

**REPLIES TO QUESTIONNAIRE ON IMPORT LICENSING PROCEDURES<sup>1</sup>**

Notification under Article 7.3 of the Agreement on Import Licensing Procedures

UKRAINE

The following communication, dated 18 September 2012, has been received from the delegation of Ukraine.

Ukraine's import licensing regime, as notified in document G/LIC/N/3/UKR/3 and with amendments provided in document G/LIC/N/3/UKR/4 has not been modified and still remains valid for 2012, except for changes introduced with regard to:

- Resolution of the Cabinet of Ministers of Ukraine # 1360 of 26.12.2011 which approves list of goods which are subject to import licensing in 2012. Resolution specifies goods falling under the system of automatic licensing, including ozone-depleting substances, products which may contain ozone-depleting substances, and administrative bodies responsible for issuing of approvals to obtain a license for importation of particular categories of goods under non-automatic system of licensing (see notification G/LIC/N/2/UKR/1).
- Extension in 2012 of special licensing system to casing and pump-compressor seamless steel pipes with the outer diameter up to 406.4 mm regardless of the country of origin and export (under the system of licensing using quotas for imported goods, which are established under separate Decisions of the Interagency Commission of Ukraine for international trade), (see notification G/SG/N/8/UKR/1/Suppl.1, G/SG/N/14/UKR/1).
