Council for Trade-Related Aspects of Intellectual Property Rights

NOTIFICATION OF CONTACT POINTS FOR TECHNICAL COOPERATION ON TRIPS

Note by the Secretariat

Revision

At its meeting of 22 to 25 July 1996, the Council for TRIPS agreed to invite each developed country Member to notify a contact point for technical cooperation on TRIPS. The Chairman noted that such contact point (or contact points) could be the same as the one that the developed country Member in question had notified under Article 69 of the TRIPS Agreement, or it could be different, depending on the structure of the administration of that Member.

The present document contains contact points for technical cooperation on TRIPS notified by developed country Members, as well as contact points for technical assistance on TRIPS notifications between WTO Members, as notified by Members pursuant to paragraph 11 of document IP/C/W/241. A list of Members offering technical assistance on TRIPS notifications under the scheme can be found in document IP/C/W/256/Rev.1.¹

This document compiles the information received to date and contained in documents IP/N/7/Rev.2 and Addenda 1-8, as well as updated information received from the delegations of Switzerland and the European Union.
