B. SUMMARY OF THE MAIN DEVELOPMENTS IN THE WORK OF THE COMMITTEE DURING THE PERIOD COVERED

4. During the reporting period, the Committee held its twenty-ninth, thirtieth, thirty-first and thirty-second meetings on 30 April and 19 October 2009, and 25 April and 29 October 2010. The minutes of these meetings are contained in documents G/LIC/M/29-32, respectively.

5. During the period covered, the Committee: (i) received notifications of legislation and/or publications submitted by [13] (20.10.10) Members, notifications relating to the institution of import licensing procedures or changes in these procedures submitted by [15] (20.10.10) Members, and replies to the Questionnaire on Import Licensing Procedures submitted by [53] (20.10.10) Members.<sup>3</sup> The complete list of notifications submitted by Members during the reporting period is contained in Annex I; (ii) discussed the matter of compliance with notification obligations and how the issue of transparency could be improved; (iii) adopted its annual reports for 2009 and 2010 to the Council for Trade in Goods in accordance with Article 7.4 of the Agreement (G/L/903 and G/L/[ ]); (iv) carried out the eight biennial review of the implementation and operation of the Agreement under Article 7.1 on the basis of a factual report prepared by the Secretariat (G/LIC/W/37 and G/L/[ ]); and, (v) conducted the eighth transitional review of the implementation of China's commitments in the import licensing area pursuant to Paragraph 18 of its Protocol of Accession<sup>4</sup>. The report of the Committee to the Council for Trade in Goods on this review was circulated in document G/LIC/20 (G/LIC/M/30, paragraphs 3.1 – 3.5).

6. The Chair noted that progress had taken place with regard to Members' notification obligations; some Members had now submitted for the first time their notifications under

<sup>4</sup> WT/L/432.

Articles 1.4a) and/or 8.2b) and under Article 5 of the Agreement. Nevertheless, the Chair expressed that there were still some gaps concerning the failure of many Members to submit the required notifications on time. In this regard, the Committee was informed of the steps taken by the Chair and the Secretariat with a view to improving the situation. It was recalled that informal consultations had taken place with a large range of delegations, that the Committee held three informal meetings in the period under review and that delegations who attended the informal consultations as well as those who intervened at the informal Committee meetings, had unanimously highlighted the importance of improving compliance with notification obligations. They had also encouraged the different Chairs to continue, within the Committee, the informal discussion on ways and means to improve timeliness and completeness of notifications. As a result of this, since 2009, at the request of the Chairperson and in light of the suggestions and ideas proposed and discussed at the informal meetings, the Secretariat had prepared and sent specific letters to each one of the WTO Members; this was to remind them of their transparency obligations, highlighting the date of the last notification received from their authorities, especially under Article 7.3 of the Agreement. These letters also contained an invitation to Members to review the status of their notifications in general and update them whenever necessary; they also included samples of statements to be used by those Members which had not introduced any changes or only minor changes to their import licensing regimes already notified to the Committee. The latter had proved to be acceptable and easily applicable and some Members have already adopted such short statements in their notifications. The Chair also informed the Committee that she had taken stock of the ideas put forward by Members, in order to come back to the Committee with some unified and specific proposals to allow it to take this discussion forward to a concrete result, as also requested by delegations. In doing so the Chair had taken into consideration the concerns and difficulties expressed by delegations during the informal meetings and consultations, such as: cumbersomeness of notifications under the Agreement, Members preparing the multiple notifications in different ways, lack of standard forms to notify which make it more difficult to notifying Members to understand the relevant provisions and procedures, rotation of officers dealing with IL procedures and notifications and specificity of Notifications. The suggestions and general guidelines put forward by delegations during the informal meetings and consultations, such as: facilitating work through simplification while at the same time not increasing the burden to notify, and attaching importance to quality over quantity had also been taken into account. Consequently, the committee would continue to discuss informally other ways and means to improve transparency obligations such as e-forms in order to facilitate Members' compliance with their notification obligations under Articles 1.4a) and or 8.2b) and Article 5 of the Agreement. Members were also encouraged to consult the Secretariat whenever there were questions about the notification requirements, and; in the case of developing and least developed countries, to ask for technical assistance to be provided in their countries with the participation of the national authorities who enact and administer import licensing procedures.

