QUESTIONNAIRE ON SPS-RELATED WEB SITES

Note by the Secretariat¹

Revision

1. This questionnaire was first submitted to Members in July 1999. The replies received at that time were circulated as G/SPS/GEN/144. Additionally, the Secretariat established links from the WTO homepage to the web sites of Members' Enquiry Points and National Notification Authorities (http://www.wto.org/english/tratop_e/sps_e/spslinks_e.htm).
2. The Secretariat wishes to up-date the information included on the WTO web site. Given the increasing use of the internet by Members, it is probable that many more Members have web pages and are using these to convey information on SPS-related policies. Additionally, many of the links on the WTO web site provided by Members in 1999 are no longer correct.
3. The questionnaire is in the form of a table to be filled in by Members. Members are requested to fax (41-22-739 5760) or e-mail their responses to the Secretariat using the attached format. Members who wish to obtain the questionnaire in electronic format are requested to send an e-mail to Irma.Bracco@wto.org) with the words "Web Site Questionnaire" in the subject line.
4. Please return the completed questionnaire by **Friday, 21 November 2003** to Elena Avery, Agriculture and Commodities Division, World Trade Organization; Fax; + 41 22 739 57 60; E-mail: Elena.avery@wto.org.
