(11-2854)

Committee on Sanitary and Phytosanitary Measures

SUMMARY OF THE MEETING OF 30-31 MARCH 2011

Note by the Secretariat¹

Corrigendum

Paragraph 54 should read as follows:

54. The WHO representative reported that the compilation of scientific information on ractopamine was available on the JEFCA website and that the conclusions were clear. The only outstanding issue related to consumption of and exposure to ractopamine from lung tissue. At the last Codex Committee of Residue of Veterinary Drugs several participants had requested further clarification from China concerning the variability of concentration in lung tissue.
