THE AGREEMENT ON SAFEGUARDS**

**NOTIFICATION PURSUANT TO ARTICLE 9, FOOTNOTE 2 OF  
THE AGREEMENT ON SAFEGUARDS**

EUROPEAN UNION

*Certain Steel Products*

*Corrigendum\**

The following communication, dated and received on 8 June 2023, is being circulated at the request of the delegation of the European Union.

---

On 2 June 2023, the European Union notified the WTO of its proposal following a review investigation steel safeguard measure on certain steel products ('the Notification')<sup>1</sup>. The European Union has identified an error in a formula whereby South African imports had not been properly incorporated into the calculation, and which resulted in Annex III of the Notification being partially inaccurate.

Therefore, the European Union, by means of this corrigendum, shares with WTO members the corrected version of Annex III. The changes with respect to the Notification are the following:

1. South Africa continues to be subject to the measure in product categories 8, 9 and 10, and is included in category 4A.
2. All developing countries will be subject to the measure in product category 28.
