

Committee on Sanitary and Phytosanitary Measures

**REPORT OF THE INTERNATIONAL PLANT PROTECTION
CONVENTION SECRETARIAT (IPPC)**

Meeting of 20-21 October 2010

Corrigendum

The following communication, received on 21 October 2010, is being circulated at the request of the IPPC Secretariat.

Paragraph 31 should read as follows:

31. The IPPC secretariat continues to assist in the formulation of a number of projects to improve phytosanitary capacity of members. These include:

- Regional project for **East Africa** on *Bactrocera invadens* valued at US\$9 million;
- Project to strengthen phytosanitary services in Mozambique;
- Five (5) multi-year trust fund projects submitted for proposal to donors by FAO; and
- Strengthening the phytosanitary regulatory system of the Kingdom of Lesotho.

Paragraph 36 should read as follows:

36. The sustainability of IPPC secretariat, and hence the work programme of the IPPC, is being addressed as a matter of urgency. The current resource allocation (financial and human resources) is simply not sustainable with a projected budget deficit for 2011 of about **US\$1.2 million**.
