In paragraph 176, please note the following change in the penultimate sentence:

"Jordan ~~would also eliminate~~ **had eliminated** a requirement that the share of imported ewes/yearlings could not exceed 10 per cent of the total number of imported sheep **in November 1999.**"

New paragraph 176 *bis*:

"176 bis. The representative of Jordan confirmed that the age restriction on imported sheep, described in paragraph 176, would be eliminated no later than 30 April 2000. The Working Party took note of this commitment. "

Replace paragraph 188 with the following:

"188. Members of the Working Party agreed that Jordan had AMS of JD 1,539,199, and Jordan agreed to reduce this by 13.3 per cent over seven years from the date of accession. Those Members also considered that for the purposes of Article 6.4 of the WTO Agriculture Agreement Jordan was a developing country. Jordan did not grant any export subsidies to agricultural products. The representative of Jordan confirmed that Jordan would bind agricultural export subsidies at zero in its goods schedule. The Working Party took note of this commitment."
