## NOTIFICATION

### Addendum

The following communication, received on 2 February 2018, is being circulated at the request of the Delegation of Canada.

#### Established Maximum Residue Limit: Spirotetramat

The proposed maximum residue limit (PMRL) document for spirotetramat notified in G/SPS/N/CAN/1148 (dated 21 November 2017) was adopted 31 January 2018. The proposed MRLs were established via entry into the Maximum Residue Limits Database and are provided directly below:

<u>MRL (ppm)<sup>1</sup></u>	<u>Raw Agricultural Commodity (RAC) and/or Processed Commodity</u>
4.5	Stone fruit (crop group 12-09) <sup>2</sup>
0.25	Tree nuts (crop group 14-11) <sup>3</sup>
0.15	Carrot roots, sugar beet roots
0.1	Asparagus

<sup>1</sup> ppm = parts per million

<sup>2</sup> The MRL of 4.5 ppm is being extended to all of crop group 12-09.

<sup>3</sup> The MRL of 0.25 ppm is being extended to all of crop group 14-11.

MRLs are established for each commodity included in the listed crop groupings in accordance with the *Residue Chemistry Crop Groups* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/residue-chemistry-crop-groups.html>) in the Pesticides and Pest Management section of Health Canada's website.

MRLs established in Canada may be found using Health Canada's *Maximum Residue Limit Database* (<http://pr-rp.hc-sc.gc.ca/mrl-lrm/index-eng.php>) on the *Maximum Residue Limits for Pesticides* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/maximum-residue-limits-pesticides.html>). The database allows users to search for pesticides(s) or for food commodity(ies).

#### **This addendum concerns a:**

- ☐ [ ] Modification of final date for comments
- ☒ [X] Notification of adoption, publication or entry into force of regulation
- ☐ [ ] Modification of content and/or scope of previously notified draft regulation
- ☐ [ ] Withdrawal of proposed regulation
- ☐ [ ] Change in proposed date of adoption, publication or date of entry into force
- ☐ [ ] Other:

**Comment period:** *(If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)*

[ ] Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

**Agency or authority designated to handle comments:** [ ] National Notification Authority, [X] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

**Text(s) available from:** [ ] National Notification Authority, [X] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

The specified MRLs have been provided above and are also accessible, in English and French, from the MRL webpage as indicated below:
