**Committee on Subsidies and Countervailing Measures**

Original: English

## **SUBSIDIES**

### **NEW AND FULL NOTIFICATION PURSUANT TO ARTICLE XVI:1 OF THE GATT 1994 AND ARTICLE 25 OF THE AGREEMENT ON SUBSIDIES AND COUNTERVAILING MEASURES**

CHINA

The following communication, dated 11 July 2018, is being circulated at the request of the delegation of China.

---

The following notification constitutes China's new and full notification of information on programmes granted or maintained at the central and sub-central government level during the period from 2015 to 2016.

Insofar as the notification is a transparency-orientated obligation that, pursuant to Article 25.7 of the SCM Agreement, does not prejudice the legal status of the notified programmes under GATT 1994 and the SCM Agreement, the effects under the SCM Agreement or the nature of the programmes themselves, China has included certain programmes in this notification which arguably are not (or are not always) subsidies or specific subsidies subject to the notification obligation within the meaning of the SCM Agreement.

---

**TABLE OF CONTENTS**

<b>1 PROGRAMMES GRANTED OR MAINTAINED AT THE CENTRAL GOVERNMENT LEVEL.....</b>	<b>8</b>
1.1 Preferential tax policies for Chinese-foreign equity joint ventures engaged in port and dock construction.....	8
1.2 Preferential tax policies for enterprises with foreign investment established in Special Economic Zones (excluding Shanghai Pudong area).....	9
1.3 Preferential tax policies for enterprises with foreign investment established in Pudong area of Shanghai .....	10
1.4 Preferential tax policies in the western regions .....	11
1.5 Preferential tax policies for high or new technology enterprises .....	12
1.6 Preferential tax policies for the additional calculation and deduction of research and development expenses .....	13
1.7 Preferential tax policies for enterprises transferring technology .....	14
1.8 Preferential tax policies for the incubators of science and technology enterprises.....	15
1.9 Preferential tax policies for the science and technology parks of national universities .....	16
1.10 Preferential tax policies for service enterprises with advanced technology .....	17
1.11 Preferential tax treatment for public infrastructure projects that are particularly supported by the State .....	18
1.12 Preferential tax treatment for projects for environmental protection, water and energy conservation.....	19
1.13 Preferential tax treatment for building materials products produced with integrated utilization of resources.....	20
1.14 Preferential tax treatment for building materials products produced with integrated utilization of resources.....	21
1.15 Preferential tax treatment for products produced with integrated utilization of resources.....	22
1.16 Preferential VAT on comprehensively utilized products with agricultural surplus and forestry residues as raw materials.....	24
1.17 Preferential consumption tax on petroleum products produced with comprehensive utilization of resources.....	25
1.18 Preferential VAT on photovoltaic-generated electricity .....	26
1.19 Preferential VAT on hydropower electricity .....	26
1.20 Preferential tax treatment for energy-saving and new energy vehicles and vessels .....	27
1.21 Preferential tax treatment for urban public transportation enterprises what purchase public buses and trolleybuses.....	28
1.22 Preferential vehicle purchase tax on low-emission cars .....	29
1.23 Fund for the construction and operation of public charging facilities for new energy passenger cars .....	30
1.24 Preferential tax policies for Clean Development Mechanism .....	31
1.25 Preferential income tax policies for small enterprises making little profits.....	32
1.26 Preferential VAT and business tax policies for small enterprises making little profits .....	33
1.27 Exemption from payment of governmental funds for small enterprises making little profits .....	34
1.28 Exemption from payment of governmental funds for SMEs.....	35
1.29 Preferential VAT policies for enterprises that employ disabled people.....	36

---

1.30	Preferential income tax policies for enterprises that employ disabled people.....	37
1.31	Preferential tax treatment for imported products exclusively used by disabled people .....	37
1.32	Preferential tax treatment for products for the disabled people .....	38
1.33	Preferential tax treatment for enterprises producing products exclusively used by the disabled people .....	39
1.34	Preferential tax treatment for anti-HIV-AIDS medicine .....	40
1.35	Preferential tax policies for enterprises engaged in projects of preliminary processing of agricultural, forest, animal and fishery products .....	41
1.36	Preferential tax treatment for tea sold in the border areas .....	42
1.37	Preferential tax treatment for imported products for the purpose of replacing the planting of poppies.....	43
1.38	Preferential tax policies on imports of seeds (seedlings), breeding stock (fowl), fish fries (breeds) and wild animals and plants kept as breeds during the period of the "Twelfth Five-Year Plan" and the "Thirteenth Five-Year Plan" .....	43
1.39	Preferential tax policies on filling mining and mining resources in exhaustion stage.....	44
1.40	Preferential tax treatment for import of equipment .....	45
1.41	Tax policies on urban land use of oil and gas production enterprises .....	46
1.42	Preferential consumption tax on refined oil.....	47
1.43	Tax preferences for the integrated circuit (IC) industry .....	48
1.44	Preferential VAT policies for large passenger aircrafts and new regional aircrafts .....	50
1.45	Tax preferences on house property and urban land use for enterprises designing and manufacturing large passenger aircraft and engine .....	50
1.46	Tax preferences encouraging enterprises to increase employment .....	51
1.47	Accelerated depreciation of fixed assets.....	52
1.48	Fund for poverty alleviation.....	54
1.49	Fund for development of modern agriculture .....	55
1.50	Fund for agricultural technology promotion and services .....	55
1.51	Subsidy for purchasing agricultural machinery .....	56
1.52	Subsidy for fine crop seeds .....	57
1.53	Comprehensive subsidies for agricultural inputs.....	58
1.54	Direct subsidies to farmers .....	59
1.55	Agricultural support and protection subsidies .....	60
1.56	Fund for agricultural comprehensive development.....	60
1.57	Fund for farmland water conservancy construction and water and soil conservation .....	61
1.58	Disaster prevention and relief fund for agriculture.....	62
1.59	Fund for agricultural resources and ecological protection .....	63
1.60	Subsidy for prevention from and control of pest and disease in forestry .....	64
1.61	Subsidy for a new round of returning cultivated land to forests and grassland .....	65
1.62	Subsidy for standardization of inland water vessels .....	66
1.63	Subsidy for scrapping and dismantling vessels and for ship type standardization .....	67
1.64	Fisherman onshore resettlement subsidy .....	67
1.65	Aquatic improved breed subsidy .....	68

1.66	Subsidy for scrapping old vehicles.....	69
1.67	Fund for transportation energy conservation and emission reduction .....	70
1.68	Subsidy for urban public buses .....	71
1.69	Support for new energy vehicle promotion and utilization .....	72
1.70	Fund for energy conservation and emission reduction by the civil aviation industry .....	73
1.71	Fund for energy conservation and emission reduction.....	73
1.72	Shale gas development and utilization subsidy .....	74
1.73	Subsidy for coalbed methane (gas) exploitation and utilization during the 13th five-year plan period .....	75
1.74	Fund for water pollution prevention and treatment.....	76
1.75	Fund for air pollution prevention and control .....	77
1.76	Fund for construction of sponge cities.....	78
1.77	Fund for development of strategic emerging industries .....	79
1.78	Fund for the development of international economic relations and trade .....	80
1.79	Reward for public-private partnership (PPP) projects .....	80
1.80	Industrial transformation and upgrading fund .....	81
1.81	Reward and support fund for restructuring of industrial enterprises.....	82
1.82	Fund for promotion of energy-saving products.....	83
<b>2</b>	<b>PROGRAMMES GRANTED OR MAINTAINED AT THE SUB-CENTRAL GOVERNMENT LEVEL .....</b>	<b>84</b>
2.1	Fund in support of the construction of public charging facilities for new energy passenger cars .....	84
2.2	Fund in support of capacity building for new and professional farmers.....	85
2.3	Fund for renovation of boilers and industrial furnaces.....	85
2.4	Fund for ethnic minorities development .....	86
2.5	Fund for development of low-carbon manufacturing industry .....	87
2.6	Subsidy for early phase-out of yellow label vehicles .....	88
2.7	Fund for interest subsidy for loans in the forestry sector.....	89
2.8	Fund for prevention and control of atmospheric pollution .....	89
2.9	Fund for environmental protection .....	90
2.10	Fund for prevention and control of atmospheric pollution .....	91
2.11	Fund for development of forestry .....	92
2.12	Fund for development of economy with local features in impoverished mountainous areas.....	93
2.13	Fund for research and development of applicative technologies .....	93
2.14	Disaster relief fund for agriculture.....	94
2.15	Fund for poverty alleviation.....	95
2.16	Fund for environmental protection .....	96
2.17	Fund for development of emerging industries .....	97
2.18	Fund for transformation and upgrading of industry and information technology .....	97
2.19	Subsidy for promotion of photovoltaic power generation .....	98
2.20	Fund for capacity building of new and professional farmers .....	99

---

2.21	Fund for environmental protection .....	100
2.22	Rewards for transformation of scientific and technology achievements .....	101
2.23	Fund for construction of sponge cities.....	101
2.24	Fund for development of recycling economy.....	102
2.25	Subsidy for purchase of pure electric passenger vehicles .....	103
2.26	Fund in support of micro and small enterprises.....	104
2.27	Fund for research and development of enterprises .....	105
2.28	Fund for technical renovation of industrial enterprises .....	105
2.29	Fund for development of industrial enterprises .....	106
2.30	Fund for safe production.....	107
2.31	Fund supporting public listing of enterprises.....	108
2.32	Fund for energy conservation .....	109
2.33	Fund for development of recycling economy.....	109
2.34	Fund for the industrialization of high and new technologies .....	110
2.35	Fund for the processing of aquatic products .....	111
2.36	Fund in support of farmers' cooperatives .....	112
2.37	Fund for recycling residual films from farmland .....	112
2.38	Fund in support of leading fishery enterprises .....	113
2.39	Fund for demand-side management of the electric power .....	114
2.40	Reward and support fund for dissolving overcapacity.....	115
2.41	Fund for the development of maker spaces.....	116
2.42	Fund supporting the scientific and technology innovation and entrepreneurship of university students.....	116
2.43	Fund for energy conservation of buildings .....	117
2.44	Fund for prevention and control of atmospheric pollution .....	118
2.45	Reward and support for dissolving overcapacity in coal industry .....	119
2.46	Fund for technology innovation of science and technology SMEs .....	119
2.47	Fund for the innovation and development of science and technology SMEs.....	120
2.48	Fund in support of scientific and technology innovation .....	121
2.49	Fund rewarding public listing of enterprises.....	122
2.50	Fund rewarding modern agricultural science and technology .....	123
2.51	Fund for scientific research for social development.....	123
2.52	Fund for science and technology innovation projects .....	124
2.53	Fund to foster start-up science and technology enterprises .....	125
2.54	Fund for agricultural scientific research.....	126
2.55	Fund for product quality improvement.....	127
2.56	Fund in support of engineering (technology) centers of enterprise .....	127
2.57	Fund for promotion of industrial restructuring.....	128
2.58	Fund for education of new and professional farmers .....	129
2.59	Fund for energy conservation, emission reduction and ecological protection .....	130

---

2.60	Fund for pollution prevention and control and environmental monitoring and supervision .....	131
2.61	Reward for public-private partnership (PPP) projects .....	131
2.62	Reward fund for reduction of total amount of major pollutants .....	132
2.63	Fund supporting public listing of enterprises.....	133
2.64	Fund for projects of new-type industrialization development .....	134
2.65	Fund for the development of SMEs and non-public economy .....	135
2.66	Fund for gas control and safety technology renovation of coal mines.....	135
2.67	Reward and support fund for dissolving overcapacity in coal .....	136
2.68	Subsidy for marketing new energy vehicles.....	137
2.69	Reward and support fund for ultra-low emission renovation of coal-fired power units .....	138
2.70	Fund for the development of SMEs.....	139
2.71	Fund for energy conservation .....	139
2.72	Fund for the transformation of scientific and technology achievements purchased by enterprises .....	140
2.73	Fund for agroforestry resources and ecological protection .....	141
2.74	Disaster relief fund for agriculture.....	142
2.75	Fund for construction of public service platforms for international economic relations and trade.....	143
2.76	Fund in support of recognition of public service demonstration platforms for SMEs.....	143
2.77	Fund in support of recognition and operation of entrepreneurial bases for small enterprises.....	144
2.78	Fund for water and soil conservation .....	145
2.79	Fund for the prevention from and control of pest and disease in forestry .....	146
2.80	Fund for poverty alleviation.....	147
2.81	Fund for the development of international economic relations and trade .....	147
2.82	Fund for the development of software and integrated circuit industries.....	148
2.83	Fund for industrial transformation and development.....	149
2.84	Fund for promotion of informatization .....	150
2.85	Fund for the development of SMEs.....	151
2.86	Fund for scientific and technology innovation .....	151
2.87	Fund in support of science and technology intermediary services providers .....	152
2.88	Fund for development through structural adjustment and change in growth pattern.....	153
2.89	Fund for development of emerging industries .....	154
2.90	Fund for industry and information technology projects .....	155
2.91	Fund for targeted poverty alleviation.....	155
2.92	Fund for environmental protection .....	156
2.93	Fund for promotion of new energy vehicles .....	157
2.94	Fund for construction of ethnic trade network and technology renovation of enterprises designated for production of special necessities for ethnic minorities.....	158
2.95	Subsidy for early phase-out of yellow label vehicles .....	159

---

2.96	Reward and support fund for prevention and control of atmospheric pollution .....	159
2.97	Fund for demand-side management of the electric power .....	160
2.98	Fund rewarding scientific and technology innovation .....	161
2.99	Fund for ecological protection compensation mechanism .....	162
2.100	Special fund for poverty alleviation.....	163
2.101	Fund for training and re-employment of rural labor .....	163
2.102	Fund for energy-saving and recycling economy .....	164
2.103	Fund for science and technology projects .....	165
2.104	Fund for construction of engineering technology research centers .....	166
2.105	Fund for the development of intellectual property rights .....	167
2.106	Fund for high and new technology enterprises .....	167
2.107	Fund for the development of SMEs .....	168
2.108	Fund for poverty alleviation .....	169

## 1 PROGRAMMES GRANTED OR MAINTAINED AT THE CENTRAL GOVERNMENT LEVEL

### 1.1 Preferential tax policies for Chinese-foreign equity joint ventures engaged in port and dock construction

1. Title of the subsidy programme

Preferential tax policies for Chinese-foreign equity joint ventures engaged in port and dock construction.

