Corrigendum

The following communication, dated 9 August 2004, is being circulated at the request of the delegation of Mexico.

The Permanent Mission of Mexico to the WTO wishes to refer to document G/VAL/N/2/MEX/1, whereby Mexico provides information on the implementation and administration of the Agreement on Customs Valuation, and hereby requests that the word "unacceptability", in the first sentence of the reply to question 1.(a)(iv), be replaced by "acceptability", to read as follows:

"For clearance purposes, by means of a documented report contained in the "Declaration of Value" that the importer attaches to the customs declaration and in which reference is made to the circumstances of sale and also to the acceptability of the method employed."
