Group on Basic Telecommunications

Original: English

COMMUNICATION FROM GUYANA

The following communication is circulated at the request of Guyana to members of the Group on Basic Telecommunications.

Guyana notes paragraph 6 of the Decision on Commitments in Basic Telecommunications, adopted by the Council for Trade in Services on 30 April 1996, and hopes to submit its offer on Basic Telecommunications prior to 1 January 1998.

Guyana wishes the Group on Basic Telecommunications success in its current talks.

This communication is made by Guyana, through the Caribbean Telecommunications Union, the umbrella body for Telecommunications in the Caribbean Region.
