NOTIFICATION

Addendum

The following communication, received on 27 January 2016, is being circulated at the request of the Delegation of Canada.

Established Maximum Residue Limit: Saflufenacil

The proposed maximum residue limit (PMRL) document for saflufenacil notified in G/SPS/N/CAN/969 (dated 2 November 2015) was adopted 25 January 2016. The proposed MRLs were established via entry into the Maximum Residue Limits Database and are provided directly below:

| <u>MRL (ppm)</u> | <u>Raw Agricultural Commodity (RAC) and/or Processed Commodity</u> |
|-------------------|---|
| 1.5 | Barley bran |
| 1.0 ¹ | Barley |
| 0.6 ¹ | Triticale, wheat |
| 0.03 ¹ | Buckwheat, field corn, sweet corn plus cob with husks removed, pearl millet, proso millet, oats, popcorn grain, rice, rye, sorghum, teosinte, wild rice |
| 20 | Meat by-products of cattle, goats, horses, and sheep |
| 1.0 | Meat by-products of hogs |
| 0.02 | Fat of cattle, goats, horses, and sheep |
| 0.01 | Eggs; fat of hogs, and poultry; meat of cattle, goats, hogs, sheep, horses, and poultry; meat by-products of poultry; milk |

ppm = parts per million

¹ The currently established MRL of 0.03 ppm in/on cereal grains (CG 15) will be replaced with specific MRLs of 0.03 ppm in/on buckwheat, field corn, sweet corn plus cob with husks removed, pearl millet, proso millet, oats, popcorn grain, rice, rye, sorghum, teosinte, wild rice; 1.0 ppm in/on barley; and 0.6 ppm in/on triticale and wheat, to reflect the new use pattern on barley, triticale and wheat as pre-harvest weed management.

MRLs established in Canada may be found using Health Canada's *Maximum Residue Limit Database* (<http://pr-rp.hc-sc.gc.ca/mrl-lrm/index-eng.php>) on the *Maximum Residue Limits for Pesticides* webpage (<http://www.hc-sc.gc.ca/cps-spc/pest/part/protect-proteger/food-nourriture/mrl-lmr-eng.php>). The database allows users to search for pesticides(s) or for food commodity(ies).

This addendum concerns a:

- ☐ [] Modification of final date for comments
- ☒ [X] Notification of adoption, publication or entry into force of regulation
- ☐ [] Modification of content and/or scope of previously notified draft regulation
- ☐ [] Withdrawal of proposed regulation
- ☐ [] Change in proposed date of adoption, publication or date of entry into force
- ☐ [] Other:

Comment period: *(If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)*

☐ Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

Agency or authority designated to handle comments: ☐ National Notification Authority, ☐ National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

Text(s) available from: ☐ National Notification Authority, ☒ National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

The specified MRLs have been provided above and are also accessible from the MRL webpage as indicated below:
