## NOTIFICATION

### Addendum

The following communication, received on 10 May 2019, is being circulated at the request of the Delegation of Canada.

#### Established Maximum Residue Limit: Penthioopyrad

The proposed maximum residue limit (PMRL) document for penthiopyrad notified in G/SPS/N/CAN/1238 (dated 13 February 2019) was adopted 8 May 2019. The proposed MRLs were established via entry into the Maximum Residue Limits Database and are provided directly below:

#### MRL (ppm)<sup>1</sup> Raw Agricultural Commodity (RAC) and/or Processed Commodity

10	Caneberries (crop subgroup 13-07A)
6.0 <sup>2</sup>	Bushberries (crop subgroup 13-07B)

<sup>1</sup> ppm = parts per million

<sup>2</sup> Lowbush blueberries and lingonberries belong to Bushberries (crop subgroup 13-07B). The MRL of 6.0 ppm replaces the currently established MRLs of 3.0 ppm for lowbush blueberries and lingonberries, and establishes new MRLs for the remaining food commodities in the crop subgroup.

MRLs are established for each commodity included in the listed crop groupings in accordance with the *Residue Chemistry Crop Groups* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/residue-chemistry-crop-groups.html>) in the Pesticides and Pest Management section of Health Canada's website.

MRLs established in Canada may be found using Health Canada's *Maximum Residue Limit Database* (<http://pr-rp.hc-sc.gc.ca/mrl-lrm/index-eng.php>) on the *Maximum Residue Limits for Pesticides* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/maximum-residue-limits-pesticides.html>). The database allows users to search for pesticides(s) or for food commodity(ies).

#### **This addendum concerns a:**

- |                                     |  |
|-------------------------------------|--|
| <input type="checkbox"/>            | Modification of final date for comments                                      |
| <input checked="" type="checkbox"/> | Notification of adoption, publication or entry into force of regulation      |
| <input type="checkbox"/>            | Modification of content and/or scope of previously notified draft regulation |
| <input type="checkbox"/>            | Withdrawal of proposed regulation  |
| <input type="checkbox"/>            | Change in proposed date of adoption, publication or date of entry into force |
| <input type="checkbox"/>            | Other:   |

**Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)**

☐ Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

**Agency or authority designated to handle comments: ☐ National Notification Authority, ☐ National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**

**Text(s) available from: ☐ National Notification Authority, ☒ National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**

The specified MRLs have been provided above and are also accessible from the MRL webpage as indicated below:
