## **WORKING PARTY ON THE ACCESSION OF ESTONIA**

### Preliminary List

The Ministry of Foreign Affairs of the Republic of Estonia has submitted the following preliminary list of concessions in goods on a provisional basis.

---

Preliminary List Agricultural Products

The reductions of tariffs provided for in columns 3 and 4 shall be implemented in equal annual rate reductions during the time period specified in column 5. Each of such annual rate reductions shall be implemented on 31 December of the respective year. The reduced rate will in each stage be rounded off to the first decimal.

Estonia shall maintain its applied rates, including other duties and charges:

- for HS 1205 (rape or colza (canola) seeds, whether or not broken) at a level not higher than that for HS 1201 (soya beans, whether or not broken);
- for HS 1514 (rape or colza (canola) oil and its fractions, whether or not refined, but not chemically modified) at a level not higher than that for HS 1507 (soya-bean oil and its fractions, whether or not refined, but not chemically modified);
- for HS 2306.40 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of rape or colza (canola) oil) at a level not higher than that for HS 2304 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of soya-bean oil).

\* Tariff rates for respective Chapter are provided in the schedule for industrial products.

Preliminary List Industrial Products

Commitments under sectoral agreements are indicated in the supporting table.

The reductions of tariffs provided for in columns 3 and 4 shall be implemented in equal annual rate reductions during the time-period specified in column 5.

Each of such annual rate reductions shall be implemented on 31 December of the respective year.

The reduced rate will in each stage be rounded off to the first decimal.

| 1                  | 2   | 3                 | 4                  | 5                             | 6                         | 7                        |
| 2842 10 000        | - Double or complex silicates   |                   | 5.5                |                               | USA                       |                          |
| 2842 90            | - Other   |                   | 5.5                |                               | USA                       |                          |
| 2843               | Colloidal precious metals; inorganic or organic compounds of precious metals, whether or not chemically defined; amalgams of precious metals:   |                   | 5.5                |                               |                           |                          |
| 2843 10            | - Colloidal precious metals   |                   | 5.5                |                               | USA                       |                          |
|                    | - Silver compounds:   |                   |                    |                               |                           |                          |
| 2843 21 000        | - - Silver nitrate  |                   | 5.5                |                               | USA                       |                          |
| 2843 29 000        | - - Other   |                   | 5.5                |                               | USA                       |                          |
| 2843 30 000        | - Gold compounds  |                   | 5.5                |                               | USA                       |                          |
| 2843 90            | - Other compounds; amalgams   |                   | 5.5                |                               | USA                       |                          |
| 2844               | Radioactive chemical elements and radioactive isotopes (including the fissile or fertile chemical elements and isotopes) and their compounds; mixtures and residues containing these products:  |                   | 5.5                |                               |                           |                          |
| 2844 10            | - Natural uranium and its compounds; alloys, dispersions (including cermets), ceramic products and mixtures containing natural uranium or natural uranium compounds   |                   | 5.5                |                               | USA                       |                          |
| 2844 20            | - Uranium enriched in U 235 and its compounds; plutonium and its compounds; alloys, dispersions (including cermets), ceramic products and mixtures containing uranium enriched in U 235, plutonium or compounds of these products                               |                   | 5.5                |                               | USA                       |                          |
| 2844 30            | - Uranium depleted in U 235 and its compounds; thorium and its compounds; alloys, dispersions (including cermets), ceramic products and mixtures containing uranium depleted in U 235, thorium or compounds of these products                                   |                   | 5.5                |                               | USA                       |                          |
| 2844 40            | - Radioactive elements and isotopes and compounds other than those of subheading No 2844 B598 2844 20 or 2844 30; alloys, dispersions (including cermets), ceramic products and mixtures containing these elements, isotopes or compounds; radioactive residues |                   | 0                  |                               | USA                       |                          |
| 2844 50 000        | - Spent (irradiated) fuel elements (cartridges) of nuclear reactors (Euratom)   |                   | 5.5                |                               | USA                       |                          |
| 2845               | Isotopes other than those of heading No 2844; compounds, inorganic or organic, of such isotopes, whether or not chemically defined:   |                   | 5.5                |                               |                           |                          |
| 2845 10 000        | - Heavy water (deuterium oxide) (Euratom)   |                   | 5.5                |                               | USA                       |                          |
| 2845 90            | - Other   |                   | 5.5                |                               | USA                       |                          |