2. Policy objective and/or purpose of the subsidy

To encourage foreign investment into infrastructure construction.

3. Background and authority for the subsidy

Ministry of Finance (MOF), State Administration of Taxation (SAT), Ministry of Commerce (MOFCOM).

4. Legislation under which it is granted

Rules for the Implementation of the Income Tax Law of the People's Republic of China for Enterprises with Foreign Investment and Foreign Enterprises (1991); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); State Council Circular Guo Fa No.39 of 2007.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Chinese-foreign equity joint ventures engaged in port and dock construction with an operating period of no less than 15 years.

7. How the subsidy is provided

Starting from the year beginning to make profit, be exempted from the enterprise income tax in the first to the fifth years and allowed a tax reduction by half in the sixth through the tenth years ("5 years of exemption and 5 years of reduction by half").

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

The 5 years of exemption and 5 years of reduction by half policy will continue to apply in individual cases until expiration. However, for enterprises having not yet enjoyed the preferential tax policy because no profit had been made, the beginning year of the preferential tax policy should be 2008.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

## **1.2 Preferential tax policies for enterprises with foreign investment established in Special Economic Zones (excluding Shanghai Pudong area)**

### 1. Title of the subsidy programme

Preferential tax policies for enterprises with foreign investment established in Special Economic Zones (excluding Shanghai Pudong area).

### 2. Policy objective and/or purpose of the subsidy

To absorb foreign investment and expand the open-up policy and enhance development of the region.

### 3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation, Ministry of Commerce, Ministry of Science and Technology (MOST).

### 4. Legislation under which it is granted

Income Tax Law of the People's Republic of China for Enterprises with Foreign Investment and Foreign Enterprises (1991); Rules for the Implementation of the Income Tax Law of the People's Republic of China for Enterprises with Foreign Investment and Foreign Enterprises (1991); SAT Circular Guo Shui Fa No.139 of 1995; SAT Circular Guo Shui Fa No.135 of 2003; Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); State Council Circular Guo Fa No.39 of 2007; State Council Circular Guo Fa No.40 of 2007.

### 5. Form of the subsidy

Preferential tax treatment.

### 6. To whom the subsidy is provided

Enterprises with foreign investment established in the Hainan Special Economic Zones and engaged in infrastructure projects such as airports, harbours, docks, highways, railways, power stations, coal mines and water conservation projects, and enterprises with foreign investment engaged in the development of and operations in agriculture with an operation period of no less than fifteen years.

### 7. How the subsidy is provided

Starting from the year beginning to make profit, be exempted from enterprise income tax in the first year through the fifth years and allowed a tax reduction by half in the sixth year through the tenth year ("5 years of exemption and 5 years of reduction by half").

### 8. Period covered by the notification

2015-2016

### 9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

### 10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.3 Preferential tax policies for enterprises with foreign investment established in Pudong area of Shanghai**

1. Title of the subsidy programme

Preferential tax policies for enterprises with foreign investment established in Pudong area of Shanghai.

2. Policy objective and/or purpose of the subsidy

To absorb foreign investment and expand the open-up policy and enhance development of the region.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); State Council Circular Guo Fa No.39 of 2007; State Council Circular Guo Fa No.40 of 2007.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Enterprises with foreign investment of a production nature established in Pudong area of Shanghai as well as enterprises with foreign investment engaged in energy resources and transport construction projects such as airport, ports, railways, highways and power stations; 2) enterprises registered on and after 1 January 2008 in Pudong area of Shanghai for their establishment which are recognized as high or new technology enterprises.

7. How the subsidy is provided

1) Enterprises with foreign investment engaged in energy resources and transport construction projects such as airport, ports, railways, highways and power stations with an operation period of no less than 15 years shall, starting from the year beginning to make profit, be exempted in the first year through the fifth year and allowed a reduction by half in the sixth year through the tenth year ("5 years of exemption and 5 years of reduction by half"); 2) Income obtained in Pudong area of Shanghai shall, starting from the year receiving income from their operation or production, be exempted from enterprise income tax in the first and second years and allowed a tax reduction by half from the statutory rate of 25% in the third year through the fifth year.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) The 5 years of exemption and 5 years of reduction by half policy will continue to apply in individual cases until expiration. However, for enterprises having not yet enjoyed the

preferential tax policy because no profit had been made, the beginning year of the preferential tax policy should be 2008; 2) 2008-present.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

#### **1.4 Preferential tax policies in the western regions**

1. Title of the subsidy programme

Preferential tax policies in the western regions.

2. Policy objective and/or purpose of the subsidy

To accelerate the development of the western regions, expand the opening up, lessen the imbalance of economic development among different areas and accelerate the development of the regions.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation, Ministry of Commerce and other relevant authorities under the State Council.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); MOF GAC SAT Announcement No.43 of 2008; MOF Circular Cai Shui No.58 of 2011; MOF Circular Cai Shui No.4 of 2013; Catalogue of Encouraged Industries in Central and Western Regions Fa Gai Wei No.15 of 2014; State Council Circular Guo Fa No.39 of 2007; MOF Circular Cai Shui No.1 of 2008.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Enterprises established in the western regions which have the items included in the Catalogue of Encouraged Industries in Central and Western Regions as their major business with the income from that major business accounting for over 70% of total revenue of the current year; 2) the domestic and foreign-invested enterprises which are newly established in the western regions and engaged in business such as transportation, electric power, water conservancy, postal service, radio and television, etc., whose revenue from those business accounts for over 70% of total revenue; 3) the imported equipment for self use within the total amount of the capital invested by domestic enterprises established in the western regions and engaged in the encouraged industries or by foreign-invested enterprises established in the western regions and engaged in the encouraged or advantageous industries, except for those listed in the Catalogue for the imported products not subject to tax exemption in foreign invested projects, the Catalogue for the imported products not subject to tax exemption in domestic invested projects, or the Catalogue for the imported major technical equipment and products not subject to tax exemption.

Note: The western regions refer to Chongqing Municipality, Sichuan Province, Guizhou Province, Yunnan Province, Tibet Autonomous Region, Shaanxi Province, Gansu Province, Ningxia Hui Autonomous Region, Qinghai Province, Xinjiang Production and Construction Corps, Xinjiang Uygur Autonomous Region, Inner Mongolia Autonomous Region, Guangxi Zhuang Autonomous Region. Starting from 1 January 2011, Xiangxi Tujia-Miao Autonomous Prefecture of Hunan Province, Enshi Tujia-Miao Autonomous Prefecture of Hubei Province and Yanbian Korean Autonomous Prefecture of Jilin Province began to enjoy the tax policies for the western regions. Starting from 1 January 2012, Ganzhou City of Jiangxi Province began to enjoy the preferential policies for the Development of the Western Regions.

7. How the subsidy is provided

1) The income tax shall be levied at the reduced rate of 15% from the year 2001 to 2020; 2) the domestic enterprises shall, starting from the year beginning production or operation, be exempted from the enterprise income tax in the first and second years and allowed a tax reduction by half in the third year through the fifth year (the 2 years of exemption and 3 years of reduction by half policy); the foreign-invested enterprises with an operation period of no less than 10 years shall, starting from the year beginning to make profit, enjoy the same preferential tax treatment as the above domestic enterprises; 3) exempted from tariff from 2001 to the present and import VAT from 2001 to 31 December 2008.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) 2001-2020; 2) From 2001 to the end of 2011, the newly established enterprises in transportation, power, water conservancy, postal service as well as radio and television before 31 December 2010, which were examined and approved by the taxation authorities, may enjoy the 2 years of exemption and 3 years of reduction by half policy until expiration; for those meeting the original tax preference criteria of the Western Development Plan, but failing to complete the verification formalities of the taxation authorities before 31 December 2010 due to such reasons as yet to generate revenue or enter the profit-earning year, the tax preference policies can be applied after they complete relevant formalities; 3) 2001-present.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.5 Preferential tax policies for high or new technology enterprises**

1. Title of the subsidy programme

Preferential tax policies for high or new technology enterprises.

2. Policy objective and/or purpose of the subsidy

To encourage high and new technology industrial development and enhance the technology progress.

3. Background and authority for the subsidy

Ministry of Science and Technology, Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007).

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

The enterprises recognized as high or new technology enterprises.

7. How the subsidy is provided

The enterprise income tax shall be levied at a reduced rate of 15%.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.6 Preferential tax policies for the additional calculation and deduction of research and development expenses**

1. Title of the subsidy programme

Preferential tax policies for the additional calculation and deduction of research and development expenses.

2. Policy objective and/or purpose of the subsidy

To encourage the research and development of enterprises.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); MOF Circular Cai Shui No.119 of 2015.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

The research and development expenses incurred by an enterprise for the development of new technologies, new products and new techniques.

7. How the subsidy is provided

Where the expenses are included in the current profits or losses before they become intangible assets, a deduction of 50% of the research and development expenses shall be made in addition to the deduction of actual expenses when the taxable income is calculated; where they become intangible assets, the expenses shall be amortised at 150% of the cost of the intangible assets with the amortization period of not less than 10 years.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.7 Preferential tax policies for enterprises transferring technology**1. Title of the subsidy programme

Preferential tax policies for enterprises transferring technology.

2. Policy objective and/or purpose of the subsidy

To encourage the transfers of technology.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); SAT Circular Guo Shui Han No.212 of 2009; MOF Circular Cai Shui No.111 of 2011; MOF Circular Cai Shui No.116 of 2015.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Resident enterprises.

7. How the subsidy is provided

Income up to RMB 5 million from any transfer of technologies in a tax year shall be exempted from enterprise income tax. Income exceeding RMB 5 million shall be allowed a reduction by half of enterprise income tax.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.8 Preferential tax policies for the incubators of science and technology enterprises**1. Title of the subsidy programme

Preferential tax policies for the incubators of science and technology enterprises.

2. Policy objective and/or purpose of the subsidy

To encourage scientific and technological innovation, and promote employment and entrepreneurship.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.89 of 2016.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Eligible incubators.

7. How the subsidy is provided

1) The real estates and land for self use and those provided to incubated enterprises through leasing and other means shall be exempted from real estate tax and urban land use tax;

2) The incomes from leasing venues and houses to incubated enterprises and providing incubation services shall be exempted from business tax;

3) The incomes from leasing venues and houses to incubated enterprises and providing incubation services shall be exempted from VAT.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) 1 January 2016 – 31 December 2018;

2) 1 January 2016 – 30 April 2016;

3) During the pilot period of replacing business tax with value-added tax.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.9 Preferential tax policies for the science and technology parks of national universities**

1. Title of the subsidy programme

Preferential tax policies for the science and technology parks of national universities.

2. Policy objective and/or purpose of the subsidy

To encourage scientific and technological innovation, and promote employment and entrepreneurship.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.98 of 2016.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Eligible science and technology parks.

7. How the subsidy is provided

1) The real estates and land for self use and those provided to incubated enterprises through leasing and other means shall be exempted from real estate tax and urban land use tax;

2) The incomes from leasing venues and houses to incubated enterprises and providing incubation services shall be exempted from business tax;

3) The incomes from leasing venues and houses to incubated enterprises and providing incubation services shall be exempted from VAT.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) 1 January 2016 - 31 December 2018;

2) 1 January 2016 - 30 April 2016;

3) During the pilot period of replacing business tax with value-added tax.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.10 Preferential tax policies for service enterprises with advanced technology**

1. Title of the subsidy programme

Preferential tax policies for service enterprises with advanced technology.

2. Policy objective and/or purpose of the subsidy

To promote the development of service enterprises with advanced technology.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation, Ministry of Commerce, Ministry of Science and Technology, National Development and Reform Commission (NDRC).

4. Legislation under which it is granted

MOF Circular Cai Shui No.63 of 2009, MOF Circular Cai Shui No.65 of 2010; MOF Circular Cai Shui No.59 of 2014; MOF Circular Cai Shui No.122 of 2016; MOF Circular Cai Shui No.108 of 2016.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Recognized service enterprises with advanced technology, eligible service enterprises with advanced technology in 15 pilot areas for service trade innovation and 10 service outsourcing demonstration cities;

2) Employees' education expenses of recognized service enterprises with advanced technology, actually paid expenses for employees' education of eligible service enterprises with advanced technology in 15 pilot areas for service trade innovation and 10 service outsourcing demonstration cities.

7. How the subsidy is provided

1) The enterprise income tax shall be levied at a reduced rate of 15%.

2) The portion that does not exceed 8% of total wage and salary is allowed to be deducted from the taxable income; the portion that exceeds 8% is allowed to be carried forward and deducted in subsequent tax years.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) For outsourcing demonstration cities, from 1 January 2009 to 31 December 2017;

2) For pilot areas for services trade innovation, from 1 January 2016 to 31 December 2017.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.11 Preferential tax treatment for public infrastructure projects that are particularly supported by the State**

1. Title of the subsidy programme

Preferential tax treatment for public infrastructure projects that are particularly supported by the State.

2. Policy objective and/or purpose of the subsidy

To promote the construction of infrastructure projects.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); MOF Circular Cai Shui No.46 of 2008; MOF Circular Cai Shui No.10 of 2012; SAT Circular Guo Shui Fa No.80 of 2009; MOF Circular Cai Shui No.55 of 2014.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Income derived by an enterprise from investment in and operation of public infrastructure projects such as harbours, wharves, airports, railways, highways, urban public transportation, electric power and water conservancy projects as specified in the Catalogue of Public Infrastructure Projects for Preferential Enterprise Income Tax Treatment.

7. How the subsidy is provided

The income shall, starting from the year receiving income from the projects' operation or production, be exempted from enterprise income tax in the first through the third years and allowed a tax reduction by half in the fourth year through the sixth year.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.12 Preferential tax treatment for projects for environmental protection, water and energy conservation**

1. Title of the subsidy programme

Preferential tax treatment for projects for environmental protection, water and energy conservation.

