**NOTIFICATION PURSUANT TO THE DECISION ON NOTIFICATION PROCEDURES  
FOR QUANTITATIVE RESTRICTIONS (G/L/59/REV.1)**

AUSTRALIA

The following communication, dated 30 September 2020, is being circulated at the request of the delegation of Australia.

<b>A. Notifying Member:</b> <u>Australia</u>
<b>B. Date of notification:</b> 30 September 2020
<b>C. First time notification:</b> <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No, last notification was made in (doc. symbol): G/MA/QR/N/AUS/4, G/MA/QR/N/AUS/4/Add.1 and G/MA/QR/N/AUS/4/Add.2
<b>D. Type of notification:</b> <input checked="" type="checkbox"/> 1. Complete (i.e. notification of all quantitative restrictions in force) <input type="checkbox"/> 2. Changes to a notification previously made in G/MA/QR/N/AUS/4 which are of the following nature: <input type="checkbox"/> 2.1 Introduction of new restrictions, as listed in Section 1. <input type="checkbox"/> 2.2 Elimination of restrictions, as described in G below. <input type="checkbox"/> 2.3 Modification of a previously notified restriction, as described in Section 1. <input type="checkbox"/> 3. Reverse notification of restrictions maintained by (Member):
<b>E. The notification provides information for the following biennial period (e.g. 2012-2014):</b> <u>2020-2022</u> and relates to restrictions in force as of 30 September 2020
<b>F. This notification contains information* relating to:</b> <input checked="" type="checkbox"/> <b>Section 1:</b> List of quantitative restrictions that are currently in force. <input checked="" type="checkbox"/> <b>Section 2:</b> Cross-reference to other WTO notifications with information on quantitative restrictions that are currently in force and additional information.
<b>G. Comments of a general nature, including a description of the elimination of restrictions notified under D.2.2 and the date they ceased to be in force.</b>

\* In English only.

**Section 1: List of quantitative restrictions that are currently in force**

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments
	1	2	3	4	5	6	7
1	Live animals (livestock)	NAL-X	Various, including 0102.2, 0102.3, 0104.10, 0104.20, 0106.13, 0106.19	Live cattle, buffalo, sheep, goats, camelids and deer.	Article XX (a) and (b) of the GATT.	Export Control Act 1982, Export Control (Animals) Order 2004.	Australian livestock exporters are required to have in place an exporter supply chain assurance system (ESCAS) for all feeder and slaughter livestock exported from Australia.
2	Live sheep exported to the Middle East	CP-X	0104.10	Live sheep.	Article XX (a) and (b) of the GATT.	Australian Meat and Live-stock Industry (Prohibition of Export of Sheep by Sea to Middle East – Northern Summer) Order 2020.	<p>Live sheep exports to, or through, the Middle East are prohibited from leaving Australia from 1 June to 14 September each year.</p> <p>Additional prohibition periods apply to live sheep exported to Qatar and Oman due to the increased risk of heat stress outside the general 3.5-month prohibition period. Departures from Australia are prohibited:</p> <ul style="list-style-type: none"> <li>to Qatar, from 22 May to 22 September;</li> <li>to Oman, from 8 May to 14 September.</li> </ul>

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments
	1	2	3	4	5	6	7
							<p>In addition:</p> <ul style="list-style-type: none"> <li>• There will be no more than two ports of discharge for voyages travelling through the Arabian Sea, the Red Sea, north of latitude 11°N during June or departing Australia between 15 and 30 September.</li> <li>• Sheep should be exported with the shortest wool length possible and this must be not greater than 25mm for each animal.</li> <li>• Exported sheep must have a body condition score of two or more and less than four, on a scale of one to five. Details of this scoring system can be found in <a href="#">ASEL (version 2.3)</a>.</li> <li>• All voyages must be monitored with automated environmental measurement devices and this monitoring reported to the Department of</li> </ul>

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments
	1	2	3	4	5	6	7
							Agriculture, Water and the Environment.
3	Endangered animal and plant species – CITES and Australian native species	NAL; NAL-X, CP-X	Various	Animal and plant species and all products manufactured from species (including some medicinal products) listed in the appendices to the CITES. Examples include black coral, orchids and ivory products. Australian native animals and plants which are not described in the List of Exempt Native Specimens require an export permit.	Article XX(b) of the GATT; CITES	Part 13A of the <i>Environment Protection and Biodiversity Conservation Act 1999</i> .	Plant and animal species listed under CITES generally require a CITES permit for import or export. Restrictions vary according to the CITES appendix listing (I, II or III). There are some exemptions for exports of personal and household effects (non-live specimens). The export of Australian native species that are not included on the List of Exempt Native Specimens require an export permit.
4	Cetaceans	NAL; NAL-X	0106.12ex, 0507.90ex, 0511.99ex	Cetaceans (whales, dolphins and porpoises), parts of cetaceans or products derived from cetaceans.	Article XX(b) of the GATT; <i>Convention on International Trade in Endangered Species of Wild Fauna and Flora</i> (CITES)	Environment Protection and Biodiversity Conservation Act 1999; Environment Protection and Biodiversity Conservation Regulations 2000.	Cetacean specimens may only be exported and imported if they are vintage specimens or for non-commercial purposes (research, education, exhibition, conservation). Exports and imports of vintage specimens must be accompanied by pre-CITES certificates demonstrating that the specimens were taken prior to 1975. Non-commercial

