NOTIFICATION

The following submission, dated 5 May 2021, is being circulated at the request of the delegation of **Australia**. The notification concerns food aid (**Table ES:3**) in the context of export subsidy commitments for the **Calendar Year 2021**.

Australia notifies that no physical food aid was provided. Australia untied its food aid in 2005. Since then, Australia has not provided physical food aid. Australia instead provides food assistance in the form of cash contributions to international agencies. For further information on Australia's food assistance, see Australia's NF:1 notifications.
