- (1) AUSQ002: Australia's unmanufactured tobacco tariff quota has not been implemented since 1 January 1995. The customs duty rate for all imported goods classified to HS Heading 2401 is set at zero. The Australian Border Force does collect the excise equivalent duty on imports of unmanufactured tobacco at the border to ensure consistency in treatment for both imported and domestic goods in the Australian market. Please refer to Australian Customs Notices (<https://www.abf.gov.au/help-and-support/notices/australian-customs-notices>) for the latest excise equivalent duties.
