NOTIFICATION UNDER ARTICLE 7.3 OF THE AGREEMENT
ON IMPORT LICENSING PROCEDURES

JAMAICA

The following communication, dated 30 October 2013, is being circulated at the request of the delegation of Jamaica.

There has been no policy change as it relates to Jamaica's import licensing regime since Jamaica's last notification in October 2011 (G/LIC/N/2/JAM/2). In addition, no quantitative restrictions on imports or exports currently exist under the portfolio responsibilities of the Trade Board Limited.
