**REPORT (2012) OF THE COMMITTEE ON IMPORT LICENSING
TO THE COUNCIL FOR TRADE IN GOODS**

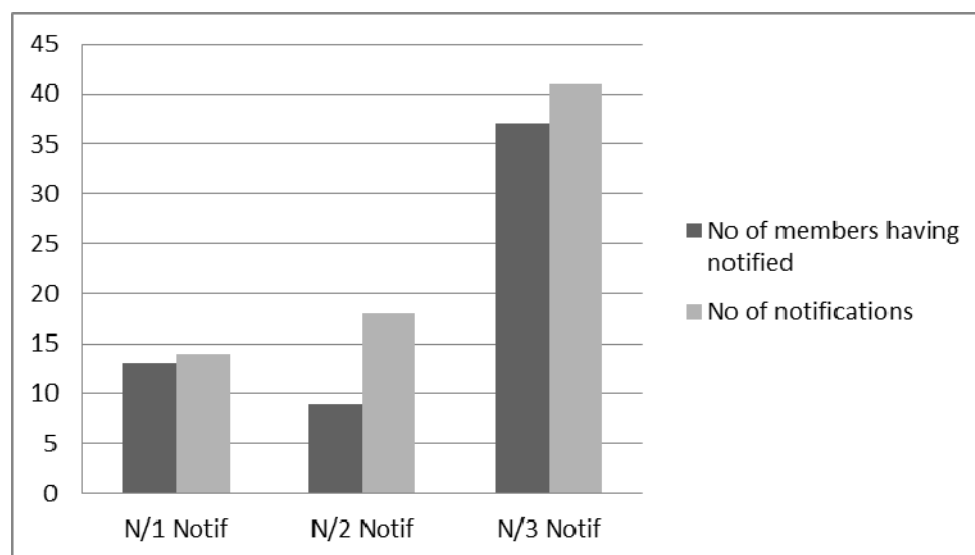

1. The Agreement on Import Licensing Procedures (hereinafter "the Agreement") which entered into force on 1 January 1995, establishes disciplines on users of import licensing systems with the principal objective of ensuring that the procedures applied for granting import licences do not in themselves restrict trade. It aims to simplify, clarify and minimize the administrative requirements necessary to obtain import licences.
2. The Committee on Import Licensing was established to afford Members the opportunity of consulting on any matters relating to the operation of the Agreement or the furtherance of its objectives. The Committee's Rules of Procedure, which were approved by the Council for Trade in Goods, are contained in document G/L/147.
3. All Members of the WTO are *ipso facto* members of the Committee. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, the World Bank and UNCTAD have regular Observer status in the Committee.
4. The focus of this report is on the period since the Committee's last annual report (G/L/968), i.e. 15 October 2011 - 29 October 2012 (hereinafter "the review period"). During the review period, the Committee held two meetings on 27 April and 29 October 2012 (G/LIC/M/35 and [G/LIC/M/36]). At its meeting on 27 April 2012, the Committee took note of the nomination of Mr. Pierre-Emmanuel Brusselmans (Belgium) as Chairperson of the Committee for the current year and elected him by acclamation. At that meeting, the Committee elected as Vice-Chairperson for the current year, Mrs. Elisa Olmedo de Alejandro (Mexico). Pursuant to Committee's Rules of Procedure, they took office at the end of that meeting.
5. Pursuant to Articles 1.4(a) and/or 8.2(b) of the Agreement and procedures agreed by the Committee, all Members are required, upon membership to the WTO, to notify the sources of the information pertaining to their laws, regulations and administrative procedures relevant to import licensing. Any subsequent changes to these laws, regulations and administrative procedures are also required to be published and notified. Since the entry into force of the WTO Agreement, [101] (up to 15.10.12) Members¹ have notified the Committee of their legislation and/or publications under these provisions. Article 5.5 of the Agreement allows Members to submit reverse notifications, where a Member considers that another Member has not notified the institution of a licensing procedure or changes in the procedures. However, no such reverse notifications have been received under this provision since the entry into force of the Agreement.

9. The delegations of Australia, the European Union, Japan, Korea, Norway, Turkey and the United States requested the Secretariat to include in the agenda of the meeting on 27 April 2012, an item concerning Argentina's Import Licensing Measures and Procedures. These Members stated that, further to the joint statement by Canada, China, Costa Rica, Israel, New Zealand, Panama, Switzerland, Chinese Taipei and Thailand at a meeting of the Goods Council in March 2012, they continued to have concerns over Argentina's trade-restrictive IL measures, particularly the new import requirements introduced on 1 February 2012, which required, in essence, the personal approval by the Secretary of Commerce, of every product imported into Argentina. Thailand, New Zealand, Costa Rica, Colombia, Peru, Chinese Taipei and Switzerland echoed the concerns.

10. Argentina reiterated the statement made at the Goods Council on 30 March 2012 (G/C/W/668) and indicated that during the Committee meetings, it had not only responded to the various concerns expressed by Members, but had also fulfilled its transparency obligations. Additionally and with the aim to provide further transparency to its NAL, Argentina indicated that it had introduced in March 2011 the "Sistema Integrado de Comercio Exterior (SISCO)" so as to allow importers to submit their applications on line.

11. The European Union, the United States, Japan and Mexico requested formal consultations with Argentina (see documents G/LIC/40-43).

12. Turkey requested the Secretariat to include in the agenda of the meeting on 29 October 2012, an item concerning Thailand's import licensing practices for marble and similar stones. [To be updated in light of developments at the 29 October meeting of the Committee]

13. The Committee took note of the recommendation adopted by the General Council in paragraphs 29 to 31 of document WT/BFA/128 and agreed to follow them wherever possible. With regard to notifications, the Secretariat was asked to prepare, for Members' consideration, a draft notification form for notifying under Article 7.3 of the Agreement and a draft text on the use of electronic versions of attachments to notifications submitted under the different provisions in the Agreement. Consultations on these proposed drafts would be held in informal mode.

14. During the review period, five Members had submitted, for the first time, notifications to the Committee under various Articles of the Agreement: under Articles 1.4a) Viet Nam; under Article 5 Morocco and Kuwait; and, under Article 7.3 Nepal and Paraguay.

15. At its meeting of 29 October 2012, the Committee conducted the Ninth Biennial Review of the Implementation and Operation of the Agreement under Article 7.1. The Committee's report to the Council for Trade in Goods on this review is contained in document G/LIC/[XX].
