**G/AG/N/NOR/59**

1 November 2010

(10-5738)

---

**Committee on Agriculture**

Original: English

## **NOTIFICATION**

The following submission, dated 18 October 2010, is being circulated at the request of the Delegation of **Norway**. The notification concerns domestic support commitments (**Table DS:1** and the relevant supporting tables) for the calendar years **2008 and 2009**.

Table DS:1

**DOMESTIC SUPPORT: Norway**  
**REPORTING PERIOD: Calendar year 2008**  
*Current Total Aggregate Measurement of Support*

Total current commitment level for the period in question	Currency	Current Total AMS
(from Section I of Part IV of the Schedule)	(from Section I of Part IV of the Schedule)	(from attached Supporting Tables)
1	2	3
11,449.0	million NOK	11,555.0 <sup>1</sup>

<sup>1</sup> The Current Total AMS for the calendar year 2008 exceeds the Total current commitment level by 106 million NOK. When deciding on prices and support levels for 2008 the AMS for rye, oilseeds and goat milk was not taken into account, as the AMS for these three products was included in the notifications as a result of the TPR of Norway in October 2008. The total AMS for these products was 188.6 million NOK in 2008. In addition, there was a concurrence of large production volumes for multiple products in 2008. Action has been taken in order to ensure that the annual AMS levels will be in compliance with the commitment levels from 2009 onwards.

**DOMESTIC SUPPORT: Norway****REPORTING PERIOD: Calendar year 2008***Measures exempt from the reduction commitment – "Green Box"*