2. Policy objective and/or purpose of the subsidy

To protect the environment and encourage the recycle of resources.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); MOF Circular Cai Shui No.48 of 2008; MOF Circular Cai Shui No.10 of 2012; MOF Circular Cai Shui No.69 of 2009; MOF Circular Cai Shui No.131 of 2016.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Income derived by an enterprise from the qualified projects of environmental protection or energy and water conservation such as projects of public sewage treatment, public refuse treatment, comprehensive development and utilization of methane, technological upgrading for energy conservation and discharge reduction, and seawater desalination etc.; 2) Where an enterprise purchases and actually uses the equipment specially designed for environmental protection, energy and water conservation, safe production etc. as specified in the Catalogue of Special Environmental Protection Equipment for Preferential Enterprise Income Tax Treatment, the Catalogue of Special Energy and Water Conservation Equipment

for Preferential Enterprise Income Tax Treatment and the Catalogue of Special Safe Production Equipment for Preferential Enterprise Income Tax Treatment.

7. How the subsidy is provided

1) The income shall, starting from the year receiving income from the projects' operation or production, be exempted from enterprise income tax in the first year through the third year and allowed a tax reduction by half in the fourth year through the sixth year; 2) 10% of its investment in the special equipment may be credited against its tax payable for the current year, and any amount that is not credited in that year may be carried forward and credited in the following five tax years.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.13 Preferential tax treatment for building materials products produced with integrated utilization of resources**

1. Title of the subsidy programme

Preferential tax treatment for building materials products produced with integrated utilization of resources.

2. Policy objective and/or purpose of the subsidy

To encourage the integrated utilization of resources and protect the environment.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

Law of the People's Republic of China on Enterprise Income Tax (2007); Regulations for the Implementation of Law of the People's Republic of China on Enterprise Income Tax (2007); MOF Circular Cai Shui No.47 of 2008.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

The income derived when an enterprise uses the resources specified in the Catalogue of Comprehensive Use of Resources for Preferential Enterprise Income Tax Treatment as its

main raw materials to manufacture products listed in the same Catalogue that meet relevant national and industrial standards.

7. How the subsidy is provided

Its income thus derived shall be included in the total taxable income of the enterprise at a reduced amount of 90%.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.14 Preferential tax treatment for building materials products produced with integrated utilization of resources**

1. Title of the subsidy programme

Preferential tax treatment for building materials products produced with integrated utilization of resources.

2. Policy objective and/or purpose of the subsidy

To encourage the integrated utilization of resources, energy conservation and emission reduction.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui Zi No.73 of 2015; MOF Circular Cai Shui Zi No.78 of 2015.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Bricks and tiles, building blocks and other products with waste residues as not less than 70% of raw materials; 2) Building gravel aggregates which have building (structure) wastes and gangues as raw materials; 3) Some parts of new-type wall material products.

7. How the subsidy is provided

1) 70% of the VAT shall be refunded upon collection; 2) 50% of the VAT shall be refunded upon collection; 3) 50% of the VAT shall be refunded upon collection.

- 
8. Period covered by the notification  
2015-2016
  9. Duration of the subsidy and/or any other time-limits attached to it  
1 July 2015-present
  10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)  
Not available.
  11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### **1.15 Preferential tax treatment for products produced with integrated utilization of resources**

1. Title of the subsidy programme  
Preferential tax treatment for products produced with integrated utilization of resources.
2. Policy objective and/or purpose of the subsidy  
To encourage integrated utilization of resources and protect the environment.
3. Background and authority for the subsidy  
Ministry of Finance, State Administration of Taxation.
4. Legislation under which it is granted  
MOF Circular Cai Shui No.56 of 2008; MOF Circular Cai Shui No.74 of 2015; MOF Circular Cai Shui No.78 of 2015.
5. Form of the subsidy  
Preferential tax treatment.
6. To whom the subsidy is provided
  - 1) Electricity or heat generated from wastes and biogas from waste fermentation; electricity and heat generated from waste heat or excess pressure associated with industrial production; fuels, electricity and heat made from raw materials or fuels such as kitchen wastes, livestock excrements, rice husk, peanut hull, corncob, oil-tea camellia shell, cottonseed hull, three remains, shoddy and little fuelwood, crop straws and bagasse (as well as the biogas from the fermentation of the above items);
  - 2) High-purity carbon dioxide products which are made from industrial waste gases; shale oils which are made from oil shale; microbial proteins, dry sludge, fuels, electricity and heat made from raw materials or fuels such as oily sewage, organic waste water, sludge from wastewater treatment, oily sludge from oil field production (as well as the biogas from the fermentation of the above items); bio-diesels and industry-grade mixed oil made from waste animal oil and vegetable oil; emulsified oil blender, waterproof roll and other accessories made from the oily sludge (dross) associated with oil field production; wigs made from human hair; steam, activated carbon, white carbon black, lactic acid, calcium lactate and biogas which are made from waste distiller grains and waste brewing water;

3) Recycled water, rubber powder, retreads and reclaimed rubber which are made of junked tires entirely; recycled asphalt concrete which are made from waste asphalt concrete; industrial oils such as lubricant base oil, gasoline and diesel which are made from reclaimed used mineral oils; nitro-cotton powder coating made from retired military propellant; byproducts from desulfuration of exhaust gas and high-sulfur natural gas associated with coal-fired power plants and various industrial plants; gypsum, sulfuric acid, ammonium sulfate and sulphur made from exhaust gas and high-sulfur natural gas associated with coal-fired power plants and various industrial plants as raw materials; electricity and heat generated from gangue, coal slime, stone coal and oil shale; aluminium oxide, active calcium silicate, porcelain insulator and calcined kaolin which are made from coal ash and gangue; gasoline, diesel, petroleum coke, carbon black, recycled pulp, aluminite powder, modified materials special (for automobiles, motorcycles, household electronic appliance, pipes and tubes, recycled polyester materials special for chemical fiber, recycled polyethylene terephthalate (PET) resin special for bottles and recycled plastic products; fiber yarn, weaving cotton, non-woven fabrics, felts, adhesives and recycled polyester products which are made from waste natural fiber, chemical fiber and their products; graphite alien pieces, graphite blocks, graphite powder and graphite carburant which are made from waste graphite; and electricity generated from wind power;

4) Metallic oxide and nickel cobalt manganese composite hydroxide, lithium nickel manganese oxide or cobalt chloride made from waste batteries and their disassembled items; sliver made from waste developing solutions, waste films and other waste photosensitive materials; metals, alloys and metallic compounds made from dead catalysts, waste bulbs (tubes), electrolyzed wastes, electroplated wastes, waste circuit boards through smelting, purification or combination; metals and metallic compounds made from waste motors, scraped cars and scraped motorcycles through smelting or purification.

7. How the subsidy is provided

- 1) 100% of the VAT shall be refunded upon collection;
- 2) 70% of the VAT shall be refunded upon collection;
- 3) 50% of the VAT shall be refunded upon collection;
- 4) 30% of the VAT shall be refunded upon collection.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1 July 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.16 Preferential VAT on comprehensively utilized products with agricultural surplus and forestry residues as raw materials**

1. Title of the subsidy programme

Preferential VAT on comprehensively utilized products with agricultural surplus and forestry residues as raw materials.

2. Policy objective and/or purpose of the subsidy

To promote integrated utilization of resources and protect environment.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.78 of 2015.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) Fibreboard, shaving board, blockboard, charcoal, active carbon, tannin extract, hydrolytic alcohol, cellulose, lignin, xylose, arabinose, furfural and cardboard which are made from raw materials such as shoddy and little fuelwood, crop straws, and salix mongolica; 2) bagasse pulp, bagasse particle board and paper which are made from bagasse.

7. How the subsidy is provided

1) 70% of the VAT shall be refunded upon collection;

2) 50% of the VAT shall be refunded upon collection.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1 July 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.17 Preferential consumption tax on petroleum products produced with comprehensive utilization of resources**

1. Title of the subsidy programme

Preferential consumption tax on petroleum products produced with comprehensive utilization of resources.

2. Policy objective and/or purpose of the subsidy

To promote integrated utilization of resources and protect environment.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.118 of 2010; MOF Circular Cai Shui No.105 of 2013; MOF Circular Cai Guan Shui No.79 of 2013.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) The pure biodiesel produced in accordance with the national standard of Biodiesel Blend Stock (BD100) for Diesel Engine Fuels and from raw materials of which the amount of the waste animal oil and vegetable oil is no less than 70%;

2) The imported biodiesel and biodiesel blend meeting the national standard of Biodiesel Blend Stock (BD100) for Diesel Engine Fuels;

3) Industrial oils such as lubricant base oil, gasoline and diesel which are made from reclaimed used mineral oils.

7. How the subsidy is provided

The consumption tax shall be exempted.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) and 2) 1 January 2009 - present; 3) 1 November 2013 - 31 October 2018.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.18 Preferential VAT on photovoltaic-generated electricity**

1. Title of the subsidy programme  
Preferential VAT on photovoltaic-generated electricity.
2. Policy objective and/or purpose of the subsidy  
To encourage the use of solar energy to generate electricity and protect environment.
3. Background and authority for the subsidy  
Ministry of Finance, State Administration of Taxation.
4. Legislation under which it is granted  
MOF Circular Cai Shui No.81 of 2016.
5. Form of the subsidy  
Preferential tax treatment.
6. To whom the subsidy is provided  
The electricity produced by solar energy.
7. How the subsidy is provided  
50% of the VAT shall be refunded upon collection.
8. Period covered by the notification  
2015-2016
9. Duration of the subsidy and/or any other time-limits attached to it  
1 January 2016 - 31 December 2018
10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)  
Not available.
11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

**1.19 Preferential VAT on hydropower electricity**

1. Title of the subsidy programme  
Preferential VAT on hydropower electricity.
2. Policy objective and/or purpose of the subsidy  
To encourage the use of clean energy and protect environment.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.10 of 2014.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Hydroelectric power stations with installed capacity exceeding one million KW (including pumped-storage power stations) that sell self-produced electrical power.

7. How the subsidy is provided

1) The portion in the actual VAT paid that exceeds 8% shall be refunded upon collection from 1 January 2013 to 31 December 2015;

2) The portion in the actual VAT paid that exceeds 12% shall be refunded upon collection from 1 January 2016 to 31 December 2017.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1 January 2013-31 December 2017

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.20 Preferential tax treatment for energy-saving and new energy vehicles and vessels**

1. Title of the subsidy programme

Preferential tax treatment for energy-saving and new energy vehicles and vessels.

2. Policy objective and/or purpose of the subsidy

To promote utilization of energy-saving and new energy products and protect environment.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation, Ministry of Industry and Information Technology (MIIT).

4. Legislation under which it is granted

MOF, SAT and MIIT Announcement No.53 of 2014; Vehicle and Vessel Tax Law; Regulations for the Implementation of Vehicle and Vessel Tax Law; MOF Circular Cai Shui No.51 of 2015.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

1) The energy-saving vehicles and vessels conforming to the standards; 2) The new energy vehicles and vessels conforming to the standards; 3) The new energy vehicles that are listed in the Catalogue of the Models of New Energy Vehicles Exempted from Vehicle Purchase Tax.

7. How the subsidy is provided

1) The vehicle and vessel tax shall be allowed a reduction by half; 2) The vehicle and vessel tax shall be exempted; 3) The vehicle purchase tax shall be exempted.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) and 2) 2012-present; 3) 1 September 2014-31 December 2020.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.21 Preferential tax treatment for urban public transportation enterprises what purchase public buses and trolleybuses**

1. Title of the subsidy programme

Preferential tax treatment for urban public transportation enterprises what purchase public buses and trolleybuses.

2. Policy objective and/or purpose of the subsidy

To alleviate the burden of urban public transportation enterprises, and promote healthy and stable development of road transportation.

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.51 of 2012; MOF Circular Cai Shui No.84 of 2016.

5. Form of the subsidy  
Preferential tax treatment.
6. To whom the subsidy is provided  
The public buses and trolleybuses purchased by urban public transportation enterprise.
7. How the subsidy is provided  
The vehicle purchase tax shall be exempted.
8. Period covered by the notification  
2015-2016
9. Duration of the subsidy and/or any other time-limits attached to it  
1 January 2012 - 31 December 2020
10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)  
Not available.
11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## **1.22 Preferential vehicle purchase tax on low-emission cars**

1. Title of the subsidy programme  
Preferential vehicle purchase tax on low-emission cars.
2. Policy objective and/or purpose of the subsidy  
To promote energy-saving and environmental protection.
3. Background and authority for the subsidy  
Ministry of Finance, State Administration of Taxation.
4. Legislation under which it is granted  
MOF Circular Cai Shui No.104 of 2015; MOF Circular Cai Shui No.136 of 2016.
5. Form of the subsidy  
Preferential tax treatment.
6. To whom the subsidy is provided  
Purchased passenger cars with an engine capacity of no more than 1.6 litres.

7. How the subsidy is provided

1) The vehicle purchase tax shall be levied at a reduced rate of 5%; 2) The vehicle purchase tax shall be levied at a reduced rate of 7.5%. Starting from 1 January 2018, the statutory rate of 10% shall be resumed.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) 1 October 2015 - 31 December 2016; 2) 1 January 2017- 31 December 2017.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.23 Fund for the construction and operation of public charging facilities for new energy passenger cars**

1. Title of the subsidy programme

Fund for the construction and operation of public charging facilities for new energy passenger cars.

2. Policy objective and/or purpose of the subsidy

To accelerate the construction of the charging facilities of new energy vehicles and improve the environment for utilization of new energy vehicles.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Science and Technology, Ministry of Industry and Information Technology, National Development and Reform Commission, National Energy Administration (NEA).

4. Legislation under which it is granted

MOF Circular Cai Jian No.7 of 2016.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Relevant enterprises engaged in the construction and operation of charging facilities and those offering property services.

7. How the subsidy is provided

Rewards or subsidies are provided.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
754	1,130

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.24 Preferential tax policies for Clean Development Mechanism**1. Title of the subsidy programme

Preferential tax policies for Clean Development Mechanism.

