NOTIFICATION

Revision

The following submission dated 6 April 2020, is being circulated at the request of the delegation of the **European Union**. The revised notification concerns the imports under tariff quotas (**Table MA:2**) during the **calendar year 2019 and marketing year 2018/2019**.

The notification includes in-quota imports in respect of TRQs reported on a calendar year basis (2019) as well as those for the marketing year 2018/19. The notification accordingly reproduces the information on in-quota imports for the marketing year 2018/19 as notified earlier in G/AG/N/EU/57. This is in view of the new online agriculture notification system which cannot accommodate more than one notification for a single reporting year (in this case 2019).
