

BRAZIL'S IMPORT LICENSING REQUIREMENTS FOR TOYS

Questions from CANADA to BRAZIL

The following communication, dated 28 October 2008, is being circulated at the request of the delegation of Canada.

Canada thanks Brazil for its Article 7.3 Replies to the Import Licensing Questionnaire dated 8 October 2007 and circulated in document G/LIC/N/3/BRA/6. We would like to submit the following question which was posed orally to Brazil at the 28 April 2008 meeting of the Import Licensing Committee.

Question for Brazil on the Import Licensing Questionnaire

1. In the Procedures section, in paragraph 8, Brazil notes that refusal of a license may be challenged by the importer. Can Brazil explain the process for such a challenge?
