NOTIFICATION

Addendum

The following communication, received on 23 January 2007, is being circulated at the request of the Delegation of the Republic of Korea.

Revision of Quarantine Requirements of the Wood Packaging Materials for Imported Consignments

The National Plant Quarantine Service, Ministry of Agriculture and Forestry of the Republic of Korea has revised the Quarantine Requirements of the Wood Packaging Materials for Imported Consignments as follows:

The wood packaging materials (WPM) entering the Republic of Korea should be treated and certified in accordance with the standard established in the revised ISPM No.15 (2006).

These requirements are effective for imported consignments on and after 7 December 2006.
