## TECHNICAL ASSISTANCE TO DEVELOPING COUNTRIES

### COMMUNICATION FROM JAPAN

#### *Corrigendum*

The following communication, received on 26 June 2014, is being circulated at the request of the Delegation of Japan.

---

The following paragraph should be corrected with the total value and the accumulated amount of Japanese assistance to read as follows:

3. The attached table shows Japan's SPS-related technical assistance from 1 April 2012 to 31 March 2013. The total value of the SPS-related technical assistance provided by Japan for the period amounted to approximately 490 million Japanese yen. The accumulated amount of Japanese assistance since 1 April 2009 is approximately 2.7 billion Japanese yen.
