SUMMARY: The Department of Commerce (Commerce) is amending a final rule that appeared in the Federal Register on January 31, 2024. This document corrects a spelling error to update and make final an interim final rule that amended its regulations pertaining to the procedures and rules related to Article 1904 of the North American Free Trade Agreement (NAFTA) with appropriate references to the United States-Mexico-Canada Agreement (USMCA), which went into effect on July 1, 2020. Article 10.12 of the USMCA, like NAFTA Article 1904, provides a dispute settlement mechanism for purposes of reviewing antidumping and countervailing duty determinations issued by the United States, Canada, and Mexico. Commerce is amending its regulations to replace references to Article 1904 of NAFTA with references to Article 10.12 of the USMCA; to update outdated cross-references to Commerce's antidumping and countervailing duty regulations; update outdated notice, filing, service, and protective order procedures; and adopt other minor corrections and updates.

DATES: The final rule is effective on March 1, 2024.