|                    | - Cyclic aldehydes without other oxygen function:  |                   |                    |                               |                           |                          |
| 2912 21 000        | - - Benzaldehyde   |                   | 5.5                |                               | USA                       |                          |
| 2912 29 000        | - - Other  |                   | 5.5                |                               | USA                       |                          |
| 2912 30 000        | - Aldehyde-alcohols  |                   | 5.5                |                               | USA                       |                          |
|                    | - Aldehyde-ethers, aldehyde-phenols and aldehydes with other oxygen function:  |                   |                    |                               |                           |                          |
| 2912 41 000        | - - Vanillin (4-hydroxy-3-methoxybenzaldehyde)   |                   | 5.5                |                               | USA                       |                          |
| 2912 42 000        | - - Ethylvanillin (3-ethoxy-4-hydroxybenzaldehyde)   |                   | 5.5                |                               | USA                       |                          |
| 2912 49 000        | - - Other  |                   | 5.5                |                               | USA                       |                          |
| 2912 50 000        | - Cyclic polymers of aldehydes   |                   | 5.5                |                               | USA                       |                          |
| 2912 60 000        | - Paraformaldehyde   |                   | 5.5                |                               | USA                       |                          |
| 2913 00 000        | Halogenated, sulphonated, nitrated or nitrosated derivatives of products of heading No 2912  |                   | 5.5                |                               | USA                       |                          |
| 2914               | Ketones and quinones, whether or not with other oxygen function, and their halogenated, sulphonated, nitrated or nitrosated derivatives: |                   | 5.5                |                               | USA                       |                          |
|                    | - Acyclic ketones without other oxygen function:   |                   |                    |                               |                           |                          |
| 2914 11 000        | - - Acetone  |                   | 5.5                |                               | USA                       |                          |
| 2914 12 000        | - - Butanone (methyl ethyl ketone)   |                   | 5.5                |                               | USA                       |                          |
| 2914 13 000        | - - 4-Methylpentan-2-one (methyl isobutyl ketone)  |                   | 5.5                |                               | USA                       |                          |
| 2914 19            | - - Other  |                   | 5.5                |                               | USA                       |                          |
|                    | - Cyclanic, cyclenic or cycloterpenic ketones without other oxygen function:   |                   |                    |                               |                           |                          |
| 2914 21 000        | - - Camphor  |                   | 5.5                |                               | USA                       |                          |
| 2914 22 000        | - - Cyclohexanone and methylcyclohexanones   |                   | 5.5                |                               | USA                       |                          |
| 2914 23 000        | - - Ionones and methylinones   |                   | 5.5                |                               | USA                       |                          |
| 2914 29 000        | - - Other  |                   | 5.5                |                               | USA                       |                          |
|                    | - Aromatic ketones without other oxygen function:  |                   |                    |                               |                           |                          |
| 2914 31 000        | - - Phenylacetone (phenylpropan-2-one)   |                   | 5.5                |                               | USA                       |                          |
| 2914 39 000        | - - Other  |                   | 5.5                |                               | USA                       |                          |
| 2914 40            | - Ketone-alcohols and ketone-aldehydes   |                   | 5.5                |                               | USA                       |                          |
| 2914 50 000        | - Ketone-phenols and ketones with other oxygen function  |                   | 5.5                |                               | USA                       |                          |