2. Policy objective and/or purpose of the subsidy

To reduce the emission of greenhouse gas (GHG).

3. Background and authority for the subsidy

Ministry of Finance, State Administration of Taxation.

4. Legislation under which it is granted

MOF Circular Cai Shui No.30 of 2009.

5. Form of the subsidy

Preferential tax treatment.

6. To whom the subsidy is provided

Ministry of Finance, National Development and Reform Commission, State Forestry Administration, Ministry of Land and Resources, Ministry of Agriculture, Ministry of Water Resources, Ministry of Environment Protection, State Council Leading Group for Poverty Alleviation and Development.

4. Legislation under which it is granted

MOF Circular Cai Nong [2015] No.258.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Farmers who return cultivated land to forests and grassland.

7. How the subsidy is provided

Subsidy of RMB 800 per mu be provided in 2015 to farmers returning their farmland to forests, and RMB 1,000 per mu be provided in 2016 to farmers returning their farmland to grassland.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2014-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
4,964	8,996

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.62 Subsidy for standardization of inland water vessels**1. Title of the subsidy programme

Subsidy for standardization of inland water vessels.

2. Policy objective and/or purpose of the subsidy

To promote restructuring of inland water transport capacity, improve transport efficiency and energy conservation, and advance the development of inland water transportation.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Transport.

4. Legislation under which it is granted

MOF Circular Cai Jian [2014] No.61.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible ship owners who dismantle or renovate their vessels and water transport operators who build demonstration vessels.

7. How the subsidy is provided

Subsidy is determined according to the tonnage of the vessels dismantled or renovated.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1 October 2013 – 31 December 2017

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
1,460	0

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.63 Subsidy for scrapping and dismantling vessels and for ship type standardization**1. Title of the subsidy programme

Subsidy for scrapping and dismantling vessels and for ship type standardization.

2. Policy objective and/or purpose of the subsidy

To accelerate the restructuring of the ship industry.

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

MOF Circular Cai Jian [2015] No.977.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible ship owners who dismantle or renovate their vessels.

7. How the subsidy is provided

Subsidy is determined according to the tonnage, age and type of the vessels dismantled or renovated.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1 January 2013 – 31 December 2017 for seagoing vessels, 1 October 2015 – 31 December 2019 for fishing vessels

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
7,108.34	410.20

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.64 Fisherman onshore resettlement subsidy**1. Title of the subsidy programme

Fisherman onshore resettlement subsidy.

2. Policy objective and/or purpose of the subsidy  
To improve the living conditions of fishing population.
3. Background and authority for the subsidy  
Ministry of Finance, Ministry of Agriculture.
4. Legislation under which it is granted  
Fishery Law of the People's Republic of China (2013).
5. Form of the subsidy  
Financial appropriations.
6. To whom the subsidy is provided  
Eligible fisherman.
7. How the subsidy is provided  
Subsidy is provided for fisherman onshore resettlement.
8. Period covered by the notification (2015-2016)  
2015-2016
9. Duration of the subsidy and/or any other time-limits attached to it  
2014-present
10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
348.03	0

11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### **1.65 Aquatic improved breed subsidy**

1. Title of the subsidy programme  
Aquatic improved breed subsidy.
2. Policy objective and/or purpose of the subsidy  
To improve the quality of aquaculture species.
3. Background and authority for the subsidy  
Ministry of Finance, Ministry of Agriculture.
4. Legislation under which it is granted  
Fishery Law of the People's Republic of China (2013).

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible aquafarm for improved breeds.

7. How the subsidy is provided

Subsidy is provided to eligible aquafarm for improved breeds.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2014-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
92.6	100.00

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.66 Subsidy for scrapping old vehicles**1. Title of the subsidy programme

Subsidy for scrapping old vehicles.

2. Policy objective and/or purpose of the subsidy

To encourage replacing old vehicles.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Commerce.

4. Legislation under which it is granted

MOF Circular Cai Jian No.742 of 2002, MOF Circular Cai Jian No.183 of 2013, MOF Circular Cai Jian No.654 of 2014.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Owners of old vehicles eligible for the subsidy.

7. How the subsidy is provided

Vehicles owners will be subsidized when scrapping their old vehicles.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2002 - 2015

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
300.00	600.00

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.67 Fund for transportation energy conservation and emission reduction**1. Title of the subsidy programme

Fund for transportation energy conservation and emission reduction.

2. Policy objective and/or purpose of the subsidy

To promote energy conservation and emission reduction of the transportation sector.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Transport.

4. Legislation under which it is granted

MOF Circular Cai Jian No.374 of 2011, MOF Circular Cai Jian No.654 of 2014.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible enterprises and public institutions committed to energy conservation and emission reduction in road and water transportation sectors.

7. How the subsidy is provided

Rewards are provided by the fund. The amount is determined by the Ministry of Finance and Ministry of Transport according to the nature of the project, the amount of investment, the actual amount of energy saved and emission reduced, and the social benefits generated, etc.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2011- 2015

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
620.00	Not applicable

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.68 Subsidy for urban public buses**1. Title of the subsidy programme

Subsidy for urban public buses.

2. Policy objective and/or purpose of the subsidy

To accelerate the promotion and utilization of new energy vehicle, promote the energy conservation and emission reduction and structural adjustment in the public transport sector, and achieve its healthy and steady development.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Industry and Information Technology, Ministry of Transport.

4. Legislation under which it is granted

Cai Jian No.159 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Urban public buses.

7. How the subsidy is provided

Subsidy is provided for oil prices.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
Not available	34396.65

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.69 Support for new energy vehicle promotion and utilization**1. Title of the subsidy programme

Support for new energy vehicle promotion and utilization.

2. Policy objective and/or purpose of the subsidy

To promote the accelerated development of new energy vehicles.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Science and Technology, Ministry of Industry and Information Technology, National Development and Reform Commission.

4. Legislation under which it is granted

MOF Circular Cai Jian No.551 of 2013, Cai Jian No.134 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Pure electric vehicles, plug-in hybrid electric vehicles, and fuel cell vehicles listed in the Catalogue of Recommended Models of the Programme for New Energy Vehicle Promotion and Application Project.

7. How the subsidy is provided

Subsidies are provided to new energy vehicle producers for them to deduct the subsidies from the selling prices of their products.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2013-2015, and 2016-2020

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

Not available.

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.70 Fund for energy conservation and emission reduction by the civil aviation industry**1. Title of the subsidy programme

Fund for energy conservation and emission reduction by the civil aviation industry.

2. Policy objective and/or purpose of the subsidy

To promote environmental protection and energy conservation in the civil aviation industry.

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

MOF Circular Cai Jian No.10 of 2015, MOF Circular Cai Jian No.547 of 2012, Civil Aviation Administration of China Circular Han No.61 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Projects of technology renovation for energy conservation, energy saving management, energy conservation products, application of new energy, airway traffic optimization, airport facility development for waste and sewage treatment and etc.

7. How the subsidy is provided

The projects are supported by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

April 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
522.60	382.26

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.71 Fund for energy conservation and emission reduction**1. Title of the subsidy programme

Fund for energy conservation and emission reduction.

2. Policy objective and/or purpose of the subsidy

To promote energy conservation, raise the efficiency of energy use and protect the environment.

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

MOF Circular Cai Jian No.161 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Innovations in systems and mechanisms concerning energy conservation and emission reduction; development of energy conservation and emission reduction infrastructure and public platforms; energy conservation and emission reduction in key fields, industries and regions; demonstration, promotion, renovation and upgrading of key/priority energy conservation and emission reduction industries.

7. How the subsidy is provided

Support is provided by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

May 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
47,850	34,578.16

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.72 Shale gas development and utilization subsidy**1. Title of the subsidy programme

Shale gas development and utilization subsidy.

2. Policy objective and/or purpose of the subsidy

To adjust the energy structure and promote energy conservation and emission reduction.

3. Background and authority for the subsidy

Ministry of Finance, National Energy Administration.

4. Legislation under which it is granted

MOF Circular Cai Jian No.847 of 2012, MOF Circular Cai Jian No.112 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Shale gas exploitation enterprises.

7. How the subsidy is provided

Shale gas exploitation enterprises are granted subsidy at a rate of RMB 0.4 per cubic meter in 2015, and RMB 0.3 per cubic meter in 2016.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

1) 2012-2015, RMB 0.4 per cubic meter; 2) 2016-2018, RMB 0.3 per cubic meter.

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
2,871.70	1,563.62

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### **1.73 Subsidy for coalbed methane (gas) exploitation and utilization during the 13th five-year plan period**

1. Title of the subsidy programme

Subsidy for coalbed methane (gas) exploitation and utilization during the 13th five-year plan period.

2. Policy objective and/or purpose of the subsidy

To encourage the exploitation and utilization of coalbed methane (gas).

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

MOF Circular Cai Jian No.31 of 2016.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Exploitation enterprises of coalbed methane (gas).

7. How the subsidy is provided

Exploitation enterprises of coalbed methane (gas) are granted subsidy at a rate of RMB 0.3 per cubic meter.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2016-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
1,444.29	1,838.03

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.74 Fund for water pollution prevention and treatment**1. Title of the subsidy programme

Fund for water pollution prevention and treatment.

2. Policy objective and/or purpose of the subsidy

To strengthen the prevention and control of water pollution and to promote the protection of ecological environment.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Environmental Protection.

4. Legislation under which it is granted

MOF Circular Cai Jian No.226 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Water pollution prevention and treatment of key river basins; ecological protection of rivers and lakes with relatively better quality of water; environmental protection of the sources of drinking water; environmental protection and pollution restoration of underground water;

treatment of odorous water bodies in cities; protection and treatment of cross-border and cross-provincial water environment; experiment of integrated land, river and lake pollution treatment.

7. How the subsidy is provided

Support by way of rewards etc. is provided by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

July 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
121.5	131.00

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.75 Fund for air pollution prevention and control**

1. Title of the subsidy programme

Fund for air pollution prevention and control.

2. Policy objective and/or purpose of the subsidy

To improve the quality of atmospheric environment.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Environmental Protection.

4. Legislation under which it is granted

MOF Circular Cai Jian No.600 of 2016.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible enterprises and programmes assigned tasks of prevention and control of air pollutions.

7. How the subsidy is provided

Support is provided by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

August 2016-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
10,600	11,445.41

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.76 Fund for construction of sponge cities**1. Title of the subsidy programme

Fund for construction of sponge cities.

2. Policy objective and/or purpose of the subsidy

To restore urban water ecosystems, enhance cities' ability to prevent flooding, improve the quality of new urbanization and promote harmony between humankind and nature.

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

Guo Ban Fa No.75 of 2015.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Sponge city construction programmes.

7. How the subsidy is provided

Support is provided by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

October 2015-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
59.00	106.5

11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### 1.77 Fund for development of strategic emerging industries

1. Title of the subsidy programme

Fund for development of strategic emerging industries.

2. Policy objective and/or purpose of the subsidy

To promote breakthrough and industrialization of key technologies and achieve innovation-driven development.

3. Background and authority for the subsidy

Ministry of Finance, National Development and Reform Commission.

4. Legislation under which it is granted

MOF Circular Cai Jian No.1111 of 2012.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Projects in emerging industries.

7. How the subsidy is provided

Support is provided by the fund.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

December 2012-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
6,500.00	3,500.00

11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

**1.78 Fund for the development of international economic relations and trade**1. Title of the subsidy programme

Fund for the development of international economic relations and trade.

2. Policy objective and/or purpose of the subsidy

To improve the structure of international trade, promote international investment cooperation, and improve public services for international economic relations and trade.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Commerce.

4. Legislation under which it is granted

MOF Circular Cai Qi No.36 of 2014.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Eligible enterprises and institutions and related projects in less developed areas, developing trade in services and technology, engaging in investment and labour cooperation, providing such public services as business and investment information etc.

7. How the subsidy is provided

Ministry of Commerce together with Ministry of Finance will review applications and propose supporting plan. Ministry of Finance after approving the plan will allocate the fund directly or via the provincial-level financial departments.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2014-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
12,750	12,750

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.79 Reward for public-private partnership (PPP) projects**1. Title of the subsidy programme

Reward for public-private partnership (PPP) projects.

2. Policy objective and/or purpose of the subsidy

To promote standardized operations of PPP projects by way of reward.

3. Background and authority for the subsidy

Ministry of Finance.

4. Legislation under which it is granted

MOF Circular Cai Jin No.85 of 2016.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

New projects of the central-government PPP demonstration projects and eligible PPP projects from local governments.

7. How the subsidy is provided

Grants or rewards are provided to eligible PPP projects.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2018

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
Not applicable	259.58

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.80 Industrial transformation and upgrading fund**1. Title of the subsidy programme

Industrial transformation and upgrading fund.

2. Policy objective and/or purpose of the subsidy

To promote adjustment and upgrading of industrial structure.

3. Background and authority for the subsidy

Ministry of Finance, Ministry of Industry and Information Technology.

- 
4. Legislation under which it is granted  
MOF Circular Cai Jian No.567 of 2012.
  5. Form of the subsidy  
Financial appropriations.
  6. To whom the subsidy is provided  
Development of public service platforms, in-depth integration of information technology and industrialization, improvement of quality of industrial goods, development of industry standards, and development of SME services systems.
  7. How the subsidy is provided  
Support is provided by the fund.
  8. Period covered by the notification  
2015-2016
  9. Duration of the subsidy and/or any other time-limits attached to it  
2012-2015
  10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)  
Not available.
  11. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### **1.81 Reward and support fund for restructuring of industrial enterprises**

1. Title of the subsidy programme  
Reward and support fund for restructuring of industrial enterprises.
2. Policy objective and/or purpose of the subsidy  
To push steel and coal industries, among others, to dissolve excessive production capacity.
3. Background and authority for the subsidy  
Ministry of Finance.
4. Legislation under which it is granted  
MOF Circular Cai Jian No.253 of 2016.
5. Form of the subsidy  
Financial appropriations.

6. To whom the subsidy is provided

Projects dissolving excessive capacities in coal, steel and other industries.

