NOTIFICATION UNDER ARTICLE 22.2 OF THE AGREEMENT
ON IMPLEMENTATION OF ARTICLE VII OF THE GENERAL
AGREEMENT ON TARIFFS AND TRADE 1994

HONG KONG

The following communication, dated 18 January 1996, has been received from the Permanent Mission of Hong Kong.

My authorities have asked me to inform the WTO Secretariat that our notification of legislation under the Tokyo Round Customs Valuation Agreement remains valid under the WTO Agreement on Customs Valuation. Hong Kong's present policy is not to levy customs duties, therefore no laws, regulations or administrative procedures exist for valuing goods for customs purposes.