|--------------------|---|-------------------|--------------------|-------------------------------|---------------------------|--------------------------|
| 1                  | 2   | 3                 | 4                  | 5                             | 6                         | 7                        |
| 2920               | Esters of other inorganic acids (excluding esters of hydrogen halides) and their salts; their halogenated, sulphonated, nitrated or nitrosated derivatives: |                   | 6.5                |                               | USA                       |                          |
| 2920 10 000        | - Thiophosphoric esters (phosphorothioates) and their salts; their halogenated, sulphonated, nitrated or nitrosated derivatives                             |                   | 6.5                |                               | USA                       |                          |
| 2920 90            | - Other   |                   | 6.5                |                               | USA                       |                          |
| 2921               | Amine-function compounds:   |                   | 6.5                |                               | USA                       |                          |
|                    | - Acyclic monoamines and their derivatives; salts thereof:  |                   |                    |                               |                           |                          |
| 2921 11            | - - Methylamine, di- or trimethylamine and their salts  |                   | 6.5                |                               | USA                       |                          |
| 2921 12 000        | - - Diethylamine and its salts  |                   | 6.5                |                               | USA                       |                          |
| 2921 19            | - - Other   |                   | 6.5                |                               | USA                       |                          |
|                    | - Acyclic polyamines and their derivatives; salts thereof:  |                   |                    |                               |                           |                          |
| 2921 21 000        | - - Ethylenediamine and its salts   |                   | 6.5                |                               | USA                       |                          |
| 2921 22 000        | - - Hexamethylenediamine and its salts  |                   | 6.5                |                               | USA                       |                          |
| 2921 29 000        | - - Other   |                   | 6.5                |                               | USA                       |                          |
| 2921 30            | - Cyclanic, cyclenic or cycloterpenic mono- or polyamines, and their derivatives; salts thereof   |                   | 6.5                |                               | USA                       |                          |
|                    | - Aromatic monoamines and their derivatives; salts thereof:   |                   |                    |                               |                           |                          |
| 2921 41 000        | - - Aniline and its salts   |                   | 6.5                |                               | USA                       |                          |
| 2921 42            | - - Aniline derivatives and their salts   |                   | 6.5                |                               | USA                       |                          |
| 2921 43            | - - Toluidines and their derivatives; salts thereof   |                   | 6.5                |                               | USA                       |                          |
| 2921 44 000        | - - Diphenylamine and its derivatives; salts thereof  |                   | 6.5                |                               | USA                       |                          |
| 2921 45 000        | - - 1-Naphthylamine (alpha-naphthylamine), 2-naphthylamine (beta-naphthylamine) and their derivatives; salts thereof  |                   | 6.5                |                               | USA                       |                          |
| 2921 49            | - - Other   |                   | 6.5                |                               | USA                       |                          |
|                    | - Aromatic polyamines and their derivatives; salts thereof:   |                   |                    |                               |                           |                          |
| 2921 51            | - - o-, m-, p-Phenylenediamine, diaminotoluenes, and their derivatives; salts thereof   |                   | 6.5                |                               | USA                       |                          |
| 2921 59            | - - Other   |                   | 6.5                |                               | USA                       |                          |
| 2922               | Oxygen-function amino-compounds:  |                   | 6.5                |                               | USA                       |                          |
|                    | - Amino-alcohols, their ethers and esters, other than those containing more than one kind of oxygen function; salts thereof:                                |                   |                    |                               |                           |                          |
| 2922 11 000        | - - Monoethanolamine and its salts  |                   | 6.5                |                               | USA                       |                          |

