AGREEMENT ON IMPORT LICENSING PROCEDURES

Notification under Articles 1.4(a), 8.2(b) and 7.3 of the Agreement

CHAD

The following communication, dated 13 June 2001, has been received from the Permanent Mission of the Republic of Chad.

The Committee is informed that the licensing regime is no longer applied in Chad (except for sulphur and other explosives). In implementation of the Montreal Protocol on the protection of the ozone layer, the Government of the Republic of Chad has recently adopted an Order to regulate the import of certain products and/or materials containing or using substances that can harm the ozone layer and listed in Annex A to the aforementioned Protocol.
