AGREEMENT ON IMPORT LICENSING PROCEDURES

Notification under Article 8.2(b)

ARMENIA

The following communication, dated 26 July 2006, has been received from the delegation of the Republic of Armenia.

Amendments have been made to the Law "On Licensing" of the Republic of Armenia with regard to the telecommunication sector of the import licensing requirements. The radio-electronic devices within the frequency range above 9KHz and below 400GHz have been abolished.
