## NOTIFICATION OF REPLIES FROM BOLIVIA<sup>1</sup> TO THE QUESTIONNAIRE ON IMPORT LICENSING PROCEDURES

Reply by BOLIVIA to the Questions Posed  
by the UNITED STATES<sup>2</sup>

The following communication, dated 13 March 2002, has been received from the Permanent Mission of Bolivia.

### Question

In document G/LIC/N/3/BOL/3, Bolivia describes the system of requiring prior authorization for products affecting public health or state security. The legal instruments implementing this system were provided in document G/LIC/N/1/BOL/1 in 1997, and have not changed. How, if at all, has the scope or nature of the system described in document G/LIC/N/3/BOL/3 changed from the previous submissions?

### Reply

There are no differences between the notifications by Bolivia in documents G/LIC/N/1/BOL/1 of 1997 and G/LIC/N/3/BOL/3 of 2000 with regard to the system for importing products affecting public health or state security and there are therefore no changes to this legislation.