| 2922 12 000        | - - Diethanolamine and its salts  |                   | 6.5                |                               | USA                       |                          |
| 2922 13            | - - Triethanolamine and its salts   |                   | 6.5                |                               | USA                       |                          |
| 2922 19            | - - Other   |                   | 6.5                |                               | USA                       |                          |
|                    | - Amino-naphthols and other amino-phenols, their ethers and esters, other than those containing more than one kind of oxygen function; salts thereof: |                   |                    |                               |                           |                          |
| 2922 21 000        | - - Aminohydroxynaphthalenesulphonic acids and their salts  |                   | 6.5                |                               | USA                       |                          |
| 2922 22 000        | - - Anisidines, dianisidines, phenetidines, and their salts   |                   | 6.5                |                               | USA                       |                          |
| 2922 29 000        | - - Other   |                   | 6.5                |                               | USA                       |                          |
| 2922 30 000        | - Amino-aldehydes, amino-ketones and amino-quinones, other than those containing more than one kind of oxygen function; salts thereof                 |                   | 6.5                |                               | USA                       |                          |
|                    | - Amino-acids and their esters, other than those containing more than one kind of oxygen function; salts thereof:                                     |                   |                    |                               |                           |                          |
| 2922 41 000        | - - Lysine and its esters; salts thereof  |                   | 6.5                |                               | USA                       |                          |
| 2922 42 000        | - - Glutamic acid and its salts   |                   | 6.5                |                               | USA                       |                          |
| 2922 43 000        | - - Anthranilic acid and its salts  |                   | 6.5                |                               | USA                       |                          |
| 2922 49            | - - Other   |                   | 6.5                |                               | USA                       |                          |
| 2922 50 000        | - Amino-alcohol-phenols, amino-acid-phenols and other amino-compounds with oxygen function  |                   | 6.5                |                               | USA                       |                          |
| 2923               | Quaternary ammonium salts and hydroxides; lecithins and other phosphoaminolipids:   |                   | 6.5                |                               | USA                       |                          |
| 2923 10 000        | - Choline and its salts   |                   | 6.5                |                               | USA                       |                          |
| 2923 20 000        | - Lecithins and other phosphoaminolipids  |                   | 6.5                |                               | USA                       |                          |
| 2923 90 000        | - Other   |                   | 6.5                |                               | USA                       |                          |
| 2924               | Carboxyamide-function compounds; amide-function compounds of carbonic acid:   |                   | 6.5                |                               | USA                       |                          |
| 2924 10 000        | - Acyclic amides (including acyclic carbamates) and their derivatives; salts thereof  |                   | 6.5                |                               | USA                       |                          |
|                    | - Cyclic amides (including cyclic carbamates) and their derivatives; salts thereof:   |                   |                    |                               |                           |                          |
| 2924 21            | - - Ureines and their derivatives; salts thereof  |                   | 6.5                |                               | USA                       |                          |
| 2924 22 000        | - - 2-Acetamidobenzoic acid   |                   | 6.5                |                               | USA                       |                          |
| 2924 29            | - - Other   |                   | 6.5                |                               | USA                       |                          |

| 1                  | 2   | 3                 | 4                  | 5                             | 6                         | 7                        |
|                    | - Synthetic organic colouring matter and preparations based thereon as specified in Note 3 to this Chapter:   |                   |                    |                               |                           |                          |
| 3204 11 000        | - - Disperse dyes and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3204 12 000        | - - Acid dyes, whether or not premetallised, and preparations based thereon; mordant dyes and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3204 13 000        | - - Basic dyes and preparations based thereon   |                   | 6.5                |                               | USA                       |                          |
| 3204 14 000        | - - Direct dyes and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3204 15 000        | - - Vat dyes (including those usable in that state as pigments) and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3204 16 000        | - - Reactive dyes and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3204 17 000        | - - Pigments and preparations based thereon   |                   | 6.5                |                               | USA                       |                          |
| 3204 19 000        | - - Other, including mixtures of colouring matter of two or more of the subheadings Nos 3204 11 to 3204 19  |                   | 6.5                |                               | USA                       |                          |
| 3204 20 000        | - Synthetic organic products of a kind used as fluorescent brightening agents   |                   | 6.5                |                               | USA                       |                          |
| 3204 90 000        | - Other   |                   | 6.5                |                               | USA                       |                          |
| 3205 00 000        | Colour lakes; preparations as specified in Note 3 to this Chapter based on colour lakes   |                   | 6.5                |                               | USA                       |                          |
| 3206               | Other colouring matter; preparations as specified in Note 3 to this Chapter, other than those of heading No 3203, 3204 or 3205; inorganic products of a kind used as luminophores, whether or not chemically defined: |                   | 6.5                |                               |                           |                          |
|                    | - Pigments and preparations based on titanium dioxide:  |                   |                    |                               |                           |                          |
| 3206 11 000        | - - Containing 80 % or more by weight of titanium dioxide calculated on the dry weight  |                   | 6.5                |                               | USA                       |                          |
| 3206 19 000        | - - Other   |                   | 6.5                |                               | USA                       |                          |
| 3206 20 000        | - Pigments and preparations based on chromium compounds   |                   | 6.5                |                               | USA                       |                          |
| 3206 30 000        | - Pigments and preparations based on cadmium compounds  |                   | 6.5                |                               | USA                       |                          |
|                    | - Other colouring matter and other preparations:  |                   |                    |                               |                           |                          |
| 3206 41 000        | - - Ultramarine and preparations based thereon  |                   | 6.5                |                               | USA                       |                          |
| 3206 42 000        | - - Lithopone and other pigments and preparations based on zinc sulphide  |                   | 6.5                |                               | USA                       |                          |
| 3206 43 000        | - - Pigments and preparations based on hexacyanoferrates (ferrocyanides and ferricyanides)  |                   | 6.5                |                               | USA                       |                          |
| 3206 49            | - - Other   |                   | 6.5                |                               | USA                       |                          |

