Committee on Agriculture

Original: English

NOTIFICATION

The following submission, dated 22 February 2016, is being circulated at the request of the Delegation of **Fiji**. The notification concerns domestic support commitments (**Table DS:1** and the relevant Supporting Tables) for the calendar years **2010 to 2015**.

The only existing domestic support measures applied by Fiji in the period notified, are those listed in the attached Supporting Tables DS: 1.

Supporting Table DS:1

DOMESTIC SUPPORT: FIJI

REPORTING PERIOD: 1 JANUARY 2010 TO 31 DECEMBER 2010

Measures exempt from the reduction commitment – "Green Box"

Measure Type	Name and description of measure with reference to criteria in Annex 2	Monetary value of measure in year in question (F\$'000)	Data Sources
1	2	3	4
General Services	Tutu Training Programme: The measure is aimed at providing adult non-formal education to the people of the Northern who are existing farmers empowering them to go beyond subsistence farming into commercial and semi-commercial agriculture as self-employed farmers (Annex 2.2 (c))	614	Ministry of Agriculture
	Coconut Industry Development Authority: The measure is aimed to facilitate the sustainability of the industry through an industry approach (Annex 2.2. (b), (c), (d), (e) & (f))	500	"
	Agriculture Marketing Authority: The measure is aimed at providing marketing framework for farming communities not reached by other traders and private sector business (Annex 2.2. (a), (d), & (f))	1	"
	Rural & Outer Island Development: The measure is aimed at enhancing the livelihood of people in the rural areas and outer islands of Fiji by increasing market access opportunities and services that will enable beneficiaries in the rural areas and islands to exploit those opportunities (Annex 2.2 (a) & (g))	2,500	"
	Agricultural Census: The measure is aimed at sample designing and selection, data collection, processing and publication of report (Annex 2.2 (a) & (e))	1,500	"
	Agriculture Extension: The measure is aimed at supporting the Strategic Development Plan (SDP) in strengthening the Food Security Sector through provision of planting materials, necessary resources and capacity building (Annex 2.2. (a), (b), (c), (d) & (f))	100	"
	Sigatoka Valley Improvement Project: The measure is aimed at facilitating the implementation and development of Sigatoka Valley (Annex 2.2. (a), (b) & (g))	1,000	"

Measure Type	Name and description of measure with reference to criteria in Annex 2	Monetary value of measure in year in question (F\$'000)	Data Sources
1	2	3	4
	Export Promotion: The measure is aimed at achieving rapid economic recovery, food and income security, poverty alleviation and sustainable management of natural resources (Annex 2.2. (a), (b), (e) & (f))	2,000	Ministry of Agriculture
	Import Substitution: The measure is aimed at increasing the attractiveness of locally produced items by improving packaging, improved post-harvest handling and processing to in-build traits known to attract local buyers and heed the requirements of the tourist operators (Annex 2.2 (a), (b), (c), (d), (e), (f) & (g))	3,000	"
	Bilateral Quarantine Agreement (BQA): This programme is aimed at identifying areas in the export supply chain needing improvement for effective market access into export markets (Annex 2.2 (c), (d), (e) & (f))	150	"
	Quarantine Awareness Programme: The measure is aimed at facilitating and implementing of some pest and disease control measures, such as early warning systems for monitoring surveillance (Annex 2.2 (a), (b), (d), (e) & (f))	25	"
	Monitoring Surveillance: The measure is targeted at monitoring possible transfer of pests and disease through imported goods (Annex 2.2 (b), (d) & (e))	150	"
	Construction of HTFA – Rotuma: The measure is aimed at developing the Agriculture commodities and infrastructure on the island of Rotuma to support trade with Tuvalu and other Pacific Island countries (Annex 2.2. (a) & (g))	350	"
	Maintenance of Completed Irrigation Services: The measure is aimed at operationalizing the maintenance activity on completed irrigation systems (Annex 2.2. (a), (f), & (g))	250	"
	Land Drainage & Flood Protection: The measure is targeted at facilitating the implementation and operationalization of the Land Drainage & Flood Protection project around the country (Annex 2.2. (a) & (g))	6,000	"
	Watershed Management Project: The measure is aimed at protecting river bank erosion and preventing soil losses by a utilization of marginal and hilly lands with appropriate technology (Annex 2.2 (a), (c) & (g))	500	"
	BTEC: The measure is targeted to control the brucellosis livestock disease (Annex 2.2. (a), (b), (d) & (e))	500	"
	Goat breeding improvement programme: The measure is aimed at assisting farmers to increase their goat herd production and productivity (Annex 2.2. (c) & (g))	150	"

Measure Type	Name and description of measure with reference to criteria in Annex 2	Monetary value of measure in year in question (F\$'000)	Data Sources
1	2	3	4
	Livestock Feed Technology: The measure is aimed at addressing the nutrition of livestock for production of milk and meat and also addressing the problems of pasture base fed resources (Annex 2.2. (a) & (g))	400	Ministry of Agriculture
	Veterinary Pathology Lab Upgrading: The measure is aimed at providing diagnostic support services to the agriculture and livestock industry through diagnostic pathology surveillance and monitoring of animal disease that is of animal production and health concern (Annex 2.2. (a), (b) & (e))	200	"
	Agriculture research service: The measure is aimed at upgrading all research stations in the country and improving genetic of breeder animals in order to provide new improved breed to farmers for better production (Annex 2.2. (a), (c) & (g))	150	"
	Milk Development Assistance (RCDC): The measure is aimed at strengthening local industry and spreading benefits of government investment through smallholder dairy production systems (Annex 2.2. (a), (d), (f) & (g))	2,000	"
	Dairy Industry Support: The measure is aimed at developing small holder milk producers due to the impending expiry of land leases for most large producers (Annex 2.2. (a), (d) & (g))	750	"
	Upgrading of FCA: The measure is aimed at facilitating the continuous and improvement of the Fiji College of Agriculture (Annex 2.2 (a), (b), (c), (d), (e) & (f))	300	"
	Infrastructure Development: The measure is aimed at improving infrastructure services to an economically viable instrument for agriculture sector (Annex 2.2. (a), (c) & (g))	200	"
	Farm Improvement & Land Resettlement: The programme is aimed at facilitating the uptake of appropriate farm management practices by subsistence farmers through training and research activity (Annex 2.2. (a), (c) & (d))	4,000	"
