracts in excess of thresholds in the total price of contracts concluded through tender procedures (%)
2016	29,213.0	22.9

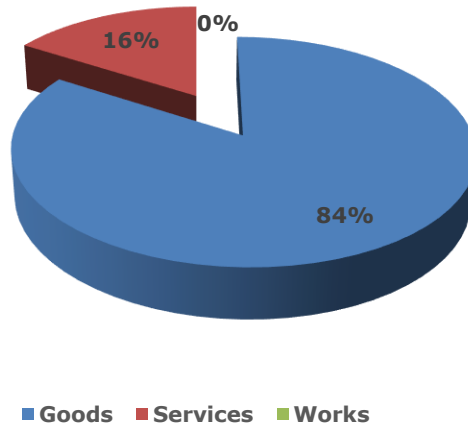

For 2016, the price of contracts below thresholds concluded by state bodies, urban communities and commercial and non-commercial organisations under the subordination thereof through tender procedures, is AMD 99,016.8 million.

For 2016, the price of contracts in excess of thresholds concluded by public organisations, comprises AMD 24,536.8 million.

Table 6. Contracts in excess of thresholds concluded by state bodies, urban communities and commercial and non-commercial organisations under subordination thereof through tender procedures, according to objects of procurement

Year	Object of procurement	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2016	Goods	87	24,649.6
	Services	19	4,563.4
	Works	0	0

In 2016, the share of contracts in excess of thresholds, as expressed in monetary terms, concluded by state bodies, urban communities and commercial and non-commercial organisations under subordination thereof, according to objects of procurement

According to the information available, the majority of procurements in excess of thresholds involve contracts for the acquisition of goods. There are no contracts in excess of thresholds for the acquisition of construction works in the mentioned period.

Table 7. Contracts in excess of thresholds concluded through tender procedures, according to contracting authorities

Year	Contracting authorities	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2016	State bodies	99	26,792.3
	Urban communities	4	913.4
	Other contracting authorities (commercial and non-commercial organisations under subordination of state bodies and urban communities)	3	1,507.2

Among the above-mentioned contracting authorities, based on the information available, the majority of contracts in excess of thresholds are those involving state bodies.

In 2016, public organisations concluded 15 contracts in excess of thresholds, the price whereof comprised AMD 24,536.8 million; 10 of which involve procurement of goods and 5 involve the services. The prices of contacts comprise AMD 6,611.0 million and AMD 17,925.8 million, respectively.

Table 8. Contracts in excess of thresholds concluded by state bodies, urban communities and commercial and non-commercial organisations under the subordination thereof through tender procedures, according to procurement procedures.

Year	Procurement procedure	Number of contracts in excess of thresholds	Total price of contracts in excess of thresholds (AMD million)
2016	Open procedures	1	885.9
	Framework agreement	87	21,836.3
	Competitive dialogue	3	818.8
	Unannounced negotiated procedures	11	5,204.2
	Announced negotiated procedures	4	467.8