| Tariff Item Number | Description of Products  | Base Rate of Duty | Bound Rate of Duty | Implementation Period from/to | Initial Negotiating Right | Other Duties and Charges |

| 1                  | 2  | 3                 | 4                  | 5                             | 6                         | 7                        |
| 3206 50 000        | - Inorganic products of a kind used as luminophores  |                   | 6.5                |                               | USA                       |                          |
| 3207               | Prepared pigments, prepared opacifiers and prepared colours, vitrifiable enamels and glazes, engobes (slips), liquid lustres and similar preparations, of a kind used in the ceramic, enamelling or glass industry; glass frit and other glass, in the form of powder, granules or flakes: |                   | 6.5                |                               |                           |                          |
| 3207 10 000        | - Prepared pigments, prepared opacifiers, prepared colours and similar preparations  |                   | 6.5                |                               | USA                       |                          |
| 3207 20            | - Vitrifiable enamels and glazes, engobes (slips) and similar preparations   |                   | 6.5                |                               | USA                       |                          |
| 3207 30 000        | - Liquid lustres and similar preparations  |                   | 6.5                |                               | USA                       |                          |
| 3207 40            | - Glass frit and other glass, in the form of powder, granules or flakes  |                   | 6.5                |                               | USA                       |                          |
| 3208               | Paints and varnishes (including enamels and lacquers) based on synthetic polymers or chemically modified natural polymers, dispersed or dissolved in a non-aqueous medium; solutions as defined in Note 4 to this Chapter:   |                   | 6.5                |                               |                           |                          |
| 3208 10            | - Based on polyesters  |                   | 6.5                |                               | USA                       |                          |
| 3208 20            | - Based on acrylic or vinyl polymers   |                   | 6.5                |                               | USA                       |                          |
| 3208 90            | - Other  |                   | 6.5                |                               | USA                       |                          |
| 3209               | Paints and varnishes (including enamels and lacquers) based on synthetic polymers or chemically modified natural polymers, dispersed or dissolved in an aqueous medium:  |                   | 6.5                |                               |                           |                          |
| 3209 10 000        | - Based on acrylic or vinyl polymers   |                   | 6.5                |                               | USA                       |                          |
| 3209 90 000        | - Other  |                   | 6.5                |                               | USA                       |                          |
| 3210 00            | Other paints and varnishes (including enamels, lacquers and distempers); prepared water pigments of a kind used for finishing leather  |                   | 6.5                |                               | USA                       |                          |
| 3211 00 000        | Prepared driers  |                   | 6.5                |                               | USA                       |                          |
| 3212               | Pigments (including metallic powders and flakes) dispersed in non-aqueous media, in liquid or paste form, of a kind used in the manufacture of paints (including enamels); stamping foils; dyes and other colouring matter put up in forms or packings for retail sale:                    |                   | 6.5                |                               |                           |                          |
| 3212 10            | - Stamping foils   |                   | 6.5                |                               | USA                       |                          |
| 3212 90            | - Other  |                   | 6.5                |                               | USA                       |                          |
| 3213               | Artists', students' or signboard painters' colours, modifying tints, amusement colours and the like, in tablets, tubes, jars, bottles, pans or in similar forms or packings:   |                   | 6.5                |                               |                           |                          |
