The Permanent Mission of Peru wishes to reiterate the content of its notifications in documents G/LIC/N/3/PER/1 and G/LIC/N/3/PER/2/Add.1, to the effect that no administrative procedure relating to import licensing exists in Peru, given that Legislative Decree No. 668 of 11 September 1991 remains in force.

Hence, the questions in the Questionnaire on Import Licensing Procedures do not apply to Peru.
