**UPDATE OF MODEL PHYTOSANITARY CERTIFICATES ISSUED FOR  
EXPORT OF PLANT AND PLANT PRODUCTS FROM TÜRKIYE**

COMMUNICATION FROM TÜRKIYE

The following document, received on 25 July 2022, is being circulated at the request of the Delegation of Türkiye.

- 
1. Phytosanitary Certificates, Phytosanitary Certificates for Re-Export issued for the export of plants and plant products from Türkiye to other countries and attachment sheets for these certificates have been updated.
  2. The new model certificates are published at:  
[https://www.tarimorman.gov.tr/Konu/2146/Yeni\\_model\\_bss\\_re\\_export](https://www.tarimorman.gov.tr/Konu/2146/Yeni_model_bss_re_export) webpage.
  3. The technical specifications of the certificate papers are given in the web link.
  4. The new model Phytosanitary Certificate, Phytosanitary Certificate for Re-Export and attachment sheets are to be used as of 21 July 2022.
  5. However, the certificates and attachment sheets in inventories of Provincial Directorates of the Ministry of Agriculture and Forestry that are currently in use shall stay in use until stocks last.
