COMMUNICATION FROM NICARAGUA

The following communication has been received from the Permanent Mission of Nicaragua.

Notification by Nicaragua Relating to the Agreement on the
Application of Sanitary and Phytosanitary Measures

The Government of the Republic of Nicaragua notifies the WTO Secretariat that, in accordance with Article 7 and Annex B, paragraphs 5 to 10, of the Agreement, all the regulations relating to the country's sanitary and phytosanitary measures have been amended and submitted to the Nicaraguan Parliament in order to be duly approved. This action has been taken because the previous legislation had become outdated. The Government will promptly notify WTO Members of the amended regulations, once they have been approved by Parliament.
