IMPORT LICENSING SYSTEM OF ARGENTINA

Reply by ARGENTINA to the Questions from the UNITED STATES¹

The following communication, dated 14 September 2004, is being circulated at the request of the delegation of Argentina.

I hereby refer to the questions posed by the United States in document G/LIC/Q/ARG/1 concerning Ministry of Economy and Production (MEP) Resolution No. 56/2004 (published in the Official Journal of 26 January 2004), which established a non-automatic import licensing system for certain goods.

It should be noted that this Resolution was repealed by Secretariat of Industry, Trade and Small- and Medium-Sized Enterprises (SICyP) Resolution No. 51/2004 (published in the Official Journal of 15 February 2004), in so far as it eliminated the tariff item numbers listed in the Annex to Ministry of Economy and Production (MEP) Resolution No. 56/2004.
