NOTIFICATION

The following submission, dated 26 January 2022, is being circulated at the request of the delegation of **Canada**. The notification concerns the use of special safeguard provisions (**Table MA:5**) during the **Marketing Year 2019/2020** and **Calendar Year 2020**.

There have been no special safeguard actions taken during 2020 for imports of products for which tariff quotas are administered on a calendar year basis. This includes broiler hatching eggs and chicks, chicken, turkey, beef and veal, milk and dairy products (other than butter, cream and dry whey), eggs and egg products, and margarine.

Also, there have been no special safeguard actions taken during the tariff quota year of 1 August 2019 – 31 July 2020 for imports of products for which tariff quotas are administered on this marketing year basis. This includes wheat and wheat products, barley and barley products, butter, cream and dry whey.
