

Committee on Rules of Origin

**TWENTY NINTH ANNUAL REVIEW OF THE IMPLEMENTATION AND
OPERATION OF THE AGREEMENT ON RULES OF ORIGIN**

NOTE BY THE SECRETARIAT¹

Revision

1 INTRODUCTION

1.1. The purpose of this note is to assist Members in undertaking the 29th Annual Review of the implementation and operation of the Agreement on Rules of Origin. It was prepared by the Secretariat to assist Members' during their discussions about the implementation of the Agreement. According to Article 6.1 of the Agreement, "*the Committee shall review annually the implementation and operation of Parts II and III of this Agreement having regard to its objectives*". The Committee's Annual Report to the Council for Trade in Goods on the Implementation and Operation of the Agreement on Rules of Origin will incorporate the outcomes of this review.

2 MEMBERS AND OBSERVERS OF THE COMMITTEE ON RULES OF ORIGIN

2.1. Government representatives of all WTO Members and Observers are also Members and Observers to the CRO. In addition, the following international organizations also have observer status at the Committee on Rules of Origin (CRO): ACP, EFTA, IADB, IMF, ITC, OECD, UNCTAD, WCO and World Bank.

3 RULES OF PROCEDURE OF THE COMMITTEE ON RULES OF ORIGIN

3.1. The rules of procedure for meetings of the CRO were adopted by the Committee in February 1997 ([G/L/149](#) and [WT/L/161](#)).

4 OFFICERS OF THE COMMITTEE ON RULES OF ORIGIN

4.1. On 6 June 2023, Mr. Elia Mtweve (Tanzania) was elected as the Chairperson of the CRO for the period 2023-2024.

5 MEETINGS OF THE COMMITTEE ON RULES OF ORIGIN

5.1. In 2023, the CRO held two formal meetings: on 6 June and 12 October. Documents [G/RO/M/80](#) and [G/RO/M/81²](#), respectively, contain the minutes of these meetings.

6 NOTIFICATIONS UNDER ARTICLE 5 (NON-PREFERENTIAL RULES OF ORIGIN)

6.1. A new notification on non-preferential origin practices under Article 5 of the Agreement was received from Paraguay ([G/RO/N/254](#)).

6.2. As a result of this notification, 55 WTO Members have notified the Secretariat that they apply non-preferential rules of origin (counting the EU and its member states as one). Sixty-three WTO

¹ This document has been prepared under the Secretariat's own responsibility and is without prejudice to the positions of Members or to their rights and obligations under the WTO.

² To be issued.

Members have informed the Secretariat that they do not apply any non-preferential rules of origin. The remaining 21 WTO Members have not yet submitted a notification under Article 5.

6.3. The full list of Members under each of these categories as well as the relevant information notified to the WTO Secretariat is listed in three tables in Annex 1 to this note.

6.4. All notifications and the related legislation or references notified can be access through the section "Non-preferential origin/Notifications" of the Rules of Origin webpage of the WTO website (https://www.wto.org/english/tratop_e/roi_e/roi_e.htm).

7 NOTIFICATIONS UNDER ANNEX II (PREFERENTIAL RULES OF ORIGIN)

7.1. As agreed by the Committee in 2012 ([G/RO/M/59](#)), notifications about reciprocal trade agreements made to the Committee on Regional Trade Agreements (CRTA) or to the Committee on Trade and Development (CTD) are deemed to discharge Members' notification obligations under the Agreement on Rules of Origin. The Committee therefore agreed that notifications which had initially been received by the CRTA or the CTD should be circulated by the Secretariat to the CRO. The information contained in such notifications, including information about preferential rules of origin, can be accessed through the WTO database of regional trade agreements (<https://rtais.wto.org>) and the WTO database of preferential trade agreements (<http://ptadb.wto.org>).

7.2. In addition, it should be noted that the Committee adopted a specific template for notifications of non-reciprocal preferential rules of origin applied to least-developed countries ([G/RO/84](#)). All WTO preference-granting Members agreed to submit detailed information about their preferential rules of origin using that template. To date, 22 preference-granting Members submitted such notifications, and three Members still have to inform the Committee about their practices. Notifications were circulated under the [G/RO/LDC/N/](#) document series. A complete overview of these notifications is available in document [G/RO/W/163/Rev.12](#).

8 ORIGIN FACILITATOR

8.1. The Origin Facilitator is a publicly available, online database containing tariff-level data about rules of origin and origin-related procedural requirements. It is the result of a collaboration between the WTO Secretariat and the International Trade Centre (ITC) and the World Customs Organization (WCO). It is a user-friendly tool that allow users to retrieve rules of origin information, including rules of origin notified to the WTO (for instance, concerning preferential rules of origin applied to LDCs under non-reciprocal trade arrangements). The Facilitator is available at: <https://findrulesoforigin.org>.

