NOTIFICATION

Addendum

The following communication, received on 17 September 2007, is being circulated at the request of the Delegation of Albania.

Withdrawal of protective measures against the Avian Influenza outbreak in the Czech Republic (Usti nad Orlici District of Tisova Region)

Based on the notifications taken from the World Organization for Animal Health related to the new status of avian influenza in the Czech Republic, according to the International Terrestrial Animal Health Code, the Ministry of Agriculture, Food and Consumer Protection is notifying the Order of the Minister of Agriculture, Food and Consumer Protection withdrawing the protective measures against the avian influenza outbreak in the Czech Republic (Usti nad Orlici District of Tisova Region).

Date of entry into force: 23 August 2007

Background

In document G/SPS/N/ALB/11, dated 11 July 2007, the Ministry of Agriculture, Food and Consumer Protection notified the Order of Minister of Agriculture, Food and Consumer Protection "On some protective measures against the avian influenza outbreak in Czech Republic (Usti nad Orlici District of Tisova Region)", stopping the import of all kind of live fowl (wild and domestic fowl), day-old poultry, decorative poultry regardless of origin unless in the second order of the Ministry, eggs for hatching and for human consumption, sperm of live fowl (wild and domestic fowl), meat of wild and domestic fowl and poultry products destined for poultry feed or for industrial and agricultural use. It stops the import of pathological materials and biological products of poultry that are not treated in thermal processes.
