

Council for Trade in Goods

**MINUTES OF THE MEETING OF THE COUNCIL FOR TRADE IN GOODS
12 AND 13 NOVEMBER 2018**

CHAIRPERSON: HE MR STEPHEN CORNELIUS DE BOER (CANADA)

Corrigendum¹

The following paragraph should read as follows:

21.18. The United States intervened to disagree, asserting again that for the US this was a TBT issue. She noted that the EU had in fact correctly notified its quality schemes regulation under the TBT Agreement because of its TBT implications, including the labelling issue in relation to the relevant international standards. She noted, too, that the Goods Council was the oversight body for the TBT Committee.