7. How the subsidy is provided

The fund is allocated according to factors including excessive capacities dissolved, number of employees to be resettled and etc.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

May 2016-present

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
Not applicable	30,715.25

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**1.82 Fund for promotion of energy-saving products**1. Title of the subsidy programme

Fund for promotion of energy-saving products.

2. Policy objective and/or purpose of the subsidy

To support the promotion and utilization of efficient energy-saving products, and improve energy efficiency level for energy-using products.

3. Background and authority for the subsidy

Ministry of Finance, National Development and Reform Commission.

4. Legislation under which it is granted

MOF Circular Cai Jian No.213 of 2009.

5. Form of the subsidy

Financial appropriations.

6. To whom the subsidy is provided

Consumers purchasing the efficient energy-saving products.

7. How the subsidy is provided

Subsidies are given to producers of energy-saving products for them to deduct the subsidies from the selling prices of their products.

8. Period covered by the notification

2015-2016

9. Duration of the subsidy and/or any other time-limits attached to it

May 2009-February 2017

10. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy (amount unit: RMB 1 million)

2015	2016
188.54	11.82

11. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2 PROGRAMMES GRANTED OR MAINTAINED AT THE SUB-CENTRAL GOVERNMENT LEVEL****2.1 Fund in support of the construction of public charging facilities for new energy passenger cars**1. Title of the subsidy programme

Fund in support of the construction of public charging facilities for new energy passenger cars.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and new energy products.

4. Background and authority for the subsidy

The Beijing Municipality.

5. Legislation under which it is granted

Administrative Measures of Beijing Municipality on Investment in and Construction of Public Charging Facilities for New Energy Passenger Cars (Trial) (JingFaGaiGui [2015] No.2).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible construction organizations of public charging facilities are subsidized by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	9.09 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
December 2015 - 2017
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## **2.2 Fund in support of capacity building for new and professional farmers**

1. Title of the subsidy programme  
Fund in support of capacity building for new and professional farmers.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To accelerate the development of new and professional farmers and improve labor quality.
4. Background and authority for the subsidy  
The Fujian Province.
5. Legislation under which it is granted  
MinCaiZhi [2015] No.524, [2015] No.1328, [2016] No.876, MinCaiNongZhi [2016] No.162.
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible farmers.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

<b>2015</b>	<b>2016</b>
29.8 million RMB	27.8 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - 2016
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## **2.3 Fund for renovation of boilers and industrial furnaces**

1. Title of the subsidy programme  
Fund for renovation of boilers and industrial furnaces.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage enterprises' renovation of boilers and industrial furnaces to reduce pollutants and emissions.

4. Background and authority for the subsidy

Xiamen City of the Fujian Province.

5. Legislation under which it is granted

Administrative Measures of Xiamen City on the Fund for Renovation of Boilers and Industrial Furnaces (XiaFuBan [2015] No.222).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are rewarded by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
0	20.75 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

October 2015 - December 2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.4 Fund for ethnic minorities development**1. Title of the subsidy programme

Fund for ethnic minorities development.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve production and living conditions of ethnic minorities people as well as their labor skills.

4. Background and authority for the subsidy

The Hainan Province.

5. Legislation under which it is granted

Interim Administrative Measures of Hainan Province on Programmes under the Fund for Ethnic Minorities Development.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to ethnic minorities people and poverty alleviation programmes.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
15 million RMB	35 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.5 Fund for development of low-carbon manufacturing industry**1. Title of the subsidy programme

Fund for development of low-carbon manufacturing industry.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote development of low-carbon manufacturing industry in the province and strengthen environmental protection.

4. Background and authority for the subsidy

The Hainan Province.

5. Legislation under which it is granted

Interim Administrative Measures of Hainan Province on the Fund for Development of Low-carbon Manufacturing Industry (QiongFuBan [2016] No.209).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Interest subsidies are provided for loans of eligible enterprises in the low-carbon manufacturing industry.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	20 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
August 2016 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.6 Subsidy for early phase-out of yellow label vehicles

1. Title of the subsidy programme  
Subsidy for early phase-out of yellow label vehicles.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To improve the quality of atmospheric environment and strengthen the prevention and control of pollution from motor vehicles exhaust.
4. Background and authority for the subsidy  
The Hainan Province.
5. Legislation under which it is granted  
Public Announcement on Financial Subsidy for Early Phase-out of Yellow Label Vehicles in Hainan Province.
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Eligible owners of yellow-label vehicles are subsidized for early elimination of their yellow-label motor vehicles, which refer to those vehicles failing to meet certain emission criteria.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
200 million RMB	233.3 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - 2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.7 Fund for interest subsidy for loans in the forestry sector**1. Title of the subsidy programme

Fund for interest subsidy for loans in the forestry sector.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the restructuring of the forestry sector.

4. Background and authority for the subsidy

The Henan Province.

5. Legislation under which it is granted

Implementing Rules of Henan Province on the Fund for Interest Subsidy for Loans in the Forestry Sector (YuCaiNong [2011] No.177).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Interest subsidies are provided for loans of eligible forest enterprises or farms, natural reserves, forest parks, and forestry workers and households.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
11 million RMB	1.66 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

August 2011 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.8 Fund for prevention and control of atmospheric pollution**1. Title of the subsidy programme

Fund for prevention and control of atmospheric pollution.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the quality of atmospheric environment.

4. Background and authority for the subsidy

Xinxiang City of the Henan Province.

5. Legislation under which it is granted

The 2016 Reward and Subsidy Scheme of the Fund for Prevention and Control of Atmospheric Pollution of the Xinxiang City (XinZhengWen [2016] No.49).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises and programmes in prevention and control of pollutions are rewarded by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	60 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

## 2.9 Fund for environmental protection

1. Title of the subsidy programme

Fund for environmental protection.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote pollution control, ecological development and construction of a system to reduce pollutants and emissions.

4. Background and authority for the subsidy

Jiaozuo city of the Henan Province.

5. Legislation under which it is granted

Notice on the 2016 Budget for the Fund for Environmental Protection (JiaoCaiYu [2016] No.189).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to enterprises and programmes for environmental protection purposes.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	49.79 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.10 Fund for prevention and control of atmospheric pollution**1. Title of the subsidy programme

Fund for prevention and control of atmospheric pollution.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To prevent and control atmospheric pollution.

4. Background and authority for the subsidy

Jiaozuo city of the Henan Province.

5. Legislation under which it is granted

Notice on the 2015 Budget for the Fund for Prevention and Control of Atmospheric Pollution (JiaoCaiYu [2015] No.426); Notice on the 2016 Budget for the Fund for Prevention and Control of Atmospheric Pollution (JiaoCaiYu [2016] No.97).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to enterprises and programmes in prevention and control of pollutions.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
60 million RMB	30 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - 2016
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### 2.11 Fund for development of forestry

1. Title of the subsidy programme  
Fund for development of forestry.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To accelerate development of forestry and establish ecological forestry in urban areas.
4. Background and authority for the subsidy  
Zhengzhou city of the Henan Province.
5. Legislation under which it is granted  
Administrative Measures of Zhengzhou City on the Fund for Development of Forestry (ZhengCaiNong [2016] No.35).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible forest enterprises, public entities, cooperatives and households etc. in forestry.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	17.14 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
September 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.12 Fund for development of economy with local features in impoverished mountainous areas**1. Title of the subsidy programme

Fund for development of economy with local features in impoverished mountainous areas.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate economic development in impoverished mountainous areas by promoting local characteristics, so as to increase the income of the poverty-stricken population.

4. Background and authority for the subsidy

Zhengzhou city of the Henan Province.

5. Legislation under which it is granted

Administrative Measures of Zhengzhou City on the Fund for Development of Economy with Local Features in Impoverished Mountainous Areas (ZhengCaiNong [2016] No.3).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to impoverished mountainous areas with certain ecological and resource advantages where poverty-stricken populations are relatively concentrated.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	130 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

February 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.13 Fund for research and development of applicative technologies**1. Title of the subsidy programme

Fund for research and development of applicative technologies.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

Luoyang city of the Henan Province.

5. Legislation under which it is granted

Administrative Measures of Luoyang City on the Fund for Research and Development of Applicative Technologies and its Supplementary Provisions (LuoCaiGong [2016] No.6).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible science and technology programmes are subsidized for compensation of risks.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	86.9 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

January 2016 - December 2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.14 Disaster relief fund for agriculture**1. Title of the subsidy programme

Disaster relief fund for agriculture.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote post-disaster agricultural production and reduce the impact of disasters.

4. Background and authority for the subsidy

Nanyang City of the Henan Province.

5. Legislation under which it is granted

Notice on the Disaster Relief Fund for Agriculture (WanCaiYu [2015] No.354).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Farmers in disaster-hit areas are subsidized.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
2 million RMB	Not applicable

9. Duration of the subsidy and/or any other time-limits attached to it

2015

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.15 Fund for poverty alleviation**1. Title of the subsidy programme

Fund for poverty alleviation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the production and living conditions of poverty-stricken populations.

4. Background and authority for the subsidy

The Hunan Province.

5. Legislation under which it is granted

Administrative Measures of Hunan Province on the Fund for Poverty Alleviation (XiangCaiNong [2012] No.26).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Rural poverty-stricken households and populations within the Hunan Province are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
820 million RMB	2,520 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2012 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.16 Fund for environmental protection

1. Title of the subsidy programme  
Fund for environmental protection.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote reduction of pollutants and emissions across the province and improve quality of the environment.
4. Background and authority for the subsidy  
The Hunan Province.
5. Legislation under which it is granted  
Notice of Hunan Province on 2017 Project Application for the Fund for Environmental Protection (XiangHuanHan [2016] No.502).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible projects for water, air, soil pollution prevention and control.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	100 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2016-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.17 Fund for development of emerging industries**1. Title of the subsidy programme

Fund for development of emerging industries.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote development of emerging industries for industrial transformation and upgrading.

4. Background and authority for the subsidy

Nanjing City of the Jiangsu Province.

5. Legislation under which it is granted

Administrative Measures of Nanjing City on the Fund for Development of Emerging Industries (NingJingXinGui [2015] No.2, NingCaiQi [2015] No.997).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Interest subsidies are provided for loans of eligible projects of emerging industries.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
261.5 million RMB	268.93 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.18 Fund for transformation and upgrading of industry and information technology**1. Title of the subsidy programme

Fund for transformation and upgrading of industry and information technology.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To speed up economic development in towns and villages.

4. Background and authority for the subsidy

Yancheng City of the Jiangsu Province.

5. Legislation under which it is granted

Administrative Measures of Yancheng City on the Fund for Transformation and Upgrading of Industry and Information Technology (YanJingXinZhongXiaoGaiGe [2015] No.152; YanCaiGongMao [2015] No.31).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Interest subsidies are provided for loans of eligible enterprises in town and village industrial parks registered within last three years.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	440 thousand RMB

9. Duration of the subsidy and/or any other time-limits attached to it

November 2015 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.19 Subsidy for promotion of photovoltaic power generation**1. Title of the subsidy programme

Subsidy for promotion of photovoltaic power generation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To facilitate the construction of a low-carbon eco-city.

4. Background and authority for the subsidy

Zhenjiang City of the Jiangsu Province.

5. Legislation under which it is granted

Implementing Measures on Promoting "Golden Roof" Project in the Zhenjiang City (ZhenZhengBanFa [2016] No.178).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

A subsidy of RMB 0.1/kWh is granted to eligible rooftop distributed photovoltaic power generation projects of government agencies, public entities and enterprises, and a subsidy of RMB 0.3/kWh is granted to eligible rooftop distributed photovoltaic power generation projects of residents.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

October 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.20 Fund for capacity building of new and professional farmers**1. Title of the subsidy programme

Fund for capacity building of new and professional farmers.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve capacities of new and professional farmers.

4. Background and authority for the subsidy

The Liaoning Province.

5. Legislation under which it is granted

The 2015 Implementation Scheme of the Capacity Building Programme for New and Professional Farmers of Liaoning Province (Liaonongke [2015] No.173).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies are provided to professional farmers for participation in training activities.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
31.55 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.21 Fund for environmental protection

1. Title of the subsidy programme  
Fund for environmental protection.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote pollution prevention and control and improve environment quality.
4. Background and authority for the subsidy  
The Liaoning Province.
5. Legislation under which it is granted  
Administrative Measures of Liaoning Province on the Provincial Level Fund for Environmental Protection (LiaoCaiJing [2015] No.273).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible pollution prevention and control programmes.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Statistics not available	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it  
May 2015 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.22 Rewards for transformation of scientific and technology achievements

1. Title of the subsidy programme

Rewards for transformation of scientific and technology achievements.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To stimulate innovation spirit and entrepreneurship of scientific and technology personnel, and promote transformation and transfer of scientific and technology achievements.

4. Background and authority for the subsidy

The Liaoning Province.

5. Legislation under which it is granted

Notice of Liaoning Province on Further Promoting the Transformation and Transfer of Scientific and Technology Achievements (LiaoZhengFa [2016] No.34).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible scientific research institutions, higher education institutions and personnel are rewarded by the programme.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

April 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

## 2.23 Fund for construction of sponge cities

1. Title of the subsidy programme

Fund for construction of sponge cities.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To build sponge cities and reduce the impact of urban construction and development on ecological environment.

4. Background and authority for the subsidy

The Liaoning Province.

5. Legislation under which it is granted

Implementing Measures on Promoting the Construction of Sponge Cities (LiaoZhengBanFa [2016] No.10).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Sponge city construction programmes are rewarded or subsidized by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

January 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.24 Fund for development of recycling economy**1. Title of the subsidy programme

Fund for development of recycling economy.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To facilitate the development of recycling economy, accelerate industrial restructuring, economic transformation and upgrading, promote energy saving, emission reduction and ecological improvement.

4. Background and authority for the subsidy

Dalian City of the Liaoning Province.

