Corrigendum¹

In document IP/C/W/376/Add.5, paragraph 51 was incorrectly repeated and also appeared as paragraph 52. The correct text of paragraph 52 is shown below:

"52. Between January 1996 and December 31, 2001, assistance in translation has been given to 171 countries and regional groupings (not limited to developing countries), for which laws and regulations have been translated from or into Arabic, Dutch, English, French, German, Portuguese and Spanish as required."
