Status Report Regarding Implementation of the  
DSB Recommendations and Rulings in the Dispute  
European Communities – Measures Affecting the Approval  
and Marketing of Biotech Products  
(WT/DS291)

Following the mutually agreed solutions reached with Argentina (document WT/DS293/41) and Canada (WT/DS292/40), the European Union remains ready to continue its discussions with the United States with the goal of resolving this dispute and related issues. The European Union and the United States held another technical meeting on issues related to biotechnology on 27 September 2011.