5. Legislation under which it is granted

Interim Administrative Measures of Dalian City on the Fund for Development of Recycling Economy (DaCaiQi [2015] No.448).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible recycling economy programmes are subsidized by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
5.36 million RMB	Not applicable

9. Duration of the subsidy and/or any other time-limits attached to it

June 2015 - December 2015

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.25 Subsidy for purchase of pure electric passenger vehicles**1. Title of the subsidy programme

Subsidy for purchase of pure electric passenger vehicles.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and environmental protection.

4. Background and authority for the subsidy

Dalian City of the Liaoning Province.

5. Legislation under which it is granted

Notice on Adjustment to the Subsidy for Purchase of Pure Electric Passenger Vehicles (DaZhengBanFa [2015] No.86).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies are provided for purchase of eligible new energy passenger vehicles, plug-in hybrid passenger vehicles, pure electric special vehicles and passenger vehicles, and fuel-cell vehicles.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
397 million RMB	Not applicable

9. Duration of the subsidy and/or any other time-limits attached to it

July 2015 - December 2015

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

## 2.26 Fund in support of micro and small enterprises

1. Title of the subsidy programme

Fund in support of micro and small enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote healthy development of micro and small enterprises.

4. Background and authority for the subsidy

The Shandong Province.

5. Legislation under which it is granted

Administrative Measures of Shandong Province on the Fund in Support of Micro and Small Enterprises Upgrading into High-tech Enterprises (LuCaiJiao [2016] No.59).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

A one-off grant of RMB 100,000 is provided to research and development activities of enterprises with less than 300 employees and sales revenue of less than RMB 50 million.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	46.5 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016 - 2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.27 Fund for research and development of enterprises**1. Title of the subsidy programme

Fund for research and development of enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage technology innovation.

4. Background and authority for the subsidy

The Shandong Province.

5. Legislation under which it is granted

Interim Administrative Measures of Shandong Province on the Fund for Research and Development of Enterprises (LuCaiJiao [2016] No.80).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are subsidized by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	199.95 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016 - 2018

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.28 Fund for technical renovation of industrial enterprises**1. Title of the subsidy programme

Fund for technical renovation of industrial enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote technical renovation of industrial enterprises.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Administrative Measures of Tianjin Municipality on the Fund for Technical Renovation of Industrial Enterprises (JinCaiJianYi [2013] No.11).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible technical renovation projects of industrial enterprises are supported with interest subsidies for their loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
210 million RMB	210 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2013 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.29 Fund for development of industrial enterprises**1. Title of the subsidy programme

Fund for development of industrial enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To support the development of industrial enterprises.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Tianjin Municipality on the Fund for the Development of Industrial Enterprises (JinCaiJianYi [2015] No.28).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to enterprises for industrial internet and information consumption etc.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
60 million RMB	60 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015 - 2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.30 Fund for safe production**1. Title of the subsidy programme

Fund for safe production.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the capacity of safe production.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Tianjin Municipality on the Fund for Safe Production (JinCaiJianYi [2016] No.35).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to projects of the construction of safe production system, the publicity, education and training of safe production, the control of major hidden dangers and the infrastructure development for public safety purposes in the Tianjin Municipality.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
100 million RMB	100 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - 2021
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### 2.31 Fund supporting public listing of enterprises

1. Title of the subsidy programme  
Fund supporting public listing of enterprises.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote industrial restructuring.
4. Background and authority for the subsidy  
The Tianjin Municipality.
5. Legislation under which it is granted  
Interim Administrative Measures of Tianjin Municipality on the Fund Supporting Public Listing of Enterprises (JinCaiJianYi [2015] No.26).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible enterprises going public.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
40 million RMB	40 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015 - 2017
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

**2.32 Fund for energy conservation**1. Title of the subsidy programme

Fund for energy conservation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the energy efficiencies of enterprises.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Administrative Measures of Tianjin Municipality on the Fund for Energy Conservation (JinCaiQi [2007] No.28).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Projects of energy conservation, consumption reduction and in related fields are supported with interest subsidies for loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
50 million RMB	50 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2007 - 2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.33 Fund for development of recycling economy**1. Title of the subsidy programme

Fund for development of recycling economy.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To support recycling economy projects.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Administrative Measures of Tianjin Municipality on the Fund for Development of Recycling Economy (JinCaiJianYi [2013] No.17).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible projects and enterprises promoting the development of recycling economy are supported with interest subsidies for their loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
10.7 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2013-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.34 Fund for the industrialization of high and new technologies**1. Title of the subsidy programme

Fund for the industrialization of high and new technologies.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the transformation of scientific and technology achievements and facilitate the development of high and new technology industry.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Tianjin Municipality on the Programme of Industrialization of High and New Technologies (JinFaGaiGaoJi [2016] No.375).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies are provided to eligible projects of industrialization of scientific and technology innovations and achievements.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
30 million RMB	30 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.35 Fund for the processing of aquatic products**1. Title of the subsidy programme

Fund for the processing of aquatic products.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the processing level of aquatic products.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Tianjin Municipality on the Programme and Fund for Processing of the Aquatic Products Caught and Carried Back by Ocean Fishery Enterprises (JinNongWeiJiCai [2015] No.13, JinCaiNongLian [2015] No.63).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible fishery enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
2 million RMB	1.4 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
May 2015 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### **2.36 Fund in support of farmers' cooperatives**

1. Title of the subsidy programme  
Fund in support of farmers' cooperatives.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To accelerate agricultural and rural modernization.
4. Background and authority for the subsidy  
The Tianjin Municipality.
5. Legislation under which it is granted  
Administrative Measures of Tianjin Municipality on the Programme and Fund in Support of Farmers' Cooperatives (JinNongWeiJiCai [2016] No.18).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Eligible farmers' cooperatives are supported by the fund.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
20 million RMB	20 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
April 2016 - present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### **2.37 Fund for recycling residual films from farmland**

1. Title of the subsidy programme  
Fund for recycling residual films from farmland.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve agricultural production and ecological environment.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Administrative Measures of Tianjin Municipality on the Pilot Programme and Fund for Recycling Residual Films from Farmland (JinNongWeiJiCai [2016] No.111).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Farmers and households recovering residual agricultural films, entities of scale agricultural operations and agricultural cooperatives engaged in residual film recovery, storage and transportation are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not Applicable	3 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.38 Fund in support of leading fishery enterprises**1. Title of the subsidy programme

Fund in support of leading fishery enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate agricultural modernization.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Administrative Measures of Tianjin Municipality on the Pilot Programme and Fund in support of the Growth of Leading Fishery Enterprises (JinNongWeiJiCai [2016] No.81).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Leading fishery enterprises are rewarded by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
90 million RMB	23.4 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.39 Fund for demand-side management of the electric power**1. Title of the subsidy programme

Fund for demand-side management of the electric power.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and environmental protection.

4. Background and authority for the subsidy

The Tianjin Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Tianjin Municipality on the Fund for Demand-side Management of the Electric Power (JinCaiJianYi [2011] No.18).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to projects related to research, development and promotion of energy conservation technologies.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
20 million RMB	20 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2011- present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### 2.40 Reward and support fund for dissolving overcapacity

1. Title of the subsidy programme  
Reward and support fund for dissolving overcapacity.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To facilitate dissolving overcapacity in iron and steel, coal and cement industries.
4. Background and authority for the subsidy  
Lincang City of the Yunnan Province.
5. Legislation under which it is granted  
Implementation Measures of Lincang City on the Reward and Support Fund for Dissolving Overcapacity (LinCaiChanYeLianFa [2016] No.61).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to employees relocated in the course of dissolving overcapacity.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	6.46 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
September 2016-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

**2.41 Fund for the development of maker spaces**1. Title of the subsidy programme

Fund for the development of maker spaces.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the healthy development of new-type service platforms for entrepreneurship.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Implementing Rules on Supporting the Development of Maker Spaces with the Funding of Hebei Province (JiCaiJiao [2016] No.138).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants and rewards are provided to recognized maker spaces.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	10 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2018

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.42 Fund supporting the scientific and technology innovation and entrepreneurship of university students**1. Title of the subsidy programme

Fund supporting the scientific and technology innovation and entrepreneurship of university students.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To support university students' entrepreneurship and promote the development of maker spaces across the province.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

The Implementation Scheme of Hebei Province on Supporting the Scientific and Technology Innovation and Entrepreneurship of University Students (Trial) (JiCaiJiao [2016] No.141).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to innovation and entrepreneurship projects carried out in the maker spaces of the pilot cities for university students' innovation and entrepreneurship.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	0

9. Duration of the subsidy and/or any other time-limits attached to it

October 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.43 Fund for energy conservation of buildings**1. Title of the subsidy programme

Fund for energy conservation of buildings.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Interim Administrative Measures of Hebei Province on the Fund for Energy Conservation of Buildings (JiCaiJian [2015] No.88).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible projects of energy conservation of buildings.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
55 million RMB	55 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2018

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.44 Fund for prevention and control of atmospheric pollution**1. Title of the subsidy programme

Fund for prevention and control of atmospheric pollution.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To control atmospheric pollution.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Interim Administrative Measures of Hebei Province on the Fund for Prevention and Control of Atmospheric Pollution (Trial) (JiCaiJian [2014] No.258).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible projects of atmospheric pollution control.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
62.79 million RMB	0

9. Duration of the subsidy and/or any other time-limits attached to it  
2014-2016
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### **2.45 Reward and support for dissolving overcapacity in coal industry**

1. Title of the subsidy programme  
Reward and support for dissolving overcapacity in coal industry.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To facilitate dissolving overcapacity in the coal industry.
4. Background and authority for the subsidy  
The Hebei Province.
5. Legislation under which it is granted  
Reward and Support Measures of Hebei Province on Dissolving Overcapacity in Coal Industry (JiFaGaiNengYuan [2016] No.1397).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants or rewards are provided to eligible coal mines.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
119 million RMB	0

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2016
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### **2.46 Fund for technology innovation of science and technology SMEs**

1. Title of the subsidy programme  
Fund for technology innovation of science and technology SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Administrative Measures of Hebei Province on the Fund for Technology Innovation of Science and Technology SMEs (JiCaiJiao [2015] No.11).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Recognized science and technology SMEs are supported with interest subsidies for their loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
95 million RMB	94.2 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.47 Fund for the innovation and development of science and technology SMEs**1. Title of the subsidy programme

Fund for the innovation and development of science and technology SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Supporting Measures of the Funding of Hebei Province for the Innovation and Development of Science and Technology SMEs (JiCaiJiao [2015] No.112).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants or rewards are provided to eligible science and technology SMEs.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
7 million RMB	0

9. Duration of the subsidy and/or any other time-limits attached to it

July 2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.48 Fund in support of scientific and technology innovation**1. Title of the subsidy programme

Fund in support of scientific and technology innovation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage the development of science and technology SMEs.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Implementing Rules of Hebei Province on Encouraging Cities and Countries' Input in and Outputs from Science and Technology (JiCaiJiao [2015] No.175).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Science and technology SMEs, construction of platforms for science and technology innovation and entrepreneurship, and high-end science and technology talents are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	80 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
December 2015-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### 2.49 Fund rewarding public listing of enterprises

1. Title of the subsidy programme  
Fund rewarding public listing of enterprises.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote industrial restructuring.
4. Background and authority for the subsidy  
The Hebei Province.
5. Legislation under which it is granted  
Administrative Measures of Hebei Province on the Fund Rewarding Public Listing of Enterprises (JiCaiJin [2015] No.32).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Enterprises listed in main board or growth enterprise markets both at home and abroad, in National Equities Exchange and Quotations, or in Shijiazhuang Equity Exchange are rewarded by the fund.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
100 million RMB	135 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.50 Fund rewarding modern agricultural science and technology**1. Title of the subsidy programme

Fund rewarding modern agricultural science and technology.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To strengthen the research, promotion and application of modern agricultural science and technology.

4. Background and authority for the subsidy

The Hebei Province.

5. Legislation under which it is granted

Administrative Measures of Hebei Province on the Fund Rewarding Modern Agricultural Science and Technology (JiCaiJiao [2014] No.67).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises, scientific research institutions, higher education institutions etc. are rewarded by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
25 million RMB	25 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2014-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.51 Fund for scientific research for social development**1. Title of the subsidy programme

Fund for scientific research for social development.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the capacity of science and technology innovation.

4. Background and authority for the subsidy

Hangzhou City of Zhejiang Province.

5. Legislation under which it is granted

Administrative Measures of Hangzhou City on the Fund for Scientific Research for Social Development (HangKeNong [2015] No.118).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible enterprises engaged in scientific research for social development.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
23.43 million RMB	20.12 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2018

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.52 Fund for science and technology innovation projects**1. Title of the subsidy programme

Fund for science and technology innovation projects.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technological innovation.

4. Background and authority for the subsidy

Hangzhou City of the Zhejiang Province.

5. Legislation under which it is granted

Administrative Measures of Hangzhou City on the Fund for Major Science and Technology Innovation Projects (HangKeJi [2016] No.137).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible science and technology innovation projects of enterprises.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	27.6 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.53 Fund to foster start-up science and technology enterprises**1. Title of the subsidy programme

Fund to foster start-up science and technology enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To optimize the industrial structure.

4. Background and authority for the subsidy

Hangzhou City of the Zhejiang Province.

5. Legislation under which it is granted

Programme of Hangzhou City to Foster Start-up Science and Technology Enterprises (HangKeGao [2015] No.79).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible start-up science and technology enterprises are supported with interest subsidies for their loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
57.82 million RMB	57.82 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2017
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.54 Fund for agricultural scientific research

1. Title of the subsidy programme  
Fund for agricultural scientific research.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote the development of modern agriculture.
4. Background and authority for the subsidy  
Hangzhou City of the Zhejiang Province.
5. Legislation under which it is granted  
Administrative Measures of Hangzhou City on the Fund for Agricultural Scientific Research (HangKeNong [2015] No.117).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to eligible enterprises for agricultural scientific research projects.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
24.43 million RMB	13.22 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2018
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

### 2.55 Fund for product quality improvement

1. Title of the subsidy programme

Fund for product quality improvement.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve product quality.

4. Background and authority for the subsidy

Wenzhou City of the Zhejiang Province.

