

Committee on Technical Barriers to Trade

NOTIFICATION

Agreement Reached by a Member with another Country or Countries on Issues Related to
Technical Regulations, Standards or Conformity Assessment Procedures

Revision

Under Article 10.7 of the Agreement "Whenever a Member has reached an agreement with any other country or countries on issues related to technical regulations, standards or conformity assessment procedures which may have a significant effect on trade, at least one Member party to the agreement shall notify other Members through the Secretariat of the products to be covered by the agreement and include a brief description of the agreement". The following notification under Article 10.7 has been received.

1.	Member notifying: <u>THAILAND</u>
2.	Title of the bilateral or plurilateral Agreement: Mutual Recognition Arrangement on Automotive Products between the Thai Industrial Standards Institute of the Kingdom of Thailand and The Federal Office of Road Safety of Australia
3.	Parties to the Agreement: Thailand, Australia
4.	Date of entry into force of the Agreement: 21 June 1999
5.	Products covered (HS or CCCN where applicable, otherwise national tariff heading): Road vehicles, equipment and parts originating in the countries of the Parties to the Arrangement
6.	Subject matter covered by the Agreement (technical regulations, standards or conformity assessment): Conformity assessment procedures (test reports)
7.	Brief description of the Agreement: This arrangement covers only road vehicles, equipment and parts originating in the countries of the Parties to the Arrangement. The Parties will mutually accept test reports for road vehicles, equipment and parts issued and/or certified by each Party as demonstration of compliance with technical regulations listed in Annex I and administered under the legislative, regulatory and administrative provisions listed in Annex II by the Thai Industrial Standards Institute of the Kingdom of Thailand and The Federal Office of Road Safety of Australia
