OF OFFICIALS WITH POWER OF SIGNATURE FOR  
INTERNATIONAL PURPOSES**

COMMUNICATION FROM ARGENTINA

The following communication, received on 28 August 2017, is being circulated at the request of the delegation of Argentina.

1. This communication is to notify that starting on 4 September 2017, the National Agriculture and Food Quality and Health Service (SENASA) will be using a new stamp for export certificates relating to goods falling within the competence of the veterinary authorities (meat and dairy products, by-products and derivatives, animal feed, live animals, reproductive material and pets).

72 mm

48 mm

2. This new format, which incorporates security measures designed to provide added guarantees of the legitimacy of the international documentation concerned, consists of a design containing the current institutional logo of SENASA, and the surname and first name of the authorized official.

3. Please be aware that as from the above-mentioned date, the updated list of 286 officials with the power of signature for international purposes should be used as a reference. The list can be accessed through the following link: <https://nube.senasa.gob.ar/index.php/s/WD4DmNq9JfTbzrR>.