5. Legislation under which it is granted

Interim Administrative Measures of Wenzhou City on the Fund for Product Quality Improvement (WenCaiQi [2015] No.424).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Enterprises winning the Mayor's Quality Reward of Wenzhou City will each be rewarded RMB 500,000. Enterprises entitled demonstration of national famous brand will each be supported with a one-off grant of RMB 300,000. Enterprises entitled regional famous brand of Zhejiang Province will each be supported with a one-off grant of RMB 200,000. Enterprises entitled demonstration of high-quality product manufacturing of Wenzhou City will each be supported with a one-off grant of RMB 100,000. Enterprises taking the lead in formulating standards of "Made in Zhejiang" and recognized as a Made in Zhejiang brand will each be supported with a one-off grant of RMB 300,000.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1.5 million RMB	1.7 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

### 2.56 Fund in support of engineering (technology) centers of enterprise

1. Title of the subsidy programme

Fund in support of engineering (technology) centers of enterprise.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage research and development innovation.

4. Background and authority for the subsidy

Ningbo City (Zhenhai District) of the Zhejiang Province.

5. Legislation under which it is granted

Administrative Measures of Zhenghai District on Determination of Enterprise Engineering (Technology) Centers.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Recognized engineering (technology) centers of enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1.3 million RMB	1.37 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.57 Fund for promotion of industrial restructuring**1. Title of the subsidy programme

Fund for promotion of industrial restructuring.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate industrial restructuring.

4. Background and authority for the subsidy

Ningbo City (Beilun District) of the Zhejiang Province.

5. Legislation under which it is granted

Policies of Beilun District (Development Zone) on the Fund for Promotion of Industrial Restructuring (LunZheng [2015] No.38).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
16.38 million RMB	0

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.58 Fund for education of new and professional farmers**1. Title of the subsidy programme

Fund for education of new and professional farmers.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve capacity of new and professional farmers and agricultural entities.

4. Background and authority for the subsidy

The Jilin Province.

5. Legislation under which it is granted

The 2016 Implementation Scheme of the Capacity Building Programme for New and Professional Farmers of Jilin Province (JiNongKeFa [2016] No.5).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies are provided to professional farmers for capacity building activities.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	8 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2016
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.59 Fund for energy conservation, emission reduction and ecological protection

1. Title of the subsidy programme  
Fund for energy conservation, emission reduction and ecological protection.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote energy conservation, emission reduction, ecological protection and etc.
4. Background and authority for the subsidy  
The Jilin Province.
5. Legislation under which it is granted  
Administrative Measures of Jilin Province on the Fund for Energy Conservation, Emission Reduction and Ecological Protection (JiCaiJian [2016] No.470).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Projects in the fields of energy conservation and emission reduction, development of recycling economy and tackling of climate change etc. are supported with interest subsidies for their loans or with grants.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	100 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
June 2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.60 Fund for pollution prevention and control and environmental monitoring and supervision**1. Title of the subsidy programme

Fund for pollution prevention and control and environmental monitoring and supervision.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To strengthen ecological construction and improve environmental supervision capabilities.

4. Background and authority for the subsidy

The Jilin Province.

5. Legislation under which it is granted

Administrative Measures of Jilin Province on the Fund for Pollution Prevention and Control and Environmental Monitoring and Supervision (JiCaiJian [2016] No.474).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Ecological projects in the fields of air and water pollution prevention and control etc. are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	243 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

June 2016 - present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.61 Reward for public-private partnership (PPP) projects**1. Title of the subsidy programme

Reward for public-private partnership (PPP) projects.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage the development of private economy.

4. Background and authority for the subsidy

The Shannxi Province.

5. Legislation under which it is granted

Implementation Measures of Shaanxi Province on Reward for Public-Private Partnership (PPP) Projects (ShaanCaiBanJin [2015] No.87).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants or rewards are provided to eligible PPP projects.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
38.3 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.62 Reward fund for reduction of total amount of major pollutants**1. Title of the subsidy programme

Reward fund for reduction of total amount of major pollutants.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and reduction of emissions and pollutants.

4. Background and authority for the subsidy

The Hubei Province.

5. Legislation under which it is granted

Administrative Measures of Hubei Province on the Reward Fund for Reduction of Total Amount of Major Pollutants (ErCaiJian [2014] No.7).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Rewards are provided to eligible enterprises reducing emissions and pollutants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
200 million RMB	200 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

November 2014-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.63 Fund supporting public listing of enterprises**1. Title of the subsidy programme

Fund supporting public listing of enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate industrial restructuring.

4. Background and authority for the subsidy

The Ningxia Hui Autonomous Region.

5. Legislation under which it is granted

Policies of the Ningxia Hui Autonomous Region on Accelerating the Construction of Capital Market (NingZhengFa [2014] No.59).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Enterprises listed in National Equities Exchange and Quotations are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
13.25 million RMB	2.55 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.64 Fund for projects of new-type industrialization development

1. Title of the subsidy programme  
Fund for projects of new-type industrialization development.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To promote the energy conservation and emission reduction of enterprises.
4. Background and authority for the subsidy  
The Ningxia Hui Autonomous Region.
5. Legislation under which it is granted  
The 2015 Implementation Scheme of the Fund for Projects of New-type Industrialization Development of Ningxia Hui Autonomous Region (NingJingXinGuiHuaFa [2015] No.123), Interim Administrative Measures of Ningxia Hui Autonomous Region on the Fund for New-type Industrialization Development (NingCaiQiFa [2016] No.242).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Eligible enterprises are supported by the fund.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
400 million RMB	438 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.65 Fund for the development of SMEs and non-public economy**1. Title of the subsidy programme

Fund for the development of SMEs and non-public economy.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the development of SMEs and non-public enterprises.

4. Background and authority for the subsidy

The Ningxia Hui Autonomous Region.

5. Legislation under which it is granted

The 2015 Implementation Scheme of the Fund for Development of SMEs and Non-Public Economy of Ningxia Hui Autonomous Region (NingJingXinFeiGongFa [2015] No.67).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
30.45 million RMB	50 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.66 Fund for gas control and safety technology renovation of coal mines**1. Title of the subsidy programme

Fund for gas control and safety technology renovation of coal mines.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve safe production capabilities of coal mines.

4. Background and authority for the subsidy

The Ningxia Hui Autonomous Region.

5. Legislation under which it is granted

Administrative Measures of Ningxia Hui Autonomous Region on the Fund for Gas Control and Safety Technology Renovation of Coal Mines (NingCaiQiFa [2010] No.628).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises and units are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
3.93 million RMB	0

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.67 Reward and support fund for dissolving overcapacity in coal**1. Title of the subsidy programme

Reward and support fund for dissolving overcapacity in coal.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate closure and withdrawal of coal mines to dissolve overcapacity in coal, and to optimize the structure of the coal industry.

4. Background and authority for the subsidy

The Ningxia Hui Autonomous Region.

5. Legislation under which it is granted

Implementing Rules of Ningxia Hui Autonomous Region on the Reward and Support Fund for Dissolving Overcapacity in Iron and Steel and Coal Industries (NingCaiQiFa [2016] No.740).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises and units are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	38.98 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.68 Subsidy for marketing new energy vehicles**1. Title of the subsidy programme

Subsidy for marketing new energy vehicles.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and environmental protection.

4. Background and authority for the subsidy

The Shanxi Province.

5. Legislation under which it is granted

Implementation Measures of Shanxi Province on Accelerating Development and Promotion of Electric Vehicle Industry (JinZhengBanFa [2015] No.115).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies for marketing new energy vehicles are provided to new energy vehicle production enterprises.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
5.22 million RMB	117.17 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2020
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## **2.69 Reward and support fund for ultra-low emission renovation of coal-fired power units**

1. Title of the subsidy programme  
Reward and support fund for ultra-low emission renovation of coal-fired power units.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To prevent and control atmospheric pollution and promote environmental protection.
4. Background and authority for the subsidy  
The Shanxi Province.
5. Legislation under which it is granted  
Implementation Measures of Shanxi Province on Promoting Ultra-low Emission of Coal-Fired Power Units (JinZhengBanFa [2014] No.62).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Rewards are provided to power enterprises that implement ultra-low emission renovation on existing coal-fired power units of 300 thousand or above kilowatts.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	746.2 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2016-2018

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.70 Fund for the development of SMEs**1. Title of the subsidy programme

Fund for the development of SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the development environment of SMEs and stimulate the vitalities and creativities of SMEs.

4. Background and authority for the subsidy

The Guangxi Zhuang Autonomous Region.

5. Legislation under which it is granted

Administrative Measures of Guangxi Zhuang Autonomous Region on the Fund for the Development of SMEs (GuiCaiGongJiao [2016] No.81).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible SMEs are supported with interest subsidies for their loans or with grants or rewards.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	76 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

November 2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.71 Fund for energy conservation**1. Title of the subsidy programme

Fund for energy conservation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy saving technology renovation, recycling economy, clean production and closing down of outdated production facilities.

4. Background and authority for the subsidy

The Guangxi Zhuang Autonomous Region.

5. Legislation under which it is granted

Administrative Measures of Guangxi Zhuang Autonomous Region on the Fund for Energy Conservation (GuiCaiGongJiao [2016] No.82).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants or rewards are provided to eligible energy conservation and emission reduction projects.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	120 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

November 2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

## **2.72 Fund for the transformation of scientific and technology achievements purchased by enterprises**

1. Title of the subsidy programme

Fund for the transformation of scientific and technology achievements purchased by enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

The Guangxi Zhuang Autonomous Region.

5. Legislation under which it is granted

Interim Administrative Measures of Guangxi Zhuang Autonomous Region on the Fund for the Transformation of Scientific and Technology Achievements Purchased by Enterprises (GuiKeChengZi [2016] No.71).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises purchasing scientific and technology achievements are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	0

9. Duration of the subsidy and/or any other time-limits attached to it

December 2016-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.73 Fund for agroforestry resources and ecological protection**1. Title of the subsidy programme

Fund for agroforestry resources and ecological protection.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote agricultural ecological protection and resource conservation.

4. Background and authority for the subsidy

The Guangxi Zhuang Autonomous Region.

5. Legislation under which it is granted

Interim Administrative Measures of Guangxi Zhuang Autonomous Region on the Fund for Agroforestry Resources and Ecological Protection (GuiCaiNong [2016] No.251).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants or rewards are provided to eligible projects of ecological and resources protection.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it  
December 2016-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.74 Disaster relief fund for agriculture

1. Title of the subsidy programme  
Disaster relief fund for agriculture.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To improve the disaster resistance and relief capabilities of agriculture and reduce the losses.
4. Background and authority for the subsidy  
The Guangxi Zhuang Autonomous Region.
5. Legislation under which it is granted  
Administrative Measures of Guangxi Zhuang Autonomous Region on the Disaster Relief Fund for Agriculture (GuiCaiNong [2016] No.275).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Grants are provided to agricultural producers performing agricultural disaster prevention and control tasks or having suffered from agricultural disasters and losses.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	123.22 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.75 Fund for construction of public service platforms for international economic relations and trade**1. Title of the subsidy programme

Fund for construction of public service platforms for international economic relations and trade.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote services for trade development and economic restructuring.

4. Background and authority for the subsidy

The Chongqing Municipality.

5. Legislation under which it is granted

Interim Administrative Measures of Chongqing Municipality on the Fund for construction of Public Service Platforms for International Economic Relations and Trade (YuWaiJingMaoFa [2015] No.87).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises building platforms are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
17.25 million RMB	55.22 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

August 2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.76 Fund in support of recognition of public service demonstration platforms for SMEs**1. Title of the subsidy programme

Fund in support of recognition of public service demonstration platforms for SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the development of micro, small and medium-sized enterprises.

4. Background and authority for the subsidy

Nanchang City of the Jiangxi Province.

5. Legislation under which it is granted

Implementation Measures of Nanchang City on the Fund in Support of Recognition of Public Service Demonstration Platforms for SMEs (2015-2017) (HongGongXinFa [2016] No.138).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Recognized public service demonstration platforms for micro, small and medium-sized enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
3.6 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.77 Fund in support of recognition and operation of entrepreneurial bases for small enterprises**1. Title of the subsidy programme

Fund in support of recognition and operation of entrepreneurial bases for small enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate industrial restructuring.

4. Background and authority for the subsidy

Nanchang City of the Jiangxi Province.

5. Legislation under which it is granted

Administrative Measures of Nanchang City on the Fund in Support of Recognition and Operation of Entrepreneurial Bases for Small Enterprises (HongGongXinFa [2016] No.136).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Recognized entrepreneurial bases for small enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1.2 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.78 Fund for water and soil conservation**1. Title of the subsidy programme

Fund for water and soil conservation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To prevent water loss and soil erosion.

4. Background and authority for the subsidy

The Sichuan Province.

5. Legislation under which it is granted

ChuanCaiNong [2015] No.116.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to water and soil conservation projects in key areas.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
60.17 million RMB	Not applicable

9. Duration of the subsidy and/or any other time-limits attached to it  
2015
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.79 Fund for the prevention from and control of pest and disease in forestry

1. Title of the subsidy programme  
Fund for the prevention from and control of pest and disease in forestry.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To strengthen forestry disaster prevention, improve emergency control capabilities, and promote socialized prevention and control.
4. Background and authority for the subsidy  
The Guizhou Province.
5. Legislation under which it is granted  
QianSenJianTong [2014] No.2.
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Projects enhancing capabilities to prevent and control pest and disease in forestry and forestry insurance projects are supported with interest subsidies for their loans or with grants.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
5.15 million RMB	5.15 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
August 2014-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.80 Fund for poverty alleviation**1. Title of the subsidy programme

Fund for poverty alleviation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate the economic and social development in poverty-stricken areas.

4. Background and authority for the subsidy

The Tibet Autonomous Region.

5. Legislation under which it is granted

CaiNong [2011] No.412.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible individuals or organizations in poverty-stricken areas are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
6.65 million RMB	6.79 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2007-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.81 Fund for the development of international economic relations and trade**1. Title of the subsidy programme

Fund for the development of international economic relations and trade.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote change of the way of international trade development.

