

Committee on Rules of Origin

**TWENTY SEVENTH ANNUAL REVIEW OF THE IMPLEMENTATION AND
OPERATION OF THE AGREEMENT ON RULES OF ORIGIN**

NOTE BY THE SECRETARIAT¹

1 INTRODUCTION

1.1 This note was prepared by the Secretariat to assist Members in conducting the 27th Annual Review of the implementation and operation of the Agreement. The review is to be conducted under Article 6.1 of the Agreement on Rules of Origin which provides that: "*the Committee shall review annually the implementation and operation of Parts II and III of this Agreement having regard to its objectives*". The outcome of such a review will be incorporated to the Committee's Annual report to the Council for Trade in Goods on the implementation and operation of the Agreement on Rules of Origin.

2 MEMBERS AND OBSERVERS OF THE COMMITTEE ON RULES OF ORIGIN

2.1 Government representatives of all WTO Members and Observers are also Members and Observers to the CRO. In addition, the following international organizations also have observer status at the Committee on Rules of Origin (CRO): ACP, EFTA, IADB, IMF, ITC, OECD, UNCTAD, WCO and World Bank.

3 RULES OF PROCEDURE OF THE COMMITTEE ON RULES OF ORIGIN

3.1 The rules of procedure for meetings of the CRO were adopted by the Committee in February 1997 (G/L/149 and WT/L/161).

4 OFFICERS OF THE COMMITTEE ON RULES OF ORIGIN

4.1 Mr. Sulaiman SATARI (Afghanistan) was elected Chairperson of the Committee in July 2021. He followed Mr. Han-Ming HUANG (Chinese Taipei) as a Chairperson of the Committee. Mrs Laura GAUER (Switzerland) was elected Vice-Chairperson of the Committee in September 2021.

5 MEETINGS OF THE COMMITTEE ON RULES OF ORIGIN

5.1 The CRO held two formal meetings in 2021: on 20 May and on 14 October. The minutes of these meetings are contained in documents G/RO/M/76 and [G/RO/M/77] respectively.

6 NOTIFICATIONS UNDER ARTICLE 5 (NON-PREFERENTIAL RULES OF ORIGIN)

6.1 The following new notifications have been received describing Members' practices under Article 5 of the Agreement: first ever notifications were received by Tonga (G/RO/N/213), Saint Kitts and Nevis (G/RO/N/216) and Botswana (G/RO/N/227) and updated notifications from the Russian Federation (G/RO/N/207) and Albania (G/RO/N/209). The United Kingdom (G/RO/N/214) submitted its notification on the application of non-preferential rules of origin (G/RO/N/214).

¹ This document has been prepared under the Secretariat's own responsibility and is without prejudice to the positions of Members or to their rights and obligations under the WTO.

6.2 As a result of these notifications and updated information, 52 WTO Members have notified the Secretariat that they apply non-preferential rules of origin (counting the EU and its member states as one). Sixty-two WTO Members have informed the Secretariat that they do not apply any non-preferential rules of origin. The remaining 22 WTO Members have not yet submitted a notification under Article 5. The full list of Members under each of these categories as well as the relevant information notified to the WTO Secretariat is listed in three tables in Annex 1 to this note. In addition, all notifications and the related legislation or references notified can be accessed through the section "Notifications" of the Rules of Origin webpage of the WTO website (https://www.wto.org/english/tratop_e/roi_e/roi_e.htm).

7 NOTIFICATIONS UNDER ANNEX II (PREFERENTIAL RULES OF ORIGIN)

7.1 As agreed by the Committee in 2012 (G/RO/M/59), notifications made to the Committee on Regional Trade Agreements (CRTA) or to the Committee on Trade and Development (CTD) are deemed to discharge Members' notification obligations under the Agreement on Rules of Origin. The Committee therefore agreed that notifications which had initially been received by the CRTA or the CTD should be circulated by the Secretariat to the CRO. The information contained in such notifications, including information about preferential rules of origin, can be accessed through the WTO database of regional trade agreements (<http://rtais.wto.org>) and the WTO database of preferential trade agreements (<http://ptadb.wto.org>).

7.2 In addition, it should be noted that the Committee adopted a specific template for notifications of preferential rules of origin applied to least-developed countries in the context of non-reciprocal preferences (G/RO/84). All WTO preference-granting Members agreed to submit detailed information about their preferential rules of origin using the template. To date, 21 preference-granting Members submitted such notifications. These were circulated under the G/RO/LDC/N/ document series. A complete overview of these notifications is available in document G/RO/W/163/Rev.9.