7. As at 29 October 2010, there remained 20 Members<sup>5</sup> that had not submitted any notifications under the Agreement; only [96] Members had submitted notifications of laws, regulations and administrative procedures relevant to import licensing under Articles 1.4(a) and 8.2(b); only [34] Members<sup>6</sup> had notified the institution of new licensing procedures or changes in existing procedures under paragraphs 1-4 of Article 5; and a cumulative total of [97] Members had submitted replies to the Questionnaire under Article 7.3 since the entry into force of the WTO Agreement (See Figure 1).

SITUATION AS AT 19.10.10

8. Though the Agreement required all Members to provide replies to the Questionnaire on an annual basis, the total notified each year was much less than the Membership of the WTO (11 Members in 1995, 22 Members in 1996, 25 Members in 1997, 26 Members in 1998, 20 Members in 1999, 32 Members in 2000, 23 Members in 2001, 41 Members in 2002, 25 Members in 2003, 21 Members in 2004, 19 Members in 2005, 46 Members in 2006, 37 Members in 2007; 31 Members in 2008, 42 Members in 2009 and [34] Members up to now in 2010) (See Figure 2).

FIGURE 2: NUMBER OF MEMBERS HAVING NOTIFIED  
UNDER ART. 7.3 FROM 1995 TO 2010

9. Members who had not yet submitted the required notifications or provided clarifications sought by other Members were urged to do so without any further delay. Members who had technical problems in preparing the notifications were requested to consult the Secretariat in order to assist them in complying with the requirements. The Secretariat had been contacted by some delegations requesting its assistance in the notifying process. Responses and explanations have been provided and most of these delegations have now submitted notifications or had expressed that they are in the process of preparing their notifications and will submit them soon. Various Members had also requested technical assistance through national seminars to improve their notification processes. During the period under review some Members submitted, for the first time, their notifications under various provisions of the Agreement<sup>7</sup>.

10. Written comments and questions concerning the notifications submitted to the Committee and/or on import licensing procedures maintained by Members which had not been notified to the Committee, as well as responses to these questions and comments provided by Members may be found in documents in the G/LIC/Q series.<sup>8</sup>

which the information concerning import licensing procedures are published, and to make copies of these publications available to the Secretariat.

12. Paragraph 2(a) of Article 8 provides that "each Member shall ensure, not later than the date of entry into force of the WTO Agreement for it, the conformity of its laws, regulations and administrative procedures with the provisions of this Agreement"; paragraph 2(b) states that "each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations".

13. The Committee agreed that in cases where the publications or legislation were not in a WTO official language, Members shall provide, together with such publications or legislation, a summary of the notification in one of the WTO languages. Other Members may ask for a full translation if they so wish, or seek any additional information on a bilateral basis. Any issues that cannot be solved on a bilateral basis may be brought to the attention of the Committee. It was also agreed that the first notification under Article 8.2(b) shall contain the full text of relevant laws and regulations in effect on the entry into force of the WTO Agreement for the Member concerned (G/LIC/M/2 and G/LIC/3).

14. During the period covered, the Committee received [16] notifications of legislation and/or publications pursuant to Articles 1.4(a) and/or 8.2(b) of the Agreement from [13] Members. (See Figures 3, 4 and 5 below, first set of blocks. Since the entry into force of the WTO Agreement, notifications have been received from [96] Members and have been circulated in the G/LIC/N/1/-series. #### B. NOTIFICATIONS OF IMPORT LICENSING PROCEDURES (ARTICLES 5 AND 7.3)

15. Article 2.1 of the Agreement defines automatic import licensing as "import licensing where approval of the application is granted in all cases, and in accordance with the requirements of paragraph 2(a)". Paragraph 2(a) of Article 2 states that "automatic import licensing procedures shall not be administered in such a manner as to have restricting effects on imports subject to automatic licensing. Automatic licensing procedures shall be deemed to have trade-restricting effects unless, *inter alia*: (i) any person, firm or institution which fulfils the legal requirements of the importing Member for engaging in import operations involving products subject to automatic licensing is equally eligible to apply for and to obtain import licences; (ii) applications for licences may be submitted on any working day prior to the customs clearance of the goods; (iii) applications for licences when submitted in appropriate and complete form are approved immediately on receipt, to the extent administratively feasible, but within a maximum of 10 working days".<sup>10</sup> Article 3 defines non-automatic import licensing as "import licensing not falling within the definition contained in paragraph 1 of Article 2".<sup>11</sup>

