ADDITIONAL INFORMATION

(Such information could include, inter alia, a more detailed description of the technical assistance required, any relevant background information on the reasons for the request, the possibility of using a regional approach to the provision of the requested assistance and the scope for a coordinated approach among relevant international organisations.)

1. Food Control Administration Unit of the Department of Health Services had been identified as the Enquiry Point for food safety and human health.
2. Basic facilities not available to establish and operate the Enquiry Point.
3. Officials identified for this activity neither have the knowledge nor information on these activities.
4. Hands-on training in a similar set up in other countries would be very useful.