8 WORK OF THE COMMITTEE RELATED TO PARTS I, II AND III OF THE AGREEMENT

8.1. Part II of the Agreement relates to the multilateral disciplines which govern the application of non-preferential rules of origin by WTO Members during the "*transitional period*". This period refers to the time before the implementation of fully harmonized non-preferential rules of origin (Article 2). Since the Work Programme for the Harmonization of non-preferential rules of origin (HWP) has not yet been finalized, Members have not adopted and do not implement harmonized non-preferential rules of origin. Hence, Article 2 of the Agreement contains the disciplines which currently apply to WTO Members. The Committee did not hold discussions specifically related to these disciplines in 2021.

8.2 As had been noted in the Committee's 2013 Annual Report to the CTG (G/L/1047), the implementation and operation of the Agreement is not satisfactory as the stalemate in the HWP compromises the attainment of the core objectives of the Agreement (i.e., the facilitation of global trade through the international harmonization of non-preferential rules of origin). The draft results of the HWP are contained in documents G/RO/W/111/Rev.6 (in HS96); JOB/RO/5/Rev.1 and JOB/RO/5/Rev.1/Corr.1 (rectified to reflect the 2002, 2007, and 2012 versions of the HS nomenclature). In the period of this annual review, the Committee did not consider any item specifically related to the HWP.

8.3 Pending the continuation of the HWP, the Committee agreed, in 2015, to engage in an "educational exercise" to exchange information about non-preferential rules of origin and better understand the impact that existing rules have on international trade. No such information sessions were held in 2021. However, Members have engaged actively in a discussion about ways to enhance transparency of non-preferential rules of origin and non-preferential origin requirements. In particular, Members have continued to discuss a draft decision, including a template that would standardize and update notifications on non-preferential rules of origin and related requirements (G/RO/W/182/Rev.3). Despite broadening support for this proposal, additional consultations will be needed with some delegations who have raised some questions about it.

9 AMENDMENTS, INTERPRETATIONS AND RECTIFICATIONS TO THE AGREEMENT

9.1 The Committee has not dealt with any of these matters during the year under review.

10 CONSULTATION AND DISPUTE SETTLEMENT

10.1. On 30 October 2020, the delegation of Hong Kong, China, requested consultations with the delegation of the United States pursuant to Articles 1 and 4 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) and Article 7 of the Agreement on Rules of Origin (WT/DS597/1; G/RO/D/8). The request for consultations cites, *inter alia*, Articles 2(c); 2(d), and 2(e) of the Agreement on Rules of Origin. A panel was composed on 29 April 2021 and dispute settlement procedures are underway.

11 OTHER AREAS OF WORK OF THE CRO

11.1. On 19 May, members participated in a webinar on "What Drives the Utilization of Trade Preferences" organized by the Secretariat. The webinar was an opportunity to review the research conducted so far by the Secretariat on the utilization of trade preferences by LDCs. In addition, it was also an opportunity to learn more about research being conducted by other institutions on the linkages between rules of origin and the utilization of trade preferences. Finally, the workshop also offered Members an opportunity to learn from each other's experiences in monitoring the utilization of trade preferences and working with the private sector to train operators on origin requirements and promote a fuller utilization of trade preferences. The programme, presentations and video recording of an event can be accessed through the rules of origin page of the WTO website.

11.2 Delegations also considered a note prepared by the Secretariat (G/RO/W/204) which examined the utilization of trade preferences by LDCs in a five-year period (2015-2019). The note confirmed that *underutilization* could be significant for some preferential schemes and some sectors. It also confirmed that the ability to utilize trade preferences varied greatly from one LDC to another. Finally, it had shown that that landlocked LDCs faced greater challenges in utilizing trade preferences: while there had been a slight improvement in the level of preference utilization by LDCs with sea access, a noticeable deterioration in utilization could be observed for landlocked LDCs.

11.3 As required by the 2013 and 2015 Ministerial Decisions on preferential rules of origin for LDCs (WT/L/917 and WT/L/917/Add.1 respectively), a separate report on recent developments in this area was prepared for the General Council (G/RO/W/207).

12 REPORT TO THE COUNCIL FOR TRADE IN GOODS

12.1. The annual report of the CRO to the Council for Trade in Goods was considered and adopted by the CRO on 14 October 2021 (G/RO/W/208).

ANNEX 1**A. List of Members that have notified to the Secretariat that they apply non-preferential rules of origin¹**