4. Background and authority for the subsidy

The Shanghai Municipality.

5. Legislation under which it is granted

Administrative Measures of Shanghai Municipality on the Fund for the Development of International Economic Relations and Trade (HuShangCai [2016] No.207).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible enterprises for participation in overseas exhibitions, development of their own brands, construction of public service platforms and etc.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	45.25 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.82 Fund for the development of software and integrated circuit industries**1. Title of the subsidy programme

Fund for the development of software and integrated circuit industries.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate the development of electronic information industry.

4. Background and authority for the subsidy

The Shanghai Municipality.

5. Legislation under which it is granted

Administrative Measures of Shanghai Municipality on the Fund for the Development of Software and Integrated Circuit Industries (HuJingXinFa [2012] No.965).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants or rewards are provided to eligible projects for the development of software and integrated circuit industries.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
200 million RMB	200 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2013-2016

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.83 Fund for industrial transformation and development**1. Title of the subsidy programme

Fund for industrial transformation and development.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve industrial structure and promote economic transformation and upgrading.

4. Background and authority for the subsidy

The Shanghai Municipality.

5. Legislation under which it is granted

Administrative Measures of Shanghai Municipality on the Fund for Industrial Transformation and Development (HuJingXinGui [2015] No.101).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Rewards or grants are provided to eligible projects and enterprises promoting industrial transformation and upgrading.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
750 million RMB	700 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2020
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.84 Fund for promotion of informatization

1. Title of the subsidy programme  
Fund for promotion of informatization.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To accelerate informatization and promote the development of information industry.
4. Background and authority for the subsidy  
The Shanghai Municipality
5. Legislation under which it is granted  
Administrative Measures of Shanghai Municipality on the Fund for Promotion of Informatization (HuJingXinGui [2015] No.841).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Rewards or grants are provided to eligible enterprises and projects promoting informatization and development of information industry.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
500 million RMB	550 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.85 Fund for the development of SMEs**1. Title of the subsidy programme

Fund for the development of SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To support the development of SMEs.

4. Background and authority for the subsidy

The Shanghai Municipality (Qingpu District).

5. Legislation under which it is granted

Administrative Measures of Qingpu District on the Fund for Development of SMEs (QingFuBanFa [2015] No.50).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible SMEs are supported with rewards, grants or government purchase of services.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
10.15 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.86 Fund for scientific and technology innovation**1. Title of the subsidy programme

Fund for scientific and technology innovation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

The Shanghai Municipality (Qingpu District).

5. Legislation under which it is granted

Implementation Measures of Qingpu District on Policies of Scientific and Technology Innovation (QingFuBanFa [2016] No.84).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible innovating enterprises.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	45.7 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.87 Fund in support of science and technology intermediary services providers**1. Title of the subsidy programme

Fund in support of science and technology intermediary services providers.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To develop market entities in science and technology services, and strengthen the supporting role of science and technology services in entrepreneurship and innovation.

4. Background and authority for the subsidy

The Shanghai Municipality (Fengxian District).

5. Legislation under which it is granted

Administrative Measures of Fengxian District on the Support for Science and Technology Intermediary Services Providers (FengKe [2016] No.13).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible science and technology intermediary service providers are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.88 Fund for development through structural adjustment and change in growth pattern**1. Title of the subsidy programme

Fund for development through structural adjustment and change in growth pattern.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote industrial transformation and upgrading, and improve the quality of regional economic development.

4. Background and authority for the subsidy

The Shanghai Municipality (Hongkou District).

5. Legislation under which it is granted

Policies of Hongkou District on the Fund for Development through Structural Adjustment and Change in Growth Pattern (HongFaGai [2015] No.35).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are supported with interest subsidies for their loans, or with grants or rewards or training activities.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it  
2016-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.89 Fund for development of emerging industries

1. Title of the subsidy programme  
Fund for development of emerging industries.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To support development and agglomeration of emerging industries and promote innovation.
4. Background and authority for the subsidy  
The Shanghai Municipality (Hongkou District).
5. Legislation under which it is granted  
Policies of Hongkou District on Development of Emerging Industries (HongFaGai [2015] No.42).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Eligible emerging industry enterprises and related institutions are supported with interest subsidies for loans, or with rewards or grants.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	200 thousand RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.90 Fund for industry and information technology projects**1. Title of the subsidy programme

Fund for industry and information technology projects.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To accelerate industrial restructuring.

4. Background and authority for the subsidy

The Gansu Province.

5. Legislation under which it is granted

Administrative Measures of Gansu Province on the Fund for Industry and Information Technology Projects (GanGongXinFa [2016] No.391).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible industrial development projects are supported with interest subsidies for loans or with grants.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

October 2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.91 Fund for targeted poverty alleviation**1. Title of the subsidy programme

Fund for targeted poverty alleviation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To deepen poverty alleviation efforts and implement targeted poverty alleviation.

4. Background and authority for the subsidy

The Gansu Province.

5. Legislation under which it is granted

GanBanFa [2015] No.28.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to targeted poverty alleviation projects.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1,264 million RMB	1,079 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

June 2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.92 Fund for environmental protection**1. Title of the subsidy programme

Fund for environmental protection.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote environmental protection.

4. Background and authority for the subsidy

The Gansu Province.

5. Legislation under which it is granted

Administrative Measures of Gansu Province on the Fund for Environmental Protection (GanCaiJingEr [2015] No.98).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible environmental protection projects are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
255 million RMB	286 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.93 Fund for promotion of new energy vehicles**1. Title of the subsidy programme

Fund for promotion of new energy vehicles.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote environmental protection and energy conservation.

4. Background and authority for the subsidy

The Gansu Province.

5. Legislation under which it is granted

Administrative Measures of Gansu Province on the Fund for Promotion of New Energy Vehicles (GanCaiJingYi [2016] No.61).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Corporate and individual consumers purchasing new energy vehicles are subsidized by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	5.1 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

#### **2.94 Fund for construction of ethnic trade network and technology renovation of enterprises designated for production of special necessities for ethnic minorities**

1. Title of the subsidy programme

Fund for construction of ethnic trade network and technology renovation of enterprises designated for production of special necessities for ethnic minorities.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote development of ethnic minorities regions.

4. Background and authority for the subsidy

The Gansu Province.

5. Legislation under which it is granted

Administrative Measures of Gansu Province on the Fund for Construction of Ethnic Trade Network and Technology Renovation of Enterprises Designated for Production of Special Necessities for Ethnic Minorities (GanCaiJian [2014] No.264).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Enterprises designated to produce and trade special necessities for ethnic minorities groups are supported with interest subsidies for loans or with rewards.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
5 million RMB	Not applicable

9. Duration of the subsidy and/or any other time-limits attached to it

2014-2015

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.95 Subsidy for early phase-out of yellow label vehicles**1. Title of the subsidy programme

Subsidy for early phase-out of yellow label vehicles.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To prevent and control atmospheric pollution.

4. Background and authority for the subsidy

The Anhui Province.

5. Legislation under which it is granted

Public Announcement on 2016 Subsidy for Early Phase-out of Yellow Label Vehicles in Anhui Province (CaiJian [2016] No.1270).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible owners of yellow-label vehicles are subsidized for early elimination of their yellow-label motor vehicles, which refer to those vehicles failing to meet certain emission criteria.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
0	52.54 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2017

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.96 Reward and support fund for prevention and control of atmospheric pollution**1. Title of the subsidy programme

Reward and support fund for prevention and control of atmospheric pollution.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the prevention and control of atmospheric pollution.

4. Background and authority for the subsidy

The Anhui Province.

5. Legislation under which it is granted

Interim Administrative Measures of Anhui Province on the Reward and Support Fund for Prevention and Control of Atmospheric Pollution.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Rewards are provided to projects to renovate small coal-fired boilers and etc.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
245 million RMB	227 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

December 2014-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.97 Fund for demand-side management of the electric power**1. Title of the subsidy programme

Fund for demand-side management of the electric power.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve power efficiency.

4. Background and authority for the subsidy

The Anhui Province.

5. Legislation under which it is granted

Interim Administrative Measures of Anhui Province on the Fund for Demand-side Management of the Electric Power (Caiqi [2015] No.184).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Demonstration, pilot and major projects of demand-side management of power are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
200 million RMB	404.7 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

November 2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.98 Fund rewarding scientific and technology innovation**1. Title of the subsidy programme

Fund rewarding scientific and technology innovation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

The Inner Mongolia Autonomous Region.

5. Legislation under which it is granted

Public Announcement on Application for the 2015 Fund Rewarding Scientific and Technology Innovation of Inner Mongolia Autonomous Region.

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible scientific and technology projects are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
23.95 million RMB	57.43 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-present
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

## 2.99 Fund for ecological protection compensation mechanism

1. Title of the subsidy programme  
Fund for ecological protection compensation mechanism.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To further improve the ecological construction system of the Autonomous Region.
4. Background and authority for the subsidy  
The Inner Mongolia Autonomous Region.
5. Legislation under which it is granted  
Policies on Improving the Ecological Protection Compensation Mechanism (NeiZhengBanFa [2016] No.183).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Key ecosystem service zones and priority zones for protection of ecological diversity and etc. are supported by the fund.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
3.51 billion RMB	3.45 billion RMB

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.100 Special fund for poverty alleviation**1. Title of the subsidy programme

Special fund for poverty alleviation.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the production and living conditions of impoverished populations.

4. Background and authority for the subsidy

The Heilongjiang Province.

5. Legislation under which it is granted

Policies on Winning the Fight against Poverty of Heilongjiang Province (Heifa [2016] No.1).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Poverty-stricken families and impoverished populations are supported by the special fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	6.1 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.101 Fund for training and re-employment of rural labor**1. Title of the subsidy programme

Fund for training and re-employment of rural labor.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To improve the quality and capabilities of rural labor, accelerate their job transfer and increase the income of farmers.

4. Background and authority for the subsidy

The Guangdong Province.

5. Legislation under which it is granted

Administrative Measures of Guangdong Province on the Fund for Training and Re-employment of Labor (YueCaiShe [2014] No.2128).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Subsidies are provided by the fund for organization, mobilization, implementation and appraisal of free vocational training activities for rural labor, for provision of employment services including recommendation and tracking for rural labor, and for participation of poverty-stricken labor in training activities.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
370 million RMB	376 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2008-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.102 Fund for energy-saving and recycling economy**1. Title of the subsidy programme

Fund for energy-saving and recycling economy.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote energy conservation and emission reduction, and to develop recycling economy.

4. Background and authority for the subsidy

Huizhou City of the Guangdong Province.

5. Legislation under which it is granted

Administrative Measures of Huizhou City on the Fund for Energy-saving and Recycling Economy (HuiShiJingXin [2016] No.466).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Grants are provided to eligible energy-saving and recycling economy projects.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	Statistics not available

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.103 Fund for science and technology projects**1. Title of the subsidy programme

Fund for science and technology projects.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technological innovation.

4. Background and authority for the subsidy

Chaozhou City of the Guangdong Province.

5. Legislation under which it is granted

Administrative Measures of Chaozhou City on the Fund for Science and Technology Projects (ChaoFu [2015] No.32).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible enterprises are supported by the fund.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
5.52 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2020
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

#### 2.104 Fund for construction of engineering technology research centers

1. Title of the subsidy programme  
Fund for construction of engineering technology research centers.
2. Period covered by the notification  
2015-2016
3. Policy objective and/or purpose of the subsidy  
To improve the capability and level of research and development.
4. Background and authority for the subsidy  
Chaozhou City of the Guangdong Province.
5. Legislation under which it is granted  
Administrative Measures of Chaozhou City on the Construction of Engineering Technology Research Centers (ChaoKe [2015] No.57).
6. Form of the subsidy  
Financial appropriations.
7. To whom and how the subsidy is provided  
Eligible engineering technology centers are supported by the fund.
8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1.4 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it  
2015-2020
10. Statistical data permitting an assessment of the trade effects of a subsidy  
Not available.

**2.105 Fund for the development of intellectual property rights**1. Title of the subsidy programme

Fund for the development of intellectual property rights.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technology innovation.

4. Background and authority for the subsidy

Chaozhou City of the Guangdong Province.

5. Legislation under which it is granted

Implementation Measures of Chaozhou City on the Programme of Intellectual Property Rights Development (ChaoZhi [2015] No.18).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Rewards and grants are provided to eligible enterprises with intellectual property rights and patented technologies.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
1.41 million RMB	

9. Duration of the subsidy and/or any other time-limits attached to it

2015-2020

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.106 Fund for high and new technology enterprises**1. Title of the subsidy programme

Fund for high and new technology enterprises.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To encourage scientific and technological innovation.

4. Background and authority for the subsidy

Chaozhou City of the Guangdong Province.

5. Legislation under which it is granted

Three-Year Action Plan of Chaozhou City for Development and Recognition of High and New Technology Enterprises (2016-2018) (ChaoFuBan [2016] No.18).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Enterprises recognized for the first time as high and new technology enterprise are granted one-off reward of RMB 80,000. Enterprises re-recognized are granted RMB 40,000.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
Not applicable	1.48 million RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2016-2019

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.

**2.107 Fund for the development of SMEs**1. Title of the subsidy programme

Fund for the development of SMEs.

2. Period covered by the notification

2015-2016

3. Policy objective and/or purpose of the subsidy

To promote the development of SMEs.

4. Background and authority for the subsidy

Shenzhen City of the Guangdong Province.

5. Legislation under which it is granted

Interim Administrative Measures of Shenzhen City on the Fund for Development of Private Enterprises and SMEs (ShenCaiKe [2012] No.177).

6. Form of the subsidy

Financial appropriations.

7. To whom and how the subsidy is provided

Eligible micro, small and medium-sized enterprises are provided grants or subsidies for guarantee cost.

8. Subsidy per unit, or in cases where this is not possible, the total amount or the annual amount budgeted for that subsidy

2015	2016
512 thousand RMB	687 thousand RMB

9. Duration of the subsidy and/or any other time-limits attached to it

2012-present

10. Statistical data permitting an assessment of the trade effects of a subsidy

Not available.