9 WORK OF THE COMMITTEE RELATED TO PARTS I, II AND III OF THE AGREEMENT

9.1. Part II of the Agreement relates to the multilateral disciplines which govern the application of non-preferential rules of origin by WTO Members during the "*transitional period*". This period refers to the time before the implementation of fully harmonized non-preferential rules of origin (Article 2). Since the Work Programme for the Harmonization of non-preferential rules of origin (HWP) has not yet been finalized, Members have not adopted and do not implement harmonized non-preferential rules of origin. Hence, Article 2 of the Agreement contains the disciplines which currently apply to WTO Members. The Committee did not hold discussions specifically related to these disciplines.

9.2. As had been noted in the Committee's 2013 Annual Report to the CTG ([G/L/1047](#)), the implementation and operation of the Agreement is not satisfactory as the stalemate in the HWP compromises the attainment of the core objectives of the Agreement (i.e., the facilitation of global trade through the international harmonization of non-preferential rules of origin). The draft results of the HWP are contained in documents [G/RO/W/111/Rev.6](#) (in HS96); [JOB/RO/5/Rev.1](#) and [JOB/RO/5/Rev.1/Corr.1](#) (rectified to reflect the 2002, 2007, and 2012 versions of the HS nomenclature). In the period of this annual review, the Committee did not consider any item specifically related to the HWP.

9.3. Pending the continuation of the HWP, the Committee agreed, in 2015, to engage in an "educational exercise" to exchange information about non-preferential rules of origin and better

understand the impact that existing rules have on international trade. In this sense, Members participated in a webinar on "Trade facilitation measures related to rules of origin" organized on 11 October 2023. The programme, presentations and recording of the session are available in the "events box" of the Rules of Origin portal of the WTO website.

9.4. In addition, Members have continued to focus their attention on improving their knowledge about national practices related to non-preferential rules of origin. In this regard, a proposal to "enhance transparency on non-preferential rules of origin" ([G/RO/W/182/Rev.4](#)) has been on the Committee's agenda for some time. In October 2022, Members discussed again this proposal and, agreed to engage in Chair-led consultations with a view to preparing a Chair's text. Following consultations, a Chairperson's text was circulated in document [JOB/RO/8](#). It was considered in an informal open-ended meeting on 2 December 2022. Despite wide support for the text, a few delegations raised concerns with some of its elements. As a result, it was agreed that the Chair would continue his consultations on further textual amendments with a view to finalizing the template for adoption.

10 AMENDMENTS, INTERPRETATIONS AND RECTIFICATIONS TO THE AGREEMENT

10.1. The Committee has not dealt with any of these matters during the year under review.

11 CONSULTATION AND DISPUTE SETTLEMENT

11.1. On 30 October 2020, the delegation of Hong Kong, China, requested consultations with the delegation of the United States pursuant to Articles 1 and 4 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) and Article 7 of the Agreement on Rules of Origin ([WT/DS597/1](#); [G/RO/D/8](#)). The request for consultations cites, *inter alia*, Articles 2(c); 2(d), and 2(e) of the Agreement on Rules of Origin. A panel was composed on 29 April 2021 and the report was issued in December 2022 in document [WT/DS597/R](#) and [WT/DS597/R/Add.1](#).

12 OTHER AREAS OF WORK OF THE CRO

12.1 WTO Reform and functioning of the CRO

12.1. At the request of the Council for Trade in Goods (CTG) ([JOB/CTG/29](#) and [JOB/CTG/33](#)), Members also adopted a report on its recent discussions related to measures taken to improve the functioning of the CRO ([G/RO/W/224](#) and [G/RO/W/224/Corr.1](#); [G/L/1493](#) and [G/RO/98](#)). In fact, Members agreed to introduce and implement seven measures to facilitate the work of delegates and improve the work of the Committee. The report is contained in document ([G/RO/W/224](#)) and complements the information contained in a previous report prepared in December 2022 ([G/RO/W/217](#); [G/L/1465](#); [G/L/1465/Corr.1](#); [JOB/CTG/19/Rev.2](#) and [G/C/W/824/Rev.1](#)).

12.2 Discussions on measures taken during the COVID-19 pandemic

12.2. Members also considered and adopted a report to the CTG summarizing past discussions on origin-related measures implemented during the COVID-19 pandemic ([G/L/1466](#); [G/RO/W/218](#)). A compilation of such measures was also prepared by the Secretariat for future reference ([G/RO/W/219 series](#)).

12.3 Preferential rules of origin for Least Developed Countries (LDCs)

12.3. With respect to preferential rules of origin, the Committee continued to oversee the implementation of the Bali and the Nairobi Ministerial Decisions on preferential rules of origin for least developed countries (LDCs) ([WT/L/917](#) and [WT/L/917/Add.1](#)) as well as the April 2022 "Decision on Preferential Rules of Origin and the Implementation of the Nairobi Ministerial Decision" ([G/RO/95](#)). A separate report to the General Council ahead of the Thirteenth Ministerial Conference was considered for adoption.

13 REPORT TO THE COUNCIL FOR TRADE IN GOODS

13.1. On 12 October 2023, the CRO's draft annual report to the Council for Trade in Goods ([G/RO/W/226](#)) was considered and adopted (G/L/1499).

ANNEX 1

A. List of Members that have notified to the Secretariat that they apply non-preferential rules of origin¹
