

Committee on Sanitary and Phytosanitary Measures

Original: English/
Spanish

NOTIFICATION OF COSAVE STANDARDS

The attached notices of public consultation on two COSAVE standards have been received by the Secretariat and are being circulated to Members in the interest of enhanced transparency.

NOTIFICATION OF PUBLIC CONSULTATION

The standard "**Guidelines for the assessment and risk management of low mobility quarantine pests in pathways intended for consumption**" of COSAVE is available for public consultation at the following Internet address: <http://www.cosave.org>

Your comments and suggestions should be addressed to the COSAVE Web Site before 25 November 2003.

NOTIFICATION OF PUBLIC CONSULTATION

The standard "**Procedures for phytosanitary treatments approval**" of COSAVE is available for public consultation at the following Internet address: <http://www.cosave.org>

Your comments and suggestions should be addressed to the COSAVE Web Site before 25 November 2003.