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments
	1	2	3	4	5	6	7
							exports and imports require CITES permits from the Department of Agriculture, Water and the Environment.
5	Toothfish	NAL; NAL-X	0302.83, 0303.83, 0304.85, 0304.92	Antarctic Toothfish and Patagonian Toothfish found in sub-Antarctic and Antarctic waters, including waters around Australia's external territory of Heard Island and McDonald Islands. Applies to all fish and fish parts of this species whether fresh, frozen, smoked, preserved in airtight containers or in any other form.	Article XX(b) of the GATT; Commission for the Conservation of Antarctic Marine Living Resources (CCAMLR)	Regulation 6 of the Customs (Prohibited Exports) Regulations 1958; Regulation 4BA of the Customs (Prohibited Imports) Regulations 1956.	Imports and exports of toothfish and parts of toothfish whether fresh, frozen, smoked, preserved in containers, or in any other form are prohibited unless a permission in writing has been obtained from the Minister administering the Fisheries Management Act 1991 or an authorised officer from the Australian Fisheries Management Authority (AFMA).
6	Cat and dog fur	CP; CP-X	Various, including 4103.90ex, 4301.80ex, 4301.90ex, 4302.19ex, 4302.20ex,	The goods covered by this control are pelts or hair tanned or processed furs or pelts, including goods that may contain such fur or hair, that are derived from the species <i>Felis catus</i> and <i>Canis familiaris</i> .	Article XX(a) and XX(b) of the GATT.	Regulation 9AB of Customs (Prohibited Exports) Regulations 1958.  Regulation 4W of the Customs (Prohibited Imports) Regulations 1956.	The exportation and importation of cat and dog fur and goods made from or using cat or dog fur is prohibited unless the permission of the Minister for Home Affairs, or an authorised person, has been obtained.

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments
	1	2	3	4	5	6	7
			4302.30ex, 4303.10ex, 4303.90ex				
7	Dogs - dangerous breeds	P	0106.19ex	Dogs of the following breeds - dogo Argentino; fila Brasileiro; Japanese tosa; American pit bull terrier or pit bull terrier; Perro de Presa Canario or Presa Canario.	Article XX(b) of the GATT.	Regulation 3 of the Customs (Prohibited Imports) Regulations 1956.	The importation of these dog breeds is prohibited absolutely.
8	Tobacco - Unmanufactured leaf and tobacco refuse	NAL	2401	The goods covered include tobacco that is not stemmed or stripped and includes whole tobacco plants or leaves in the natural state, or as cured or fermented leaves.	Article XX(b) of the GATT.	Regulation 4D of the Customs (Prohibited Imports) Regulations 1956. The Customs Act 1901. The Excise Act 1901.	The importation of unmanufactured tobacco leaf and tobacco refuse is prohibited without prior permission from the Commissioner for Taxation, or an authorised person. Permission from the Commissioner requires an Excise licence to manufacture tobacco or a licence to deal in tobacco products, granted under the Excise Act 1901 (Excise Act). In addition, the site where imported tobacco leaf is to be dealt with must be licensed under the Customs Act 1901.
9	Certain tobacco products	NAL	2402.20 2402.20.20	The certain tobacco products that require	Article XX(b) of the GATT.	Regulation 4DA of the Customs	The importation of certain tobacco products into Australia

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS(2017)	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments

46	Anzac goods	NAL	Various	Goods the description of which includes or bears the word "Anzac".	Article XX(f) of the GATT.	Regulation 4V of the Customs (Prohibited Imports) Regulations 1956. Protection of Word "Anzac" Regulations (Anzac Regulations).	<p>Importation into Australia of goods the description of which includes or bears the word "Anzac", or advertising matter relating to those goods, is prohibited unless: the person importing the goods is the holder of a written permit granted by the Minister for Veterans' Affairs or an authorised officer; and the permit is produced at or before the time of importation.</p> <p>In addition, the Anzac Regulations prohibit the use of the word "Anzac" or any word resembling the word "Anzac" in connection with any trade, business, calling, or profession without the Minister or an authorised officer's written approval.</p>

**Section 2: Cross-reference to other WTO notifications with information on quantitative restrictions that are currently in force**

This section shall be filled by Members in case a notification made pursuant to another notification requirement (e.g. set in the Agreement on Agriculture, Agreement on Balance of Payments, Agreement on Safeguards, and the Agreement on Import Licensing Procedures, etc.) contains information on a quantitative restriction in force and which is not listed in Section 1.

**1. Agreement on Agriculture**

- A. Was a notification made with information on a quantitative restriction? Yes  No
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS( )	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
G/AG/N/							

**2. Agreement on Balance of Payments**

- A. Was a notification made with information on a quantitative restriction? Yes  No
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS( )	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