16. Article 5.1 of the Agreement requires Members which institute licensing procedures or changes in these procedures to notify the Committee of such within 60 days of publication. Pursuant to Article 5.2, the notifications shall include: the list of products subject to licensing procedures; contact point for information on eligibility; administrative body(ies) for submission of applications; date and name of publication where licensing procedures are published; indication of whether the

licensing procedure is automatic or non-automatic according to definitions contained in Articles 2 and 3; in the case of automatic licensing procedures, their administrative purpose; in the case of non-automatic licensing procedures, indication of the measure being implemented through the licensing procedure; and expected duration of the licensing procedure if this can be estimated with some probability, and if not, reason why this information cannot be provided. Article 5.4 requires Members to notify the Committee of the publications in which the information required in Article 1.4 will be published.

17. In addition, pursuant to Article 5.5 any interested Member which considers that another Member has not notified the institution of a licensing procedure or changes therein in accordance with the provisions of Articles 5.1-5.3 may bring the matter to the attention of such other Member. If notification is not made promptly thereafter, such Member may itself notify the licensing procedure or changes therein, including all relevant and available information.

18. Pursuant to Article 7.3 of the Agreement, Members undertake to complete the annual Questionnaire on Import Licensing Procedures<sup>12</sup> promptly and in full. At its meeting in October 1995, the Committee established a time-limit of 30 September each year to submit these notifications (See documents G/LIC/M/2 and G/LIC/3).

### III. CONSULTATION AND DISPUTE SETTLEMENT

21. During the reporting period there were no Panels where the Agreement on Import Licensing Procedures was cited.

### IV. QUESTIONS AND REPLIES BY MEMBERS

22. At its meeting on 23 October 1996, the Committee reached the Understanding on Procedures for the Review of Notifications Submitted under the Agreement on Import Licensing Procedures, circulated in document G/LIC/4. This Understanding provides that Member's views, and requests for clarification, should be communicated, in writing, to the delegations concerned with copies for information to the Secretariat preferably 21 days, but at least ten working days, in advance of the meeting at which they would be raised. Replies to the questions should also be forwarded to the delegations having raised the questions, in writing, with copies for information to the Secretariat. The questions and replies thus received would be circulated by the Secretariat.

23. The complete list of written questions and replies submitted by Members during the review is contained in Annex IV.

### V. ANNUAL REPORTS (2009 AND 2010) TO THE COUNCIL FOR TRADE IN GOODS

24. In Accordance with Article 7.1 of the Agreement, the Committee adopted, on the basis of the documents prepared by the Secretariat (G/LIC/W/34 and G/LIC/W/36), its annual reports to the Council for Trade in Goods. The report for 2009 as revised and adopted was circulated as document G/L/903.

**VI. EIGHTH TRANSITIONAL REVIEW UNDER PARAGRAPH 18 OF THE PROTOCOL ON THE ACCESSION OF THE PEOPLE'S REPUBLIC OF CHINA (WT/L/432)**

**A. EIGHTH TRANSITIONAL REVIEW ON THE ACCESSION OF THE PEOPLE'S REPUBLIC OF CHINA**

25. The Eighth transitional review of the implementation of China's commitments in the import licensing area pursuant to Paragraph 18 of its Protocol of Accession took place at the thirtieth meeting of the Committee (19 October 2009). The report to the CTG on the eighth transitional review was circulated in document G/LIC/20.

**VII. TECHNICAL ASSISTANCE ACTIVITIES**

26. During the period under review three technical assistance activities took place in Lao, Ecuador and Paraguay. The objective of these activities was to: (i) enhance the administrative capability of the different authorities to clearly understand the aim, purposes and particularities of the Agreement; (ii) enable them to differentiate the two types of import licences and other trade barriers whose legitimate objectives could be better obtained through less trade-restrictive and less trade-distorting measures than import licences such as technical regulations, sanitary and phyto-sanitary measures; and, (iii) provide the necessary tools and explanations to the local authorities to comply with their notification obligations. As a result of these activities Ecuador updated its notifications under Article 7.3 of the Agreement and Paraguay had started a process to update its notifications in light of the forthcoming Trade Policy Review Mechanism.
